REV. J. C. HOUGH

Dedication of Minutes

In Memory of Rev. J. C. Hough

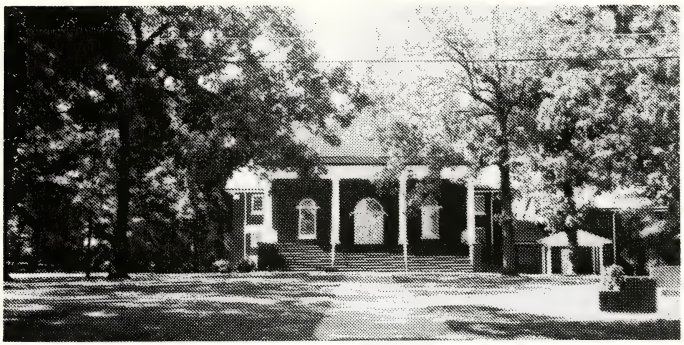
Joseph Carl Hough was born September 7, 1897 and died November 21, 1990. He was one of twelve children born to the W. A. Houghs of Norwood. His mother lived to be one hundred and two.

All five sons of the family graduated from Wake Forest College with J. C. graduating in 1922. Of the seven girls of the family, many were Meredith College graduates.

While serving under the Home Mission Board of the Southern Baptist Convention as Principal of Sylva Collegiate Institute of N.C., he met Edith Woolridge of Lynchburg, Virginia, who later became his wife. The Houghs had been married fifty-five years at the time of her death in 1980. Edith W. Hough was an active WMU leader in Virginia, and in the Stanly Baptist Association of N.C., and later taught at Wingate College.

Rev. Hough was Superintendent of Kennedy Baptist Children's Home of Kinston, N.C., and thereafter President of Oak Hill Academy at Mouth of Wilson, Virginia, one of the seven Baptist schools of Virginia. He was active in many phases of denominational life both in Virginia and North Carolina, and served a number of years as trustee of Wingate College. He also pastored a number of churches including Palmerville Baptist Church of this association.

The Houghs have two children: Martha H. Bailey of Norwood, and Dr. Joseph C. Hough, Jr., Dean of Vanderbilt Divinity School.



CANTON BAPTIST CHURCH

History of Canton Baptist Church

Canton Missionary Baptist Church is located near the center of Stanly County, N.C., six miles west of Albemarle.

George R. Mendenhall, a laywer of Montgomery County, secured a grant from the state of North Carolina for many acres of this unsettled county. He gave two acres of a nice, flat top knoll for a school site and called it Canton, probably after Canton, China. A log house was built and used a few years for a school.

Soon after the Civil War, Rev. Baxter Henderson Carter preached in this schoolhouse. Later, the school was discontinued and a church was organized in 1870. There were probably thirteen charter members: Adam Burris, Mrs. Rowena Almond Burris, Rufus Almond, Mrs. Polly Almond, Moses Bowers, Mrs. Anna Bowers, Jessie Whitley, Peter Treece, Mrs. Emeline Treece, Mrs. Mintie Whitley, Mrs. Bedie Morton, Edmond Honeycutt, and Caroline Honeycutt.

Canton's first church house stood in the northern part of what is now the cemetery. It was used from 1879 until 1887.

Records show that during the time the third preacher, Rev. Edmond P. Harrington, was at Canton, he preached at a mission point called Elizabeth Stand where a church was organized, now called Mission.

A new church house was built in 1887 and served until 1927, when the present building was built.

Under the 13th preacher, Edgar M. Brooks, both Plyler Baptist Church and New London Church were organized.

In 1927, 25 joined by experience and were baptized by J. W. Whitley in Little Bear Creek, 2 joined by statement, and 1 by letter, 3 under the watchcare of the church. All this came from preaching by Rev. J. W. Whitley after the fatal accident of the pastor, Rev. G. W. Stanley.

In 1947 the parsonage was built, and in 1969 the church approved plans for an Educational Building. During this time, the church membership was 503 and the Sunday School was 425.

In 1987, a new Fellowship Building was built.

In 1989, the Children's Sermon was begun. A pictorial directory was produced, the note on the Fellowship Building was burned, and the church purchased a church bus and shelter.

This year, 1991, the church has 530 members and 328 members in Sunday School. The pastor, Gary Hunsucker, was called to serve the church in 1979. With all working together, pastor and congregation are seeking to serve the will of the Lord.

PHILADELPHIA BAPTIST CHURCH

History of Philadelphia Baptist Church

The Philadelphia Baptist Church was constituted in 1891. Services were first held by Rev. E. D. Teeter, and Rev. P. G. Hartsell in the old Brooks School House located to the left of the new part of the cemetery, out in the woods.

Some of the people of the community started a little Sunday School, and a revival was held by Rev. E. D. Teeter and Rev. P. G. Hartsell in August of the same year. As a result of this meeting there were four conversions, with nine others coming from other churches, totaling thirteen members.

On October 4, 1891 Rev. E. D. Teeter and Rev. P. G. Hartsell, D. S. Morton, and Mrs. David Griffin met and proceeded to organize a church which was named Philadelphia, meaning Brotherly Love. A motion was made that this church be united with the Stanly Baptist Association.

The following year, 1892, work was begun on a new church which was a one room frame structure. Mr. Levi Tucker offered land for the church and also furnished much of the lumber. Other members and friends gave of their labor and means.

Several ministers have been ordained, and gone out from this church. Rev. T. F Huneycutt being the first. Also Rev. Wilber Huneycutt, Rev. Carlon Dry, and Rev. Leon Whitley.

In the early fifties, a decision was made to build a larger brick church with an educational building and pastorium. After this was completed in the 1950's, the dream of these great men of God, in 1891, had truly become a wonderful reality, and now stands as a great monument to this community, and to God. The church has enjoyed a steady growth for many years.

Rev. Dwight Mabry is the current pastor.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the Association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

CANTON BAPTIST CHURCH

Tuesday, October 29, 1991

1. Messengers and visitors joined to sing, "Blessed Assurance" to open the 107th Annual Session of the STANLY BAPTIST ASSOCIATION. Gregory Lundberg led the music, accompanied by Mrs. Martha Furr and Mrs. Betty Barbee.
2. Devotions were led by Terry Hinson, pastor of East Albemarle Church. He read from 2 Chronicles 5:11-14, with the text, "Praise at the Temple."
3. The moderator, Ed Lowder, pastor of Prospect Church, declared the 107th Annual Session of the STANLY BAPTIST ASSOCIATION come to order.
4. Harold McDonald, pastor of First Baptist, Albemarle, and chairman of the Credentials Committee, made the motion that the messengers registered and those who would register later, constitute the 107th Annual Session of the STANLY BAPTIST ASSOCIATION. This was seconded and approved.
5. Dwight Mabry, pastor of Philadelphia Baptist Church, and chairman of the Program Committee, made the motion to adopt the program as printed in the Book of Reports, with any necessary changes, and be accepted as the proceedings of the Annual Session of the STANLY BAPTIST ASSOCIATION. This was seconded and approved.
6. Director of Missions, Mac Keck, recognized the following new staff members: Mark Beasley, Anderson Grove Church, minister of Music and Youth; Charles Hensley, pastor of Cottonville; Terry Hinson, pastor at East Albemarle; Tim Sellers, pastor of North Albemarle Church; Farrell Shimpock, pastor of Poplin Grove; John Connell, pastor at Silver Springs; Jerry Parvin, pastor at Union Grove; Joe C. Smith, pastor at Norwood, First.

   He also recognized visitors: Rev. Bill Morrow, from the Baptist Children's Homes, and Rev. Mack Roberts, President of Fruitland Baptist Bible Institute.
7. Special music was presented by Mrs. Toni Smith, "I Am Not Ashamed of Jesus Christ".
8. The inspirational message was brought by Mack Roberts, president of Fruitland Baptist Bible Institute. He read from Isaiah 6:1-8. God spoke to Isaiah and asked, "Whom shall I send, and who will go for us? Then said I, Here am I; send me." Before Isaiah answered God he: had a tremendous experience of worship and praise. He saw the seraphims in the presence of the Lord. He really saw Jesus. The Spirit was there. The Trinity was there. He was purged from his sins by a live coal brought by the seraphim. He knew the altar was Holy. It was after all these things, that Isaiah could answer, "Here am I; send me".
9. All joined to sing, "I Am Thine, O Lord".
10. Ed Lowder, speaking for the Committee on Committees, moved for the acceptance of the report as printed in the Book of Reports. This was approved.
11. Dwight Mabry, pastor of Philadelphia Church, made the motion to accept the Executive Committee report as printed. This was seconded and approved.

12. Michael Taylor, pastor at Mineral Springs, and chairman of Evangelism, made the motion to accept the written report on Evangelism. This was seconded and approved.

14. Larry Linker, pastor of Big Lick Church, and chairman of the Stewardship Committee, made the motion to accept the Stewardship Report as written. This was approved.
15. During the Miscellaneous Business, Larry Linker presented the proposed budget for information — the vote will be taken during the Miscellaneous Business tomorrow.

    Tony Bradley, pastor at Barbee's Grove Church, and chairman of the Constitution Committee, presented the proposed changes. These will be voted on tomorrow.

    Marvin Honeycutt, director of the Missions Development Council presented the three churches that have been under Watchcare of the Association for the past year. A vote was taken on each one separately: Coyle — pastor is Carol Whitley — motion to be accepted, seconded and approved. Fellowship — pastor is Darrell Huneycutt — motion to be accepted, seconded and approved. Silver Road — pastor is Gene Lee Hopkins — motion to be accepted, seconded and approved.
16. Registration report given:
    Messengers — 161 Pastors — 43 Visitors — 40 Total — 244.
17. Darrell Furr, vice-president of the Pregnancy Crisis Center of Stanly County, presented facts to us: received 376 calls from women in Stanly County. 4,400 abortions. There is a great need for prayer as well as financial support. The Association gave $500.00 this year.
18. Agency reports were presented and approved:
    Christian Higher Education: John Connell
    Christian Literature: Burley Moore
    Baptist Foundation: Richard Collins
    Annuity Board: Howard Benoy
    Baptist Retirement Homes: Terry Seamon
    Baptist Hospital: Jason Lee
    Baptist Children's Homes: Ed Lowder (for David Ayers)

    Bill Morrow brought information on the Baptist Children's Homes: The Children's Homes have received $17,323.18 from the STANLY BAPTIST ASSOCIATION. The Thanksgiving Offering will be November 10-17. The goal is $500,000 with 10% of all over that amount being given to the Children's Home in Sao Paulo.

    He reminded us of Mark 10:14. "Suffer the little children to come unto me, and forbid them not, for of such is the kingdom of God." The Children's Home is not a ministry to children only, but to the children and their families.

    In the next 30 minutes, 285 children will become victims of broken homes, 685 teenagers will take some form of narcotics, and 57 children will run away from home. The Children's Homes work with these children and their legal custodians and families to try to find a solution. This is tough assignment, but this is what God would have this ministry do.

    Following Bill Morrow's comments children from three of our churches: South Stanly, Big Lick, and Bethel presented a certificate to him for $3,249.18 in pennies that had been collected in fifteen of our churches for the Baptist Children's Homes offering. The children were: from South Stanly, Michael Mauldin and Tiffany Luther. Scott Lorch, 8 year old boy from that church, emptied his piggy-bank and gave $59.38. From the Big Lick Church, Whitney

Mabry and Lindsey Furr helped. From Bethel Church, Elizabeth Holder and Mandy Holder helped pull the wagon full of pennies. Churches gave as follows:

Anderson Grove	$115.20
Bethel	358.69
Big Lick	450.58
East Albemarle	58.44
Fairview	348.14

19. The Quartet from Canton Church sang, "Going Home".
20. Ed Lowder brought the Moderator's Address, using Acts 2:32-47. Characteristics of the church in the New Testament:

    Jesus was Lord of the church, the church was filled with the Holy Spirit, it was a praying church, a church of oneness, a praising church, a giving church, a bold witnessing church, a church given to the study of God's Word, a church where people were being saved regularly.

    Is Jesus Lord in your church? Are people being saved and added regularly in your church?

    There was a time of prayer for individuals, asking the questions: is Jesus Christ Lord of your lives, is he Lord of your church, is he Lord of your association? There was a time for group prayer and then a time for oral prayer. Ed Lowder closed this time with prayer.
21. Announcements and thanksgiving was led by Gary Hunsucker.
22. Supper
23. The evening session opened with everyone singing, "We Have Heard the Joyful Sound".
24. Organizational reports were heard:

    David Phelps, associate at First, Albemarle, moved for the adoption of the written report on Single Adults. This was seconded and approved. Holly Whitley will be the Single Adult Director next year.

    David R. Troutman, pastor of Kendalls, chairman of the Senior Adult Council, gave out questionnaires. 40% of the resident members of the association are senior adults. The Senior Adult Council is listed in the Book of Reports. David made the motion to accept the written report. This was seconded and approved.

    Gary Hunsucker, pastor at Canton Church, and director of the Christian Social Ministries, made a motion to accept the written report. This was seconded and approved. He then spoke to the report: there is a need to be involved in the Pregnancy Crisis Center, in Christian Social Ministries, etc. There is a need for those people with a burden for the hurting people to serve on a Christian Social Ministries Council.
25. Registration report
    Messengers — 167 Visitors — 34 Pastors — 43 Total — 244.
26. The Director of Missions, Mac Keck, presented slides on happenings in the

Association. The Baptist Counseling Center of Stanly County is sharing a building with the First Baptist Church of Albemarle, and this ministry is doing well. Tom O'Neal, director of the Baptist Counseling Center in Charlotte, serving as Counselor, along with Retha Ross, secretary, are there on Thursdays from 2:00 to 6:00. Appointments are steady and there is hope the Center may go to a full day.

Slides let us see several of the new church buildings as they were being built.

Mr. Keck expressed appreciation for the three churches received into the Association: Coyle, Fellowship, and Silver Road.

The financial support has been very good, we went over the budgeted amount because the giving has increased.

He made a motion to adopt the written report. This was seconded and approved. He then spoke to the report: The Association is down in baptisms, down in Discipleship Training, which could have been caused by a difference in the way of reporting this year. We are also down in Cooperative Program giving.

He expressed a desire of a possibility of a retreat setting for the Association. This could be a piece of land with a simple structure or eventually a Christian Life Center. We would need input from individuals and from churches.

Mr. Keck then presented Dr. George Shore, from the Baptist State Convention, who spoke to us concerning the New York Partnership.

The NY State Convention was organized in 1969. There are 360 churches. The Partnership will be from June 1991 to December 1995. There are 4 objectives: 1. Evangelism — there are 26 million people in the NY State convention area. 2.5 million Baptists with 11 churches and missions. 2. Church starts — 48% are language missions — 65 different languages on Long Island. 3. Church Growth. 4. Ministry (social).

Partners are needed for: surveying, VBS, youth programs, evangelism, construction, hymnals, Sunday School materials, literature, interim pastors, training, financial help for pastors, baby items, Bibles.

One church in Newark, NY will lose their facilities if they cannot pay $7,000 by the end of December.

27. All joined to sing, "'Tis So Sweet to Trust in Jesus".
28. Raeford Cooke, pastor of Aquadale Church, read Scripture from Joshua 4:19-24.
29. Special music was brought by the Canton Church Choir singing, "My Saviour Lives".
30. Fred Miller, pastor of Dunn's Grove Church, brought the sermon. He used the Scripture read by Raeford Cooke. Camp is a place of rest, a place of remembrance — the 12 stones were used to make a memorial. We have the old rugged cross as a remembrance. At one time we were lost without God. We are now redeemed by the blood of Jesus (Passover),
A place of resurrection: God buried the old generation and raised the new generation.
A place of restoration: their blessings were restored.
Are we still camping by the riverside? We need to break camp and march on to victory in Jesus.
31. Lonnie Whitley, pastor of North Stanly Church, gave the benediction.

Second Day

Wednesday, October 30, 1991

PHILADELPHIA BAPTIST CHURCH

32. The first session of the second day convened at 9:00 AM with the hymn, "Great is Thy Faithfulness".
33. Mrs. Ann Yarbough sang, "The Presence of the Lord" and "The Lord is My Shepherd".
34. Devotions were led by Charles Hensley, pastor at Cottonville, using the Scripture, I Corinthians 3:11-15. What are you building on Christ's foundation?
35. Special Prayer was offered for Mac Keck, who had a torn muscle in his right leg, and for Gary Hunsucker who has not been feeling well for several days.
36. Richard Collins, pastor at Red Cross, and chairman of the Place and Preacher Committee moved for the adoption of the written report. This was approved.
37. Betty Pate, chairman of the Nominating Committee, moved for the adoption of the written report, with the addition of Mrs. Betty Hill as Literacy Director. This was approved.
38. Miscellaneous Business
    Larry Linker presented the proposed budget with a few explanations: Discipleship Training item should be $1,100 instead of $1,000. This was a typographical error, and was corrected at the Executive Committee meeting. The second item was the $3,600 Travel expense for the Director of Missions. This has been moved from the Director of Mission Support to Operational Expense. This will now be a reimbursement and is an estimated amount. In doing it this way it allows for a tax break for the Director of Missions. Rev. Linker moved for the adoption of the budget. This was seconded and approved.

    Constitution changes were read by Tony Bradley, chairman of the Constitution Committee, who made motions for each one to be accepted. Each item was approved.:

    Article V – Section 2
    Article VIII, Section I
    Article VIII, Section 8
    Article VIII
    Article VIII, Section 3
    Article VIII, Section 12 (new)

    Mac Keck spoke concerning the church reported on in the New York Partnership. The Newark Fellowship Baptist Church is in financial need. If they cannot pay $7,000 by the end of December they can lose their $300,000 facilities. Suggested the possibility of using money in the Minister's Emergency Fund to help this church. After some discussion Kinney Wallace made the motion to use $3,000 from General funds, to be coordinated through the State Convention. This was seconded and approved.

    Since Prayer is a large part of our lives and a Prayer Committee has been approved, we are asking for volunteers to serve on this committee. Anyone who is interested can contact Mac Keck.
39. Ronny Russell, pastor of Mission Baptist Church, made a motion to accept the written report on the General Board. The constitution of the State Convention says he does not represent the Association, but Ronny would like to be able to do that. He prays that God will use him to bring peace, unity and integrity to the Convention.

40. With Dwight Mabry, Vice Moderator, presiding, organizational reports were given:

Mark King, pastor of Oakboro, First, and Sunday School Director, made a motion to accept the written report. This was seconded and approved. He spoke to the report. Jim Hartsell actually wrote the report, but he has been called to another church and was not present. Once again the Association has received "Standard" recognition.

Lu Phelps will be added to the ASSISTeam. We still need an Outreach Director, and ask for volunteers.

Certificates were presented to the ASSISTeam in appreciation:
Barbara Herlocker, Plyler Church
Betty Hill, Oakboro, First
Lu Phelps, Albemarle, First
David Phelps, Albemarle, First
Alda Miller, Kendalls

Tony Bradley, Discipleship Training, made the motion to accept the written report. This was seconded and approved. He then spoke to the report: 42 of our churches have no Discipleship Training. Most of us do not realize that any time you do any training, it is Discipleship Training. There is now a team to help you, and materials are available at the Associational Center.

Tim Middleton, Youth Director, made the motion to accept the printed report. This was seconded and approved.

He then spoke to the report: once a youth is 16-17 years old it is too late to reach them. At the first youth leaders meeting there were 6 churches represented, at the second one there were only 2 churches. Youth meeting will be Sunday at Prospect Church from 2:00 to 4:00. Let us work together to go and tell.

Gregory Lundberg, Music Director, made the motion to accept the printed report. This was seconded and approved.

Cletus Whitley, Baptist Men Director, made the motion to accept the written report. This was seconded and approved. He then spoke to the report: There are 16 churches in West Virginia in need of physical help. The Disaster Van will be at the Associational Center November 16. Mission Expo will be at Wingate College Saturday, November 2.

Mary Schreppel, WMU Director, made the motion to accept the written report. This was seconded and approved. She then spoke to the report: There has been an increase in 2 areas. The council is open to help all churches.

41. Registration report
Messengers — 136 Pastors — 34 Visitors — 17 Total — 187

42. Christian Life and Public Works report was approved after Raeford Cooke made the motion to accept. He spoke to the report: we are hopefully facing the lottery vote. We need to be aware and ask for the vote. It will hurt those at the low end of the economy.
On May 23, 1991 superior court upheld the Planned Parenthood Program. Mr. Cooke encourages us to be better informed by getting more information.

43. Ordination Committee report was given by Doyle Holder, pastor of Bethel Church. This was seconded and approved.

44. Everyone was invited to stand and sing, "Praise Him! Praise Him!".

45. Scripture read by Lowell Brown, pastor of Bethlehem Church — was Exodus 18:1-9.

46. Jason Lee, pastor at Antioch, brought the sermon using Scripture read by Lowell Brown. What does the Bible say about personal responsibilities?

Parents are not at fault. The Word of God came to us. Each of us is responsible for our own sins and must repent. We are guilty of idol worship. The first thing we must do is have a right relationship with God. We can't blame others. We cannot accuse God for being unjust. We cannot blame parents for a sinful life.

47. Resolutions report was read by David Ayers. He then made a motion to accept as read. This was seconded and approved.
48. Mission Reports were approved:

    Foreign Missions — Mark King
    Home Missions — Jerry Parvin
    State Missions — Phillip Hunter
    Missions Development Council — Marvin Honeycutt
    Volunteerism — from the floor.

49. Memorials to those of our number who were deceased during the past year were read by Farrell Shimpock, pastor at Poplin Grove. He then led in prayer.
50. Mac Keck led in the installation of officers for the coming year.
51. Motion to accept the written report on the Baptist Counseling Center of Stanly County was heard from the floor. This was seconded and approved.
52. All joined to sing the hymn, "I Stand Amazed in the Presence".
53. Prayer requests were made: a son who is lost, unspoken requests, wife going into the hospital for surgery, the lost. Ed Lowder led in prayer.
54. Harry Sherwood from Wingate College spoke concerning the college. There is a program for those in full time churches. Wingate is close to churches in Stanly County, and there are 94 students a year going to the college from Stanly County. Hopefully there will be a raise in salary for the professors and encouragement for students to attend. The School will be 100 years old in 1996. The greatest need is to have the necessary endowment dollars. All money received from Cooperative Program goes into scholarships.
55. Mac Keck introduced Rev. Rob Roberts, our guest speaker.
56. Reading from Philippians 4:4-9, he used the text "Joy". Every Christian should be filled with joy. Not everyone will be happy all the time. We are filling our lives with drugs, sex, etc. Our joy should be real. We need to live genuine Christian lives.
    1. Why don't we have this joy? Because of sin, disobedience to God — habit — attitude. We have become so religious we have lost our walk with God.
    2. Where can we look for joy? By being obedient to Christ. Joy is one of the "fruits". If we love the Lord first we will love that which is second more. God gives this love back for us to share. God gives joy to all!
57. Announcements and thanksgiving were expressed by Dwight Mabry.

Lunch

58. The session reconvened at 1:00, after a delicious lunch, with the singing of the hymn, "To God Be the Glory".
59. Ronny Russell, pastor of Mission Baptist Church, and Director of the Baptist Counseling Center of Stanly County, introduced Tom O'Neal, counselor at our Counseling Center. The Center is located at 221 North Third Street, Albemarle, hours 2:00 to 6:00 on Thursdays. Appointments are scheduled for each week and are usually full. Everything said there is confidential — a report is given to no one.
60. Ed Lowder introduced Judson Lennon, missionary speaker. He has served as pastor of West Albemarle Church, and is now a retired missionary to Thailand.

61. Judson Lennon brought a challenge:
Every year 34 million people die without Jesus. 13 million never heard of Jesus. It is a lost world — also a hungry world. 1 out of 2 are actually starving to death. If we want peace we must present the Prince of Peace.

It is a bankrupt world. People lose confidence in our world. 1 million Americans file for bankruptcy.

It is a religious world. Old religion is getting stronger. The world religions are coming here. 1 out of 3 claim to be Christian. Disobedient Christians stand in the way of the world coming to Christ. In impossible situations only God can change it. Prayer makes possible the things that seem impossible. Pray and think about what you will give to the Lottie Moon Christmas Offering. We need sacrificial offerings — the giving of ourselves.

63. Benediction led by Tim Sellers, pastor of North Albemarle Church.

64. Registration report:
Messengers — 139 Visitors — 17 Pastors — 38 Total — 195.

Resolution Committee Report

We, the Resolution Committee, on behalf of the officers, messengers, and visitors, meeting in this One-Hundred and Seventh Annual Session of the Stanly Baptist Association, do with deepest gratitude extend to the Canton Baptist Church and the Philadelphia Baptist Church, our sincere appreciation for the use of their facilities and for providing delicious meals.

Stewardship

by Larry Linker

"NOW IS THE TIME FOR ALL GOOD MEN TO COME TO THE AID OF THEIR COUNTRY."

These words have been typed thousands of times, as students practiced their typing. After a while they cease to be words and become just letters to help us in learning to type. However, the truth of these letters, when made into words, is still with us. As never before, the time is now, when you and I, as Christians and members of Baptist churches in Stanly County must come to the aid, not of our country, but our Association. This year the stewardship committee has proposed the largest budget ever proposed in Stanly Association.

We feel this budget reflects the feeling of Stanly Baptists, in our desire to obey The Great Commission, given to us by the Lord Jesus Christ, that our ministry is to begin at home. If we are to be about His business as we should, we must have the financial backing of all the churches. One of the main reasons we fall short in our giving to all causes, including the Association, is a lack of understanding of Biblical Stewardship. God has entrusted each of us with a certain amount of possessions and we need to understand these "things" are not ours, but given only as a trust. If we understand and practice Biblical

stewardship, none of our work, Associational, State, National, and world-wide would ever suffer for the lack of finances.

As ministers and lay-persons, we should all strive to reach the Biblical standard of giving, "as God has prospered you". We also should seek to claim the promises contained in God's Word concerning our giving, and perhaps we would see some of the financial problems in our personal lives, in our churches and certainly in our Association vanish.

We of the Stewardship Committee urge you to re-examine the giving of your church and seek to increase that giving so the work of the Lord can continue to grow.

Evangelism

by H. Michael Taylor

Our Evangelism Rally was held on March 11th at First Baptist Church in Locust. We had approximately 250 in attendance. J. W. Hutchens, Director of Evangelism for the North Carolina Baptist Convention, brought a stirring message. The Site Sisters of Woodstock, Georgia brought a powerful message in song. I believe every heart was touched as they sang, "America the Beautiful". It made us proud of our country and service men and women serving in the Middle East. I praise God for the reports of souls being saved in the Middle East from the evangelistic effort of all our churches sending tracts, Bibles, and Christian literature. May we see the need to evangelize our country as well.

Ordination Committee

by M. Doyle Holder

We had the privilege of examining and recommending two candidates for ordination this past year. On January 6th, at the request of First Baptist Church of Oakboro, we examined Mr. Terry Hinson, who had accepted the call to serve East Albemarle Baptist Church. On January 31st, at the request of First Baptist Church of Locust, we examined Mr. Sid Martin, who had accepted the call to serve First Baptist Church of Kotzebue, Alaska. Both of these men received our unanimous recommendation for their ordination for the gospel ministry. Pray for these two men and their families as they faithfully serve our Lord Jesus through His glorious Church.

Baptist Counseling Center of Stanly County

by Ronny Russell

The Baptist Counseling Center of Stanly County opened in February of this year with Tom O'Neal as counselor and Retha Ross as receptionist. The center is open one-half day on Thursdays from 2-6 p.m. Plans are being made to expand the hours perhaps as early as March of 1992.

The center has been attractively and comfortably furnished with budgeted funds and donations of time and money from various sources. The location is at 221 North Third Street in Albemarle.

An Advisory Board meets regularly to hear reports and discuss needs of

the center. The most recent meeting was July 25, 1991 with the next meeting scheduled for January 9, 1992.

Through August twenty-six family units had received counseling at the Center. Referrals have come from several different sources as follows:

32% from pastors
32% from churches
16% from relatives of clients
11% from friends of clients
9% from other sources

This ministry is fulfilling a great need in Stanly County. It is not a ministry that will receive wide publicity in terms of published results since counseling, by its very nature, is personal and confidential. It is expected that the need for Christian counseling will become even greater in the future. The opportunities for the ministry of the Counseling Center of Stanly County will also increase and require our prayers and support for expansion.

Christian Education

by John H. Connell

The work of the Education Commission is to encourage Southern Baptists to see educational activities and institutions as a means of witnessing to the saving power of Jesus Christ and to the consequence of this salvation in changing society as a whole. The activities of the Commission are provided in specific services to institutions and to those individuals who serve on the faculties and staffs of these institutions or in local churches which are related to them. This program provides information and consultation to those who would reinforce educational activities.

Education has been a part of the mission of Southern Baptists since before the inception of the Southern Baptist Convention. This particular emphasis is recognized as a means for applying the Gospel to all areas of human knowledge and endeavor in seeking to lead all to a saving knowledge of Jesus Christ, while at the same time providing training for church leaders and members, as well as encouraging Christian leaders of all types for the society as a whole.

The 71 Southern Baptist educational institutions received $95,845,040 from their sponsoring State Conventions and the Southern Baptist Convention.

Church vocation volunteers enrolled in the colleges and schools sponsored by Baptist State Conventions and in the seminaries sponsored by the Southern Baptist Convention totaled 199,943 for 1990-91.

Christian Literature

by Burley W. Moore

While sitting in a dungeon awaiting execution, the fourth chapter of II Timothy became the last message that the inspired hand of Paul ever wrote. In writing to Timothy, Paul requested that he come quickly to Rome and bring with him three specific articles. He wanted his "cloak, books, but especially the parchments". Whatever time Paul had left, he wanted to spend it studying the "parchments" (WORD OF GOD).

Southern Baptists are by tradition PEOPLE OF THE BOOK. We consider the greatest literature of all time to be the God breathed BOOK that we call

the Bible. There are numerous books available to help us in the study of God's Word. An unlimited amount of resource can be found in the Baptist Book Store. Also, other agencies of our Southern Baptist Convention have materials that can assist us in various areas of ministry. The Sunday School Board offers a wide selection of literature, including such magazines as *Church Administration, Growing Churches, Home Life,* and *Open Windows.*

To keep us informed as well as to encourage us to participate in missions activities, the Foreign Mission Board publishes *THE COMMISSION* and the Home Mission Board publishes *MISSIONS USA.* On both the state and national level of our convention, literature is readily available to aid us in Christian ministry.

God's people need to be an informed people and a people who are grounded in the Word of Truth. Like Paul, we need to say that we want the "books but especially the parchments".

North Carolina Baptist Foundation, Inc.

by H. Richard Collins

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation, and world.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

During the fiscal year of 1990, earned income distributed to Baptist institutions and mission causes was $647,180.00.

Also during the fiscal year of 1990, earned income distributed to individuals with Baptist causes named as charitable remainderman, totaled $686,124.00.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through wills.

Missions Development Council

by Marvin Honeycutt

A Boater's Worship Service was sponsored for the fourth year at Point Randall on Lake Tillery. Services began May 26th and ended September 1st. The average attendance was 6 boats with 24 people.

The Council met twice with pastors and deacons of the three churches under the Watchcare of the Association, which will be presented at the Annual Meeting: Coyle Baptist Church, Carol Whitley, Pastor; Fellowship Baptist Church, Darrell Huneycutt, Pastor; and Silver Road Baptist Church, Gene L. Hopkins, Pastor.

The Council recommended approval of several requests for State Missions funds returned to the Association:

$2,000 for Stanly County Habitat for Humanity
500 for the Pregnancy Crisis Center of Stanly County.

Annuity Board

by Howard Benoy

Each adult male has an instinct to protect his spouse and children. There is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death. If he is an eligible participant in the Church Annuity Plan, it costs him nothing!

The Protection Section of the Church Annuity Plan is provided by the State Convention, and includes several benefits. These benefits can mean receiving:

up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

up to $300.00 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

up to $35.00 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church. The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security.

The average annuitant in North Carolina receives $287.43 per month, up from $234.00 last year. North Carolina has 3,396 members making contributions to Annuity Board retirement plans. However, small contributions make the annuitant's benefits small. In North Carolina:

185 receive less than $50
482 receive less than $100
1,041 receive less than $200
1,338 receive less than $300

A great challenge remains to help ministers prepare for the future and to help churches be responsible employers.

Baptist Retirement Homes

by Terry Seamon

North Carolina Baptists operate four residential facilities for Older Adults. These four homes are — the Albemarle Baptist Home, the Western North Carolina Baptist Home, the Hamilton Baptist Home, and the Brookridge Retirement Community.

The Western North Carolina Baptist Home in Asheville has received a certificate for 100 medicaid certified nursing care beds. This has been a dream for more than five years. Before this certificate was awarded, the only Baptist facility for nursing care was the 85 bed unit at the Brookridge Retirement Community. This addition will cost approximately 2.8 million dollars. At the present time, 2 million has already been donated. Western North Carolina Baptists are being urged to raise the remaining 800,000 dollars needed to complete this project.

The Brookridge Restirement Community in Winston-Salem has seen the completion of its second year of operation. Because of the well-trained commitment of its Christian staff, it is considered one of the best retirement facilities in the State.

The Albemarle Baptist Home in the Southern Piedmont, and the Hamilton Baptist Home in Eastern North Carolina provide the care Older Adults need

in a residential setting. These two facilities also provide this care to anyone regardless of their ability to pay. This is something no other long-term care institution in this State can match.

The theme of the Baptist Retirement Homes of North Carolina is "The Best of Times!". In order for us to make this theme a reality, we as North Carolina Baptists must support this ministry with our prayers and finances.

North Carolina Baptist Hospital

by Jason Lee

The year 1991 is significant in the history of Baptist Hospital — it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary. This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

Baptist Children's Homes of North Carolina

by David Ayers

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists care enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Maywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceed on firm footing because Baptist Children's Homes was there to pave their pathway.

BCH "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowments. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. Baptist Children's Homes receive $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning.

Single Adults

by David Phelps

Single Adults now comprise about 45% of our adult population, yet this segment of the population remains largely unchurched. "Singles" represent our greatest opportunity for evangelism and ministry. This past year a questionnaire was distributed to the churches of our Association requesting information concerning Single Adult Sunday School, the number of singles connected with each church, their approximate ages, and how to best meet their needs. 25% of our churches responded.

According to answers from the questionnaire and also from study, we are in need of an association wide Single Adult Ministry. Each pastor expressed a desire that singles have an opportunity for both fellowship and spiritual growth. This can be done through a variety of activities such as Bible studies, retreats, fellowships, special workshops, etc. ...

It is my recommendation that:

*Stanly Baptist Association establish a "Singles Committee" representing the geographical areas of the county.

*Because of varying life-stage needs, this committee target a specific age group for which to begin an associational singles ministry and implement it.

*The singles committee support the ministry of each local church, encouraging singles to be active in their home church.

Finally it is requested that the churches of Stanly Baptist Association open their doors to allow this ministry to meet in different areas of the county.

Senior Adults

by David R. Troutman

The Senior Adult Committee is charged with the task of studying the special needs (physical, spiritual, financial, etc.) of senior adults and presenting to the Association a plan to meet those needs.

It is not our desire to "reinvent the wheel". If a need is being met adequately elsewhere, we will not attempt to meet that need. To that end we met with Mrs. Judy Floyd, Director of the Stanly County Senior Services Department, to learn what her department was doing. We brainstormed with Mrs. Floyd about areas in which we might become active.

David Moore, Director of Family Life and Aging for the Baptist State Convention, met with the committee to provide input into possible areas of ministry and our role in them.

Using funds provided by the Association, we have begun a Senior Adult section in the Associational Library and a vertical file of related material. This material is available to anyone in the Association.

Our final task for 1990-91 is construction and distribution of a survey to be given to all churches in the Association. This survey, when completed, will give us a picture of what is being done and where the efforts of this committee need to be focused. That will serve as the basis for our work in 1991-92.

Christian Social Ministry

by Gary A. Hunsucker

Social Ministry has a Biblical foundation that has existed since the beginning of creation. It was born in the mind of God and demonstrated in His care to provide a help meet for Adam. It is commanded By God in Genesis 1:28 "... be fruitful, and multiply, and replenish the earth ..." Social Ministry is inherent to humanity by Cain's answer to God's question in Genesis 2:9 "... where is Abel thy brother? And he said, I know not: Am I my brother's keeper?" For the Christian our greatest challenge to Social Ministry comes from the parable of the sheep and goats recorded in Matthew 25:31-46. In this Scripture we are told that in order to be among the righteous we must feed the hungry, give drink to the thirsty, take in the homeless, clothe the destitute, visit the sick, and visit the prison. In truth Christians are to minister to any and all social problems.

A social problem can be anything that deals with the necessity for life and welfare of the community or society. In our community of Stanly County, which contains the boundaries for our association, we find all the things Jesus mentioned, as well as many more problems that deal with necessity for life and welfare of our community. Through county government, local agencies and groups, and churches many social problems are being served.

As the Stanly Baptist Association we can help in Christian Social Ministry

by informing our churches of the needs and helping our churches become involved. The Christian Social Ministry of the Stanly Baptist Association is presently in its infancy. We are seeking people to serve on a team to help plan and begin Christian Social Ministry. Please volunteer by calling the Associational office or Gary A. Hunsucker.

Director of Missions

by Womack Keck

Directors, councils, committees, and churches have worked hard and for the most part the results have been positive for 1990-1991. Though I had hoped it would be different, I was not surprised that our recorded baptisms did not reach last year's when we participated in the Here's Hope Simultaneous Crusade effort. Every time our churches have joined together in prayer and witnessing, as they do during simultaneous revivals, we have always had significant increases in baptisms for that year only to fall short in numbers the following years. Wouldn't it be great if as much effort went into every year? We experienced a decrease in Discipleship Training for the year even though our director worked hard and vigorously promoted this program. I truly want to encourage each church to take a close look at your training program. If we are to make disciples and help prepare leaders and workers for our Lord's work we must deliberately plan and do discipleship training. The third area of decrease was in total cooperative program giving even though our overall total mission giving was up. I would urge each church to give serious thought to any change in CP giving and what effect it might have.

All other areas recorded increases and we are grateful for these. Our Association mission giving increased significantly and we are extremely pleased. We all realize, I think, that if we are to do ministry beyond what we are presently doing we must have funds to finance it. You, as an association, helped finance four mission volunteers who went to Alaska and to Russia. In doing so you shared in their ministry effort. You have also financed this year a ministry that I believe has and will make a real difference in some peoples' lives. You provided this ministry through the counseling center which has been very busy with appointments scheduled weeks in advance.

We have yet another door of opportunity that has opened to us through the New York Partnership. Not only will we have opportunity to minister to needs there but they were prepared to offer ministry here as well. I'm sure there will be many doors of opportunity opened this new year and together we will share the ministry opportunities. May God bless every effort made in His name.

General Board

by Ronny Russell

The General Board of the Baptist State Convention of N.C. is the "Convention Between Annual Meetings of the Convention". The Board has the power to act for the Convention in all matters except those specifically limited by the Convention's constitution.

General Board members "hold in trust" the affairs of the Convention and are charged with the management responsibility for the Convention.

Through May 15, 1991 total Cooperative Program receipts were reported to

be 1.54% above the same period in 1991 but fell 3.5% short of meeting the budget. Receipts for foreign missions, home missions and world hunger have increased significantly: 7.1% of receipts were designated to the optional budget allowed by vote of November, 1990 Baptist State Convention. In addition, the amount of monies designated to "exclude SBC" has doubled from 1990.

Meeting at Wingate College on May 21-22, 1991 the General Board elected a special Institution Relationship Study Committee. The purpose of the seventeen-member committee will be to look at the total relationship of the Convention to the colleges and universities. This is deemed necessary in view of the changes taking place across the SBC relating to convention-institution relations.

In other action the General Board adopted a statement reaffirming opposition to the state lottery.

The Evangelism Committee, on which I serve, heard reports from the Evangelism Division. A new program called Total Church Life was introduced as a strategy for incorporating evangelism into all areas of church life.

The next General Board meeting was scheduled to be held at Caswell September 24-25.

Sunday School

by James Hartsell

The past year signalled the beginning of a new century of work by our Southern Baptist Convention Sunday School Board as well as a new thrust in Sunday School work. We began a new five year push of growing better Sunday Schools. The overall theme for the years 1990-95 is "BREAKTHROUGH". This past year was "Breakthrough — Reach to Win". The 1991-92 year will be "Breakthrough — Teach to Win".

One of the new beginnings is new improved literature. With the advent of the improved literature our Sunday Schools will have a better "handle" on improved teaching. Be sure to check the improvements made to insure better service to our churches.

This year we saw an improvement also in the effective work of your ASSIS-Team. The attendance at this year's ATS was higher. Therefore, reaching more local church workers. There were 7 churches served either by the ASSIST Director or another member of the team. Our Vacation Bible School Clinic had 169 in attendance for training.

There have been changes in the faces of your ASSISTeam this year but no change in its purpose. The purpose of your ASSISTeam has been and will be to be of assistance to each and every church in its Sunday School work. If the team can serve you in any way please call the Associational office. May God continue to serve your community through your Sunday Schools.

Discipleship Training

by Tony Bradley

Discipleship Training has a specific task that has been assigned to it. That task is helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Discipleship Training program does not compete with other church programs, but can when properly administered, enhance the total work of the church.

The Discipleship Training Program has responsibility for teaching in five

major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and Skill Development (in performing the function of a New Testament Church).

During this past year Discipleship Training in our association:

1. Sent the Director, Tony Bradley, to Key Leadership Conference
2. Observed Associational Youth Night. We had 140 in attendance representing 19 churches in our association, and 8 other churches. The West Stanly F.C.A. performed and a very challenging message was brought by Rev. Ken Forrester of Indian Trail, N.C.
3. Had 16 children representing 5 churches in our association, participating in the Children's Bible Drill. There were also 2 youth who participated in Youth Bible Drill. Many of these participated in the State Drills and were State winners.
4. Mailed promotional material to every church encouraging the study of the Southern Baptist Convention Doctrine Study, "The Doctrine of Lordship".

To strengthen the Discipleship Training programs of Stanly Association and to begin new programs and groups we have an excellent Discipleship Training Team. Those who will serve this coming year are:

Rev. Tony Bradley ..... Director
Rev. Terry Hinson ..... Adult Consultant
Mr. Wayne Smith ..... Youth Consultant
Mr. and Mrs. Larry Hatley ..... Children's Consultant
Mrs. Judy Bradley ..... Preschool Consultant

We are available to serve the churches of Stanly Baptist Association. Please let us help you by informing us of the particular training needs of your church.

Youth

by Tim M. Middleton

As the new Associational Youth Director, filling Sid Martin's shoes will be no easy task. However, as we look to the future of Stanly Baptist youth work within the association it is my hope not only to address the needs of youth but also of youth workers across our county.

Plans are already being made to resume our monthly Youth Meetings as well as quarterly Youth Events with extra special speakers or musicians. In addition to these, there will be made available regular meetings for youth workers in order to evaluate, plan and share the ideas in the hope that we will have the opportunity to inspire and uplift each other to new heights in youth work.

I carry in my heart a deep concern for youth. The world offers them many new attractions in order to blind them to the love of Christ and their need for a close personal relationship with Him. Because of this it is my personal goal as Youth Director to, in every way possible, coordinate the work of the youth division with that of the other parts in the body which is Stanly Association in an effort toward greater evangelism in Stanly County. It is my fervent prayer that the coming year will see a greater spiritual growth in the youth we are now ministering to and a greater increase in the number of youth reached with the Gospel of Christ.

Music

by Gregory C. Lundberg

Another year has come and gone so quickly. It has been a good year for music in the churches in the Stanly Association. As I talk to the various music leaders in our churches, most all of them report that their people "have a song in their hearts". I am so thankful that we have the privilege to do as the Psalmist instructed: "Shout for joy to the Lord, all the earth. Worship the Lord with gladness; come before him with joyful songs."

As we lead the music in our respective churches, it should be our goal to give all of the glory, praise and honor to the Lord who has put that song in our hearts. It is my hope that in the coming year the music leaders of our churches will become even more aware of the common bond that we have with one another through our Savior. There is already a spirit of cooperation between many of the churches that could be expanded. Many churches are already lending music to one another. This is a very legitimate program especially in light of strained financial situations nationwide. There are many other ideas that will be shared in the coming days ahead by the incoming music director for our Association. I trust that we can assist him in implementing his goals and ideas. A verse comes to mind as we think about the future. "Let us not grow tired of doing what is right for after a time we shall reap a harvest of blessing." Galatians 6:9 I believe our best days are ahead. Let us press on.

Baptist Men

by Cletus Whitley

Our Prison Ministry has done a fantastic job by going to the Correctional Center each Sunday morning at 8:30. We are proud to report several prisoners have asked for prayer. Some have made decisions for Jesus Christ, and others have committed themselves to be a witness to other inmates.

Men from our churches are meeting and teaching each Saturday morning at the Baptist Retirement Home in Albemarle.

Let all of us take advantage of each opportunity to witness through the Lake Ministry, Campgrounds and Rest Stops on our highways.

On October 6, 1990, we joined with 17 Baptist Men from our churches on a mission project at Cameron Boys Camp, where work was done on the Chuck Wagon building. Lunch was prepared and served by some of the boys at the Campground.

Several men took time from their busy schedule to help get our Counseling Center ready to open. Some of the chores were carpentry, and electrical work, painting, installing ceiling fans, and floor covering. The men are to be commended for a job well done.

We appreciate the suits that have been given for Fruitland Bible Institute.

The Workshops for church leaders have done much in promoting mission work and activities.

In the Long Range Planning Committee's report on page A-7, goal #5 we have failed to make our goal, 46 churches reporting Baptist Men work — but at this time we have 37 churches reporting with 1,071 enrollment. We ask our pastors and churches to give our leaders a chance to work and help with this count.

Our Associational Baptist Men's leaders have attended several training

workshops at Ridgecrest and at Caraway. Quarterly meetings for our church leaders are being held with mission projects, sports, and activities being emphasized. As the information comes out in the Associational Newsletter, we hope these will be promoted through the churches. If the Baptist Men Leaders can help in any way, call at 982-4065, or write Cletus Whitley at 24465 One Half Mile Road, Albemarle 28001.

Woman's Missionary Union

by Mary Schreppel

"Empowered", the WMU emphasis for 1990-91 assures us that through the Holy Spirit we are empowered to risk and make a difference in the world by considering missions our responsibility. Missions is sharing God's love and plan of salvation with persons who do not know Him. This is one of WMU's goals.

Pam Lowder led a Prayer Retreat at Prospect Church.

Alda Miller and Pam Lowder taught the Missions Workshop. (Socks — requested 750 pair, received 1,282 pair)

Pat Phillips and Diane Burris organized two new Mission Friends organizations, re-organized one and taught a Workshop at Salisbury.

Libby Phillips and Tammy Harwood organized two new G.A. organizations, conducted GActivity Day and held two conferences.

Carol Hopkins and Mary Ann Abernathy re-organized one Acteen group, led a Prayer Retreat, Personal Witnessing Workshop, Associational Conference and a recognition service. Carol took a group of Activators on a mission trip to Bryson City.

Jan Lammonds and Georgia Troutman re-organized one BYW group and held an Associational conference.

Sherry Dunevant and Patty White led the Baptist Women's Annual Session with Bobby Stafford as guest speaker.

WMU's Annual Session was held at Canton Baptist Church with Beth McDonald being the afternoon speaker. Mr. and Mrs. Curtis Grant, from Mission Church, spoke during the evening session. Emphasis was put on Youth and their continued interest and involvement in WMU.

Two scholarships were given this year by the WMU.

Christian Life and Public Affairs

The Southern Baptist Convention has charged the Christian Life Commission with the responsibility of assisting Southern Baptists in understanding the moral demands of the Gospel and helping them apply the principles of the Christian faith to moral and social problems. One of the Commission's tasks is to challenge Southern Baptists to become involved with moral, social and public issues. During the past 12 months, the Commission has engaged in activities designed to help Southern Baptists apply Christian truths in family life, citizenship, race relations, drug abuse, world hunger, religious liberty and a host of other moral and public policy concerns.

The Commission has long had the responsibility of challenging Southern Baptists to understand their responsibility as Jesus' disciples to be salt and light in society. It is good to be able to help Southern Baptists understand their historic right to be involved as citizens in public policy issues faced by our

nation. Enlarging the Washington office staff in the past year has enhanced the Commission's ability to fulfill the portion of its program statement which calls on the Commission to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of Federal government programs on children and youth, aging, housing, employment, public health and other matters pertaining to social welfare."

The Commission played a major role in arranging a meeting with the President of the United States and some of his advisors during which the Commission's executives were able to present their concerns directly to the President in several areas including homosexuality, abortion issues and federal funding of sacrilegious and obscene art.

During the past year, the Commission provided support materials to Southern Baptists for observance of six special emphasis Sundays related to Christian ethics on the denominational calendar.

Foreign Mission Board

by R. Mark King

Southern Baptists have a heritage and a legacy regarding foreign missions. We believe that when Jesus said "Go ye into all the world" it was not just a figure of speech, but a direct commission. 1990 was another marvelous year for the Southern Baptist Foreign Mission Board.

For example, Korean Baptists have started 20 churches in one week meeting in tents, basements and storefronts. They were assisted by Louisiana Baptists and experienced 250 professions of faith as teams visited in over 1,000 homes.

The second largest Mayan tribal group in Guatemala, the Mam, have dedicated their first Baptist Chapel. Foreign missionaries Wendall and Jane Parker and Keith and Penny Stamps have worked with the Mam for over three years.

Five Southern Baptist missions workers were airlifted from a highway leading into Baguio City, Philippines after the major earthquake hit the islands, stranding them for three days. Yet, at the Baptist Seminary in Baguio, rice was distributed for quake victims.

Currently Southern Baptists have over 3,800 missionaries and more than 11,000 volunteers. Last year $70.23 million was given to Foreign Missions through the Cooperative Program, an increase of $1.37 million over 1989. The Board received $80.58 million from the Lottie Moon Offering. $6.86 million was given in hunger and relief offerings. The Foreign Mission Board honored such gifts by maintaining 60.6% of total expenditures going to send and equip missionaries with the next largest portion spent directly for evangelism and church development.

When headlines centered on Kuwait, Colombia and Liberia, Southern Baptists were there. When overseas Baptist churches grew 13% to 24,122 in 1990, we were there. When overseas baptisms totaled 208,381, we were there with our overseas partners. When prayers were said for new religious freedoms in Soviet bloc nations and the Soviet Union, Southern Baptists were there when God granted those petitions. Be proud of the Foreign Missions Board, but more so, be challenged that God's people in God's place will continue to have our support, our prayers and ourselves.

Home Missions

by Dwight Mabry

The mission of the church in the world is the mission of Jesus Christ. When we discover why He came, we know what the church is to do in the world. The church communicates its message by what it does as well as by what it says.

In 1990, Southern Baptists gave $35,679,669 through the Annie Armstrong Easter Offering; an increase of 8.14 percent over 1989. This offering provided support for evangelism, church starting, church growth, and ministry. Thanks Southern Baptists for your continued support financially and prayerfully.

The Home Mission Board evangelism goal by A.D. 2000 is 500,000 baptisms annually. 1990 results: 385,031, an increase of 9.7 percent over 1989. Part of last year's increase can be attributed to the "Here's Hope" simultaneous revivals.

Convention-wide: 609 church-type missions were started last year. Our goal is to start 50,000 churches and church-type missions. Presently we are reporting 43,419 congregations for 1990.

The Home Mission Board appointed 475 new home missionaries, bringing the total to 4,573. Language Church Extension supported 1,284 home missionaries who ministered among 101 language culture groups.

In 1990 the Home Mission Board sent out 1,343 summer missionaries, 137 semester missionaries, 98 Spots groups, 60 innovators, 248 Sojourners, 884 mission youth groups, 1,431 Christian Service Corps volunteers, 825 adult groups, 22 mission specialists, and 70 US-2ers.

The Mission Service Corps coordinated the work of 1,301 MSC volunteers in more than 900 places, averaging 2,000 service hours per year. Mission Service Corps volunteers are self-supporting. This saves Southern Baptists an estimated $20 million a year.

Last spring Southern Baptists reported 104,100 professions of faith and 77,700 baptisms through "Here's Hope" Jesus cares for you simultaneous revivals.

According to Dr. Larry Lewis, President of the Home Mission Board, Southern Baptists are increasing their emphasis on evangelism. We are prayerfully progressing toward our goal of reaching our world with the Gospel by the year 2000. Rather than a six week (Simultaneous Revivals) emphasis once a year, President Lewis encourages pastors, missionaries, and laypeople to emphasize evangelism 52 weeks of every year. When personal evangelism is a priority and a lifestyle among Southern Baptists, the Kingdom of God will rapidly multiply.

State Missions

by Phillip Hunter

"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and the ends of the earth." (Acts 1:8 NIV)

The above verse of Scripture is the way Luke shared Jesus' charge to His Church. The charge is concerned with both ministry and missions. For North Carolina's Southern Baptists, the doing of ministry and missions is not an either/or option. Instead, ministry and missions are one and the same.

What do we do through State Missions? Through State Missions, North Carolina's Southern Baptists support a variety of ministry/missions opportunities. Through State Missions, we are able to support mission ministries,

missions education, Christian higher education, the Christian Action League, and special ministry projects around the State.

Through State Missions, North Carolina's Southern Baptists help support ministries/missions which meet a variety of special needs. The variety reaches from helping to minister to the blind and illiterate, to starting new churches, to training and encouraging various Christian ministers.

In 1990, North Carolina's Southern Baptists gave financial support for State Missions through the Cooperative Program. Also, North Carolina's Southern Baptists gave $41.6 million to the State Missions Offering. As the Cooperative Program continues to provide financial support for State Missions in 1991, the 1991 State Missions Offering Goal is $1,800,000. By meeting this goal, North Carolina's Southern Baptists will participate in State Missions by providing the following support: $702,000 — Mission Ministries, $23,994 — Fruitland Baptist Bible Institute, $198,000 — Christian Higher Education, $30,000 — Christian Action League, $108,000 — Caswell Debt Retirement, $252,000 — Caswell Capital Funds, $171,000 — Associational Projects, $180,000 — Woman's Missionary Union, $135,000 — North Carolina Baptist Men.

"... And you will be My witnesses ..." Are we being the witnesses which Jesus would have us to be? Through our support of and our involvement in North Carolina State Missions, we will move closer to being the witnesses which Jesus would have us to be.

Volunteer Missions

by Mike Lanham

Volunteer missions is a perfect way for many to participate personally in The Great Commission and to seek God's call for their lives. This year, association members journeyed to places such as Russia, Alaska, and Pennsylvania to witness, evangelize, and share the love of Christ with those less fortunate.

Canton Baptist Church sent Virgil and Susan Efird to the Kenai Peninsula/Cooper Lake area of Alaska to help as counselors with a wilderness Bible Camp. The camp hosted 70 children from four surrounding villages, 20 of which made professions of faith during the week. This opportunity will be available next year also.

Mission Baptist Church's Group Mission sent three adults and eight youth to Williamsport, PA, to lead a Backyard Bible Club in a housing project area. The week long event attracted 45 underprivileged children from unchurched, and broken homes. This was a request from the Home Mission Board and will be conducted every other year. Also, Mission Baptist sent Korena Huneycutt to Russia to witness and distribute Bibles. Korena went as a member of the First International Baptist Young Women Entrepreneurs Abroad Team sponsored by the Foreign Mission Board. Korena's team went to Moscow and Yalta, distributing over 15,000 Bibles while witnessing and evangelizing.

Volunteer missions will be a big part of this year's missions work in the association. The Foreign Mission Board will again continue its partnership with Sao Paulo, Brazil and is looking at others. The Home Mission Board will have opportunities for volunteers to assist with a New York partnership as well as many opportunities like the Backyard Bible Clubs.

The reward for volunteering in missions will always be greater than the sacrifice made in going. If you or members of your church are interested in taking part, pray that God will open doors for specific opportunities for you. The blessing you receive will be something you will never forget.

REV. LEROY A. CALDER

Dedication of Minutes

In Memory of
Rev. Leroy A. Calder

October 25, 1914-May 12, 1992

Rev. Leroy Alfred Calder was born October 25, 1914 in Effingham, S.C. He was graduated from Colgate Rochester Seminary in Rochester, NY, and served as associate pastor to Dr. C. Oscar Johnson in Tacoma, Washington. He was ordained to the Gospel ministry in December of 1938 by the Elim Baptist Church of Elim, S.C.

While pastoring the Midway Baptist Church and First Baptist Church of Hemingway, S.C., he taught school, coached athletics, and preached. From 1954-1970 he served as pastor of North Albemarle Baptist Church. During this period he served as Moderator of the Stanly Baptist Association and was Associational Training Union Director. He was also advisor to the Baptist Student Union of Pfeiffer College. He headed the Polio Drive of Stanly County and was a member of the Optimist Club.

After retirement he played some golf, but spent much of his time doing what he loved most — serving as interim pastor at Ansonville Baptist Church of Ansonville, NC, Richfield Baptist Church, New London, N.C. His last interim pastorate was the First Baptist Church of Mt. Gilead.

He was an active member of the Norwood Ministerial Association and was a frequent writer of "From the Pulpit" for *The Norwood News.*

His wife, Jessie Rhinehart Calder, and he had 3 children: a son, Leroy Alfred Calder, Jr., and 2 daughters — Mrs. Lynn C. Burnett of Colonial Heights, VA, and Mrs. Dixie C. Ferris, of Denver, Colorado.

BARBEE'S GROVE BAPTIST CHURCH

History of Barbee's Grove Baptist Church

In the summer of 1881, a group of people met in the home of Allen Barbee for the purpose of organizing a place to worship.

These men were hard-working, honest, God-fearing country folk who knew the need to assemble for worship.

On Saturday, September 24, 1881, Barbee's Grove Baptist Church was organized with 48 charter members.

The first year the services were held in a brush arbor. A small one room structure was built in 1882. At this time it was a member of the Rocky River Association, but joined the Stanly Baptist Association in 1885.

A large wood building replaced the old one in 1911.

As time went on there was need for a new building, so on August 11, 1963, the congregation moved into the new brick church presently used.

On December 7, 1986, we dedicated the large new educational building which houses Sunday School rooms, kitchen and fellowship room. The old Sunday School rooms and sanctuary were redecorated at this time also.

Because of the hard work and dedication of our fore-fathers, and their great insight into the future we have continued to prosper for the past 111 years.

Barbee's Grove stands tall on a hill in the midst of many rolling hills and can be seen for many miles around.

It continues to grow and fill its place in the community because of many faithful members who are willing to let their lights shine for the Lord.

May it continue to grow as people strive to do God's work and stay in his will so future generations may have a great place to worship.

Rev. Tony Bradley is currently pastoring our church.

FIRST BAPTIST CHURCH OF LOCUST

History of First Baptist Church, Locust

God works in great and marvelous ways among his people when they hear and obey his call. After several revivals were held under brush arbors, in 1883, preaching by a missionary Baptist was held in the public school house of Locust Level. In March of 1884, Rev. G. A. Honeycutt, W. G. Morton and Washington Russell perfected an organization, with Rev. W. G. Morton becoming the first pastor. On the day of the organization, Emsley D. Teeter united with the church and was elected clerk, secretary, and treasurer. Later the same year, he was licensed to preach. James A. Furr was ordained as the first deacon.

A lot adjoining that of the school was purchased on which a brush arbor and stand were built. Great spiritual services were held and sainted mothers would shout the praises of their Redeemer as the strains of "Amazing Grace" would sound forth from the hundreds of voices. These services were held under the arbor for a year or two, until a one-room structure was erected. Preaching services were held once each month, with preaching and conference on Saturday and services on Sunday morning.

There were 12 charter members, but their names were not recorded. Only one deacon is mentioned — that of James A. Furr. The name given the church was the Baptist Church of Locust Level. This was before Uncle Sam cut off the Level part. As other Baptist churches came to the community, the name was changed to Locust First Baptist Church. The church was a charter member of the Stanly Association, organized in 1885.

No Sunday School is mentioned in the minutes until 1891, when J. C. Teeter was elected superintendent. Many of the older members showed little interest; but young people of the church and community carried it on. In this same year,

Emsley D. Teeter and M. C. Furr were both ordained to the ministry. Also, in this same year a plot of land was purchased for a cemetery. The women of the church were given permission in 1894 to organize a Missionary Society. Mrs. R. W. Simpson was elected president holding this position many years. Mrs. Simpson has gone on to be with her Heavenly Father but her great spirit lives on in the Women's Missionary Society of the church.

The following were licensed to preach from our church: Mr. Allen Davis on February 1973, Mr. Eddie Barbee April 1979, Gordon Huneycutt April 1987, David Almond July 1988, Keith Austin August 1988 and Ken Leatherman October 1988. On March 22, 1987 Mr. Sid Martin joined our church as Minister of Music and Education and left in March 1991 after being licensed and ordained to preach in February 1991 to go to Kotzebue, Alaska as a missionary-pastor. George and Edna Dunkle spent 2 weeks during June 1991 with Sid and Marsha in Alaska helping with their work. Opal Dabbs went with the Foreign Mission Board to Australia this summer also. Buddy and Penny Whitley went on a mission trip in 1990 to do a Bible School for children. Rev. Wallace also received his Doctorate in Theology in 1991.

Today with a membership of 794, the church has Sunday School organizations, Sunday Morning and Evening Worship Services, Mid-week Worship Services, Mid-week Bible Studies for Children and Youth, Baptist Women, Baptist Young Women, Mission Friends, GAs, RAs, Acteens, Choir practices for Adults, Youth and Children, Youth meetings, Children's Church and a tape ministry for the shut-ins and a weekly radio broadcast. "The Communicator" still goes into the homes of its members weekly.

The current pastor, Kinney Wallace, came to serve the church October 31, 1978.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Proceedings of the First Day's Session at

BARBEE'S GROVE BAPTIST CHURCH

Tuesday, October 27, 1992

1. Messengers and visitors joined to sing, "God, Our Father, We Adore Thee" to open the 108th Annual Session of the Stanly Baptist Association. Tony Bradley, pastor of Barbee's Grove Church, led — accompanied by Mrs. Joan Hatley.
2. Devotions were led by Jon Hoey, pastor of South Albemarle Church. He used Scriptures from I Peter 5, Proverbs 3:5-6, and Revelation 2:1-4. With the overall theme for the Annual Session being "Bold Missions", we are to be bold in praying, bold in volunteering, and bold in witnessing. God chooses to use us, and He wants us to be bold.
3. The Moderator, Ed Lowder, called the 108th Annual Session to order.
4. A motion was made, seconded and approved to accept the messengers registered and those who would register later to constitute the 108th Annual Session.
5. Program Chairman, Dwight Mabry, made the motion to adopt the program as printed in the Book of Reports, with any necessary changes, as the proceedings of the Annual Session of the Stanly Baptist Association. This was seconded and approved.
6. Director of Missions, Mac Keck, recognized new staff members — those who were present and those who were not:
   Samuel McLamb — the newest pastor, having just been called by Badin.
   Max Vanderburg and wife — pastor at Plyler.
   Joe E. Smith and wife — moved from West Oakboro Church to Mt. Calvary Church.
   Jessie R. Dennis — moved from South Albemarle Church to Paul's Crossing.
   Jon Hoey — pastor at South Albemarle
   Wayne Austin at Parker Memorial
   Yates Brooks serving as interim at Memorial.
   Claude Connell serving as interim at Mineral Springs
   Eugene Carroll serving as interim at Richfield.

   New Associates at two churches were recognized: David Almond at Fairview and Dale Collingwood at Fellowship

   Three new Music Directors: Mark Morris, Fellowship — Kevin Graham, Locust — Buddy Whitley, South Albemarle.
7. Ed Lowder introduced Dwight Mabry, who will sing a solo.
   He also introduced our speaker, Cleve Wilkie.

   Rev. Wilkie is a preacher, speaker, and author. He leads a full and active life, even though he is now retired. He was reared in the Baptist Children's Home in Thomasville, and now he and his wife, Nancy, live in Kinston. He received his BA and graduate degrees from Wake Forest University and Southwestern Baptist Theological Seminary, Fort Worth, TX. He has served as pastor in both North Carolina and Texas. He served for 29 years as a field worker in the Stewardship Division of the Baptist State Convention of N.C. He was "On-Site-Coordinator" for the five-year Partnership between North Carolina and West Virginia. He has served as Director of Missions in Texas.

As an author he has written two books. The first, On Just Looking Around, is a collection of light, humorous essays which originally appeared in over 30 newspapers throughout the state. His second book, a novel called In The Shadow of Job, was published recently and is now available.

Using the Scripture from Matthew 16:13-17 we find Jesus asking the question "Who do men say that I the Son of Man am?" Jesus is not confused about who He is, but rather He wants to know who other people think He is. He is the only one who calls himself the "Son of Man". He is not God and man — but he is God Man. He is judge, redeemer, saviour. Sometimes we are so busy doing that we forget to tell. Our "Main Mission" is to tell others about Jesus!

10. The hymn, "Turn Your Eyes Upon Jesus" was sung.
11. Flake Mason, pastor of Porter Church, and chairman of the Committee on Committees, moved for the adoption of the written report. This was seconded and approved.
12. Dwight Mabry moved for the adoption of the Executive Committee report. This was seconded and approved. The item concerning Incorporation of the Association will be brought up during the business session.
13. Kinney Wallace, pastor of Locust First, and chairman of the Evangelism Committee, moved for the adoption of the written report. This was seconded and approved.
14. Kinney Wallace, also chairman of the Prayer Committee, made a motion to accept the written report. This was seconded and approved. He then challenged us to do the "main thing". We will never do the "main thing" until we pray about it. God has shared with us that we are not in warfare against flesh and blood, but with powers and principalities of the rulers of the darkness in this world. The only way we can win is through prayer.
15. The Treasurer, Mrs. Maude B. Connell, made a motion to accept the financial report as written. This was seconded and approved.
16. David Phelps, associate pastor to Albemarle First, and chairman of the Stewardship Committee, presented the proposed budget. This will be voted on during the business session tomorrow.
17. Doland Humphries, pastor of Highland Church, was invited to speak on the Pregnancy Crisis Center. A young lady from West Albemarle Church is the new director. He expressed thanks for the funds from the Association and for the involvement of our churches. Young ladies are being saved each month — in January there were 8 who accepted Christ. Over 500 calls are received each month — some are hang-ups and others are not interested. The Center keeps up with those who decide on abortion and try to encourage them as they make plans for their lives. Prayers and involvement are sought in this ministry.
18. Registration Report:
    138 messengers 35 pastors 19 visitors total 192
19. Harry Sherwood from Wingate College advised us that 87% of their students are from Stanly County. 7 of our pastors are attending on a scholarship from college funds. Last year the cost to Stanly County kids was reduced about 60% — a student can attend Wingate for less than $4,000 due to scholarships and other financial aids.

    No Baptist boy or girl who wants to attend a Baptist school, especially Wingate, should turn that school down because of cost. At least not until they give the school a chance to try to determine if the school can come up with funds. Recently a Stanly County business made a pledge to the scholarship fund for generous scholarships.
20. Miscellaneous Business
    Several months ago a committee was elected to study the incorporation of

the Association. They met several times and then presented their recommendations to the Executive Committee for approval to present it here today. Since this comes from a committee it does not require a motion or a second. This was then approved.

Jason Lee, pastor of Antioch Church and Chairman of the Constitution Committee, presented the proposed change in the constitution. This will be brought to a vote at the business session tomorrow.

21. With the Vice-Moderator, Dwight Mabry, presiding, the following agency reports were approved:
Christian Higher Education — Phillip Hunter
Baptist Foundation — Richard Collins
Annuity Board — David Phelps for Harold McDonald
Baptist Retirement Home — Howard Benoy. Dr. William Stillerman, president of the Baptist Retirement Homes, spoke:
There are not enough beds to meet the needs of older adults. The fastest growing group is those 85 years of age and older. By the year 2000, 1 out of every other person will be older than 55. There are 36,000 now who are 100 years of age. By the year 2010, there will be 880,000 who are 100 years and up. Work has been done on the Baptist Retirement Home in Albemarle by men in the Association: a new roof, sprinkler system, air conditioner, paint and new carpet. It is 1 of only 5 places in the state where there are no financial requirements to enter the Home.

    The last two agency reports were approved:
Baptist Hospital — Joe E. Smith
Baptist Children's Homes — Lil McElwee
22. The hymn, "Sweet Hour of Prayer" was sung. Also, "He Keeps Me Singing."
23. Ed Lowder brought the Moderator's Address.
After reading from Hebrews 4 he asked the questions: Who dulled the Sword of God? When was it dulled? How was it dulled?
Reading from John 6 we find that it is God's power that makes the difference. The power of God leads people to be saved, that convicts backslidden Christians, that makes us grow and mature, and lets us have sensitivity. Without the power of God, nothing happens.
In Isaiah 59 we find some answers:
1 Sin
    Tithing — 14,000 in Stanly Baptist Association do not tithe
    Attendance — over half of our people do not attend church
    There is strife in our churches
2 We fail to recognize the enemy
3 Unbelief — We go to church expecting nothing to happen
4 We don't pray
Do we have the commitment to resharpen the Sword of God?
24. Special Music: Trio — Mrs. Tonda Hamilton, Mrs. Rita Linker, and Mrs. Kathy Postma. "Holy Ground" and "Only Jesus Can Satisfy Your Soul".
25. A time for prayer — led by Ed Lowder.
26. Announcements and thanksgiving by Tony Bradley.
27. Supper
28. The evening session opened as everyone joined to sing, "Freely, Freely".
29. Organizational reports were approved:
    a. Single Adults — Ed Lowder for Terry Hinson
    b. Senior Adults — David Troutman (spoke to the report). There are two divisions of senior adults — the frail and the healthy. The needs of both groups need to be met.
    An Interfaith Conference will be held January 28th at Providence Baptist Church in Charlotte. $12.00 per person includes lunch.

c. Christian Social Ministries — Gary Hunsucker
d. Literacy — Ed Lowder for Betty Hill

30. Pam Lowder, Mission Support Director for the WMU, made an announcement — The Prayer Retreat will be held November 7th at Camp Barnhardt, 9:00-3:00.

31. Mac Keck, Director of Missions
Motion was made to accept the written report — this was seconded and approved. He then spoke to the report, expressing appreciation to everyone for the work done this past year. He emphasized several items from the written report:
    1. The World Missions Conference was a highlight of the year. Many have expressed appreciation for the missionaries as they shared their work. We are encouraged to continue giving through the Cooperative Program in support of our missionaries.
    2. Here's Hope for Christ Crusade. This was brought about by the work of the Youth Director along with the Evangelism and Discipleship Training Directors. Many lay people became involved and were very excited about the work done.
    3. Hurricane Andrew — many of our people participated in working together to help those who were in need. We sent our financial support, along with food and other requested items. Men and women from our association have gone down to do what they could to help others.

    In looking at the statistics we note there is an increase in Associational giving. As you give money and ideas, that is the direction the Association will go. Our vision and direction is the same as that of the convention. They have missionaries — home and foreign — we have missionaries all over this county. There are people here who need to be won to Christ and are just as important as people anywhere else in the sight of God. We want to help channel the direction and efforts in ways to minister to the needs and as you participate more can be done.

    Long Range Planning in the past has been implemented as to that which we had been instructed to do and now there is a need to turn and take another look into the future. The Executive Committee voted for the Nominating Committee to elect a committee to do that. We will look for ways to improve our effectiveness in ministry whether to the lost or to the saved. To meet the needs of the lost we realize it will take more than planning, more than preaching, more than witnessing. It is going to take all three plus much prayer. Before we make progress we must reexamine our relationship with other believers.

    Numerous Scriptures were shared concerning God's commandment that we love one another. What does love mean to us? We should love, not judge. Do others know we are God's by our love of one another?

32. Ed Lowder led in prayer.

33. Jerry Parvin, pastor at Union Grove, shared that he had had the privilege of baptizing his son.

34. Registration report:
146 messengers 40 pastors 20 visitors total 206

35. Joe E. Smith, pastor of Mt. Calvary Church, was introduced. He will bring the Annual Sermon.

36. All joined to sing, "Because I Have Been Given Much".

37. The Barbee's Grove Church choir sang, "O For a Thousand Tongues" and "He Is Here".

38. Joe E. Smith — annual sermon:
At the beginning of a new year we strive to do better than before. King Ussiah did great things in the 40 years he was king. He brought peace and

prosperity. Senior adults still answer God's call. God calls each of us to do a job. What happens when God calls? We need to be committed to worship and to God. We don't hear God speak because we are not spiritually prepared. Isaiah was brought into the presence of God during a regular worship service. He realized that God supplies us at the weakest point of our lives. Isaiah was prepared to hear God's call — and he participated when he answered, "Here Am I . . ." Thus making himself available. We must be like Isaiah in all things.

39. Benediction was led by Wiley Rutledge, pastor of West Albemarle Church.

Second Day

Wednesday, October 28, 1992

41. Kevin Graham sang, "What A Savior He Is".
42. Devotions were led by Joe D. Smith, pastor of Norwood First.
From Isaiah 6:8 he spoke on volunteering. Isaiah realized we all sin. The world is asking us to come help as we share God's plan. Would you be bold enough to volunteer as Isaiah did?
43. Otis Goins, pastor of Immanuel Church and Chairman of the Place and Preacher Committee, reported on place and preacher for next year. He made the motion to accept the written report. This was seconded and approved.

    d. Music — presented by Ed Lowder.

e. Baptist Men — Cletus Whitley
400 men are needed for the week of December 27-January 2 to work in Florida at Homestead. Building materials will be available from volunteers from North Carolina. The men will need to take tools, provide their shelter, food and water, a cot or sleeping bag.
19 from our association have already been there to help. Slides are available if a church would like to know more about the program.

f. Women's Missionary Union — Mary Schreppel. She expressed appreciation for the support of the young people.

48. Justin Hill, chairman of the Resolutions Committee, presented their report. He made a motion for the acceptance of the report, seconded and approved.
49. Justin Hill expressed thanks for the support given Habitat. 5 homes have been completed in 5 years, 2 having been completed this year. Thousands of homes have been built over the world by Habitat.
50. Registration report
120 messengers 35 pastors 6 visitors 161 total
51. Raeford Cooke, pastor of Aquadale Church, made a motion that the written report on Christian Life and Public Action be accepted. This was seconded and approved.

53. Introduction of Ronnie Vaughn, pastor of Centerview Church, who will bring the Annual Sermon.
54. The hymn, "To the Work", was sung.
55. Ronnie Vaughn brought the Annual Sermon. He read from 2 Corinthians 5:20. NOW is the acceptable time. Standing for Jesus is right NOW. Acts 24:25 — we put off the decision to follow Jesus. We neglect building up Jesus. We should never be pleased until God is pleased. 75% of the people in the world are never saved. Paul, preaching through God, presented a changed life. We can and should plan for tomorrow, but we should build on today to do so. God's time is NOW.
56. Prayer time
57. The hymn, "Amazing Grace" was sung.
58. Mission reports were approved.
    a. Foreign Missions — Mac Keck for Phillip Hunter. We are waiting for the word that we will be in partnership with Russia: Ukraine. The doors are opening there, but seem to be closing here. You are urged to support foreign missions with prayer and with giving.
    b. Home Missions — Wiley Rutledge, pastor of West Albemarle Church.
    c. State Missions — Nathan Fox, retired from Memorial Church
    d. Missions Development — Farrell Shimpock, pastor of Poplin Grove Church. Have a vision to help those going on mission trips. The fund we had is now depleted and there is none set up right now. If and when we do get funds, you are asked to put your request in written form.
    e. Volunteerism — Mac Keck for Mike Lanham
    If churches see fit to give beyond the budget, the money could go to missions.
    f. Counseling Center — Ronny Russell. Gary McFarland, our pastoral counselor at the Baptist Counseling Center, was introduced. He is married, 38 years of age, and 2 children. He is working with individuals, couples, and families. Home Mission Board endorses Pastoral Counselor. If you have a problem or know someone who does, refer them to the Counseling Center. The Association provides a subsidy on an average of $16.00 per visit.

59. Bill Morrow from the Children's Homes gave a report. There are church buildings on 2 of our campuses. At Thomasville there is Sunday school, Morning Worship and on Wednesday evening there is Sunday school for the children and staff. This is done because many of the children go home for the weekend. 2,288 children run away. 1,489 are abused each day. 80% of the girls have been abused, as have 60% of the boys. God has called the home to change the lives of these children. The goal for the Thanksgiving offering is $600,000 this year.
60. Wendy Edwards, from the state Discipleship Training Dept. in Cary, expressed appreciation to ministers, and thanked them for the spiritual nourishment they give.
61. Juanita Huneycutt presented the Memorials.
She read a poem: "In Memory Of Our Grandpa", by Amber Hinson and April Drake.

A man is like a flower
It grows from day to day.
But in its life it must die
and that means it cannot stay.

Birth is one of the brightest things
It's very soft and low
Just like that night in Bethlehem
That happend so long ago.

Death is an important part of life
It's very hard to face
It's never a sweet experience
It has a bitter taste.

But when you get to heaven
It makes it all worthwhile,
If it's friend or family
You know they're going to smile.

62. Installation of officers by Mac Keck.
63. Introduction of William Andrews — missionary to Chili from 1950 until he retired in 1987. He holds the title of Emeritus Southern Baptist Missionary. He was born in Greensboro, NC, and now, with his wife, Constance, lives in Charlotte, NC.
64. The hymn, "Serve the Lord with Gladness", was sung.
65. Message by William Andrews. Luke 4:18-19, Acts 26:15-18. Co-mission means we are on mission with our Lord. It is the work of our Lord. There are several reasons for calling us.
    1. The nature of missions is the nature of our Lord.
    2. When you get people face to face with the Lord missions will result. God loves unconditionally.

    Missions is love, and grace is God's love overflowing.
66. Announcements and thanksgiving by Kinney Wallace.
67. Lunch
68. The afternoon session convened with the singing of "We've a Story to Tell".
69. Mac Keck recognized two of our pastors who have retired this past year: Nathan Fox and Howard Benoy.
70. Ed Lowder passed the gavel on to Dwight Mabry, who will be Moderator this coming year.
71. Introduction of Michael Whitson. He was born in Brevard, NC, and now serves the First Baptist Church of Indian Trail, NC, where he has baptized 876 people. The total membership has increased from 446 to over 1,500. Sunday School weekly attendance has increased from 200 to a weekly average of nearly 600.

Jesus asked that we would sense the Glory of God (we need to get right with God before we come to church). His followers received the Word, and believed it. If we get right spiritually and morally economics will straighten out.
    Jesus prayed they would be united in love. Jesus prayed and he experienced the joy of love.
    Michael Whitson issued an altar call.

Resolution Committee Report

We, the Resolution Committee, on behalf of the officers, messengers, and visitors, meeting in this One-Hundred and Eighth Annual Session of the Stanly Baptist Association, do extend our appreciation and thanks to Barbee's Grove Baptist Church and the First Baptist Church of Locust for their hospitality in providing the use of their facilities and preparing tasty meals.

Therefore, be it resolved that:

Annuity Board

by Harold L. McDonald

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus for 1992 and 1993 is on enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

- New medical plans will be offered on January 1, 1993, as options to help address the affordability issue.
- The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.
- As of May 1992, 34,571 persons were participating in the Church Annuity Plan. This is the highest number of members in the history of the Plan. The number of churches involved was 19,930.
- Eligible participants in the Church Annuity Plan benefit in five significant ways:
  1. The Plan includes a Protection section that covers disability and death. In 1991, 252 families received disability checks from the Plan, and 60 families received well over $1,000,000 in survivor benefits. Additionally, they received the full value of the deceaseds' retirement accounts. All of these protection benefits are free to the members. They are funded by state convention Cooperative Program dollars.
  2. The Plan includes a choice of plan funds offering valuable, advantageous investment opportunities for retirement. In 1991, the Variable fund credited 28.3% earnings and the Balanced Fund credited 22.4%.
  3. The Plan offers significant opportunities for avoiding unnecessary income tax. Ordained ministers do not pay self-employment tax for Social Security on contributions of the Church Annuity Plan. These advantages exceed those offered by IRAs.
  4. The Plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to $210 per year resulting in higher benefits at retirement.
  5. A fifth value is the Annuity Board's strength and stability. On July 1, 1992, a five percent increase was applied to Plan A and defined contribution funded annuities. This brings Plan A increases to 222% of what was called for by the original plan formula benefit.

Based on the needs of our people and in light of these special advantages, every church in our association is encouraged to participate in the Church Annuity Plan. The Annuity Board is celebrating 75 years of keeping the confidence of the people it serves. Its ministry continues to be "Serving Those Who Serve the Lord."

Baptist Children's Homes

by Lil McElwee

Like a marathon runner, Baptist Children's Homes of North Carolina "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke

ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible Study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades. These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903 acres of wilderness, ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year olds, a unique Staff Training Institute for child care workers and social workers, and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and the Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south. In addition, BCH sent three training teams to Brazil, and hosted a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs, and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, family members also are addressing their problems with the help of BCH social workers.

Baptist Counseling Center

by Ronny Russell

The Baptist Counseling Center opened in February of 1991 with Tom O'Neal as counselor. Since that time 224 counseling sessions have been conducted with around seventy-five per cent of the referrals coming from Baptist churches in the area. Operating only on a half-day basis we are pleased that the Counseling Center is already making a difference in the lives of many people.

The idea of a counseling center grew out of the need for pastors and churches to have a local referral center for counseling with a distinctively Christian perspective. A large number of pastors and others are finding that the Baptist Counseling Center is a place where they can refer persons for Christ-centered counseling.

On October 1st, Gary McFarland replaced Tom O'Neal as the counselor. The day of operation has changed from Thursday to Monday, 2:00-6:00. An answering machine serves the Center 24 hours a day at 983-1747.

Baptist Men

by Cletus Whitley

The Baptist Men leaders from our Association have participated in meetings with our state leaders to help the leaders be more informed about Baptist Men, Young Men, and all ages of the R.A.'s.

On May 2nd, we are proud to report that about 40 of our Baptist Men were on hand for the work day at the Albemarle Baptist Retirement Home. They painted the halls after work had been roughed in for central air conditioning.

We have been asked to plan for another work day in the Fall to paint some of the windows and porches. Watch the newsletter for the date.

A letter has been received from Kenny Rains, a Brotherhood worker in Memphis, TN, asking about our plans and activities for our Baptist Men.

We are glad to report we have about 14 churches participating in the Prison Ministry.

Special meetings are being planned for church leaders, on a quarterly basis. We invite all Baptist Men leaders to attend.

The Baptist Men were asked to help with the Lake Ministry at Lake Tillery, and it looks like a great mission project.

Some of the RA's from the churches have had a great time on camping trips.

Let us plan for more mission projects and fellowship for all age groups.

We are working toward a mission week-end trip to New York in the near future. All who are interested are asked to contact me, as the Baptist Men Director, 982-4065, or the Associational Office, 982-1033.

Christian Life and Public Action

by Raeford Cooke

Christian influence has had some effect on society during the past year, but there have been some real discouraging actions taken by our government in recent months.

Pro-lifers were stunned when the justices reaffirmed Roe V. Wade earlier this year. Abortion will continue to be an issue that will threaten the unity of many Christian congregations. It's something that's not going to just vanish by not addressing the moral ramifications of the problem. I personally believe this one issue has far reaching consequences upon society as a whole.

Recent rulings by the Supreme Court's decision in Lee V. Weisman has made the use of God's name at commencements to appear superobscenity.

As we approach the twenty-first century, the crisis in American public education is recognized to be both academic and moral. Literacy and aptitude scores decline while drug abuse, sexually transmitted disease, teenage pregnancy and violence increase.

Those of us who are truly born-again know and have the answer. I plead that each of us personally will find the courage to stand firm in faith as God our Father gives us the strength.

Christian Literature

by Burley W. Moore

It has been reported that people are reading less today than at any time in recent history. The reason is not for the lack of literature. However, in a day when wholesome books and magazines are getting harder to find, we can more fully appreciate the quality of reading material published and made available by the various agencies of our Southern Baptist Convention. These materials are designed to meet the needs of all age groups within our churches.

The only way that we're going to have better Baptists is to have Baptists reading and heeding God's Word. The Psalmist teaches us a great lesson when he declared, "thy word have I hid in mine heart, that I might not sin against thee." (Psalm 119:11) One of the most important matters facing us as Baptists is not only getting OUT the Word of God, but getting people IN the Word of God. Holy Scripture is the greatest piece of literature ever written because it came from the mind of God through the inspired, inerrant, and infallible writings of chosen human servants.

Time is precious to all of us, but never should we allow the hectic schedules of life to crowd out our daily devotions and personal study of God's Word. Spiritual growth is a necessity if a Christian is to be found pleasing to God. Christian literature is readily available to help us better understand and apply God's Word to our lives.

We need to stay informed on current issues, but above all we need to be learned in the things of God. It's recorded several times throughout the New Testament, "I would not have you to be ignorant, breathren." God wants His people to be knowledgeable of His Word. May we allow the Holy Spirit to "teach" (John 14:26) us and lead us into all "truth" (John 16:13).

Christian Social Ministry

by Gary A. Hunsucker

Social Ministry has a Biblical foundation that has existed since the beginning of creation. It was born in the mind of God and demonstrated in His care to provide a "help meet" for Adam. It is commanded by God in Genesis 1:28 "... be fruitful, and multiply, and replenish the earth ..." Social Ministry is inherent to humanity by Cain's answer to God's question in Genesis 4:9 "... where is Abel thy brother? And he said, I know not: Am I my brother's keeper?" For the Christian our greatest challenge to Social Ministry comes from the parable of the sheep and goats recorded in Matthew 25:31-46. We must feed the hungry, give drink to the thirsty, take in the homeless, clothe the destitute, visit the sick, and visit the prison.

Southern Baptists of North Carolina have been serious followers of Jesus' challenge to righteousness in social ministry by providing three major social service institutions. They are the Baptist Hospital, Baptist Children's Homes, and Baptist Retirement Homes. These institutions are funded through the Cooperative Program, special offerings, and private gifts.

The Baptist Hospital has always been characterized by growth in facilities and personnel, advancement in medical technology, and personal concern for every patient. The hospital has over 800 bed capacity and admits over 22,000 persons each year for treatment.

The Baptist Children's Home began as an orphanage in Thomasville in 1885. BCH maintained quality care since it began and today leads the nation in pro-

grams of family ministry. BCH not only provides housing and education for children but ministers to total family needs. It has work in 17 locations across the state.

The Baptist Retirement Homes began in 1951 to provide residential care for our senior citizens. Today care is provided in 5 locations across the state. As more of our population will be older adults in the future, ministry of the BRH will be one of our greatest ministries.

From the recent events of the Hurricane Andrew disaster, we have seen that N.C. Baptists are leading the nation in relief to the victims. In the fight against world hunger, N.C. Baptists are also leading the way.

We can be thankful that in areas of Social Ministry N.C. Baptists are meeting the challenge of our Lord in righteousness.

Director of Missions

by Mac Keck

I wish to express my heartfelt thanks to each and everyone who has served in any capacity in the associational work this year. It has been a very busy year as our organizations and directors have been seeking ways to offer ministry. In addition, as an association we have experienced activities that moved beyond the normal annual functions and ministries.

From your reports we find that this has been a very positive year. Only in enrollments of two of our organizations do we find declines from last year. While the gains in others may not have been as great as we would have liked we are pleased that the reports reflect increases. I want to express thanks to each of our churches for their ministry, service and support this year.

I would also like to mention some of the activity of the association that does not show up in the digest of letters. For many of us the World Missions Conference was a timely blessing. We had forty of our churches participating with a total of twenty three state, home and foreign missionaries sharing what the Lord is doing because of your giving to missions. I was thrilled to hear of the excitement generated by missionaries as they shared how the Lord was very much at work in all areas of the world. Many have commented on how their perspective of missions has changed because of this experience. Because of the generosity of the churches involved, all expenses and honorariums were covered by the churches without any need of extra from the association.

Another activity, that is not a yearly function of the association, was the Here's Hope Crusade for Christ. We are thankful for each decision made whether a decision for salvation, a recommitment or a surrender to service. We are especially thankful for the financial support and involvement of so many of our churches and church members as they worked in various committees, received training for witnessing and counseling and carried out various assignments to help this event take place.

Another event from which I received a tremendous blessing was the response from our churches to the needs brought about by hurricane Andrew when it struck Florida. Nearly $14,000 in gifts plus countless dollars worth of food, water and other supplies were sent to aid those in need. In addition, several from our association have been down as volunteers to do manual labor to help meet needs.

Discipleship Training

by Tony Bradley

This has been a good year in Discipleship Training. There has been increased participation in several areas this year and for that we praise the Lord.

During this past year Discipleship Training in our Association:

1. Observed Associational Youth Night. We had 115 in attendance representing 12 churches in our Association. Tim Middleton provided the music and entertainment and the youth were challenged in their walk with Christ by David Russell, Youth Minister from Idlewild Baptist Church, Matthews, N.C.
2. Had 17 children representing 7 churches in our Association participating in the Children's Bible Drill. There were also 5 youth representing 3 churches, who participated in the Youth Bible Drill. Many of these participated in the State Drills and were State Winners.
3. Observed "M" Night in November at First Baptist Church Locust. Rev. Stuart White challenged our hearts and we also had the unveiling of the Associational Pastor's Choir, led by Dwight Mabry. This group was well received.

Our Discipleship Training Team this year is composed of:

Rev. Tony Bradley ..... Director
Mrs. Joan Hatley ..... Youth Consultant
Rev. Terry Hinson ..... Adults Consultant

We are here to serve all of the churches of the Stanly Baptist Association. Please let us know of your needs so that we can be of assistance.

Evangelism

by Kinney Wallace

An Evangelist, according to the Greek, is a preacher or proclaimer of the Gospel of Christ. He is the proclaimer of the good news of the way of Salvation. He is the one who burns for Christ.

God has called all of us to be witnesses for Him. He has called many to be Pastors, Teachers, Prophets, Helpers, etc., but God has chosen few to be Evangelists. The work of the Evangelist is to be done in the area of winning of lost souls. Therefore, all of us need to be about the business of doing the work of an Evangelist. All of us need to be winning the lost to Christ.

Without the work of Evangelism there would be no Churches, no Associations, and none of the other less important positions or places of labor. If indeed there are any less important positions. My point is that Evangelism must be the foundation stone of it all.

Since I was elected to replace brother Mike Taylor as director of Evangelism we have been involved with two important endeavors. First, we have been working with Tim Middleton and Tony Bradley in the "Stanly County Here's Hope Crusade" for Christ which took place at the Albemarle High School Stadium on July 19-22, 1992. Thank God for the results. Secondly, we have tried, with the help of the Associational Prayer Committee, to begin a monthly time of prayer in the Association. I trust this endeavor will continue on the first Thursday of each month.

I look forward to working together with Mac Keck and the Churches of our Association in 1993 to work, plan, and carry out other actions of Evangelism.

Executive Committee

by Dwight Mabry

The Executive Committee of the Stanly Baptist Association, as instructed by the constitution, made the following action during its quarterly meetings:

1. Selected a Prayer Committee: Mary Snider, North Albemarle Church — Pam Lowder, Prospect — Terry Seamon, Stanfield First — Jim McElwee, Anderson Grove — Kinney Wallace, Locust First — along with the Moderator and Director of Missions.
2. Approved some $3,000 to the Newark Baptist Fellowship Church, Newark, NY, so they would not lose their facilities.
3. Approved plans for a World Missions Conference to be held in 1997.
4. Approved the use of up to $500.00 for the expenses of the History Committee to continue its work.
5. Approved up to $500.00 for each mission trip per person. This money would be taken from the Missions budget ($3,500.00). To date we have had:
   1 to Alaska — $436.00
   4 to Sao Paulo — $500.00 each person
   with the prospect of 2 more going to Alaska
6. Approved recommendation to the Stanly Baptist Association annual meeting that the Association begin the process of Incorporating itself into a Non-Profit Corporation. A special committee will be selected by the Nominating Committee to do this work under the advice of a Legal Attorney.
7. Approved purchase of a computer ($1,853.89) for Director of Missions office. The money would be taken from the general fund and a service agreement ($323.00) would be taken out of Office Equipment and Maintenance fund.
8. Approved the securing of a MasterCard for purchasing budgeted items for the Association.
9. Approved the nomination of a Study/Planning Committee for the purpose of studying Long Range Planning to determine where we are as an Association and where we are going.
10. Heard many reports throughout the year of the progress of each organization of our Association: W.M.U., Baptist Men, Sunday School, Discipleship Training, etc.

Foreign Missions

by Phillip Hunter

The Foreign Mission endeavor has always claimed the center of attention for Southern Baptists. Through the years, Southern Baptists have given and given and given some more; so that, the Good News of Jesus Christ may go into all of the World.

In these last few years, discord has overtaken Southern Baptists. Our disagreements have become so disharmonious that they now threaten our beloved Foreign Mission endeavor. As changes occur within the Foreign Mission Board's structure, some Southern Baptists will no longer support its mission and ministry. At the same time, other Southern Baptists will become newly animated proponents of our Foreign Mission endeavor. And, through it all, there will be the faithful, loyal Southern Baptist who gives and gives and gives some more; so that, the Good News of Jesus Christ may be carried into the whole world.

The Foreign Mission Board approaches its task of reaching the people of

the world by describing the World as three Worlds. World C is described as, "Places where the majority of the population call themselves Christians." There are 1.8 billion people living in World C. World B is, "Places where most people have some access to the Gospel but have not become Christians." 2.3 billion people live in World B. 1.2 billion people live in World A which is, "Places where people haven't heard the Gospel and have little chance of hearing it unless Christians give them special attention."

Currently, 3,897 Southern Baptist missionaries are in 126 countries trying to reach the people of Worlds B and A with the Good News of Jesus Christ. Also in 1991, Southern Baptists gave $68.96 million through the Cooperative Program and $79.78 million through the Lottie Moon Christmas Offering to fund our Foreign Missions endeavor.

What has all of this effort produced? Consider the following statistics from the Foreign Mission field for 1991: Baptisms — 233,334; New Churches — 1,576; Total Churches — 27,932; Membership — 2,988,052; and Preaching Points — 22,736.

In each of the above numbers, there is a human factor involved as well. There are people who need the Gospel, there are people who will go and share the Gospel, and there are people who through prayer and sacrificial giving ensure that those two groups of people meet. The great majority of us are in that third group. We are needed in the Foreign Mission endeavor. In fact without our prayers and gifts, there would be no Foreign Mission endeavor by Southern Baptists.

On behalf of the Foreign Mission Board and its personnel, thank you for all that you have done, are doing, and will yet do for the cause of Foreign Missions.

General Board

by Ronny Russell

1992 has been an historic year for Baptists in North Carolina. Some of the highlights are listed below.

1. The New York Partnership continued. Several reports have been heard at the General Board meetings.
2. We have also heard reports from the Brazil and Poland partnerships. In the September meeting Roy Smith announced the beginning of a Ukraine Partnership.
3. In May, an historic recommendation was adopted by a vote of 59 to 28 to not receive funds from two churches in North Carolina for their stand on homosexuality.
4. Received resignation of President Lamar Brooks, at the May meeting, who resigned for health reasons. Kathryn Hamrick was elected to fill his post.
5. Approved a recommendation for the annual Convention to meet on a Friday and Saturday format beginning in 1993 or 1994. This would be done on a two-year trial basis.
6. Unanimously adopted the report of the Institutions Relationships Study Committee dealing with a number of changes in relationships with colleges, universities, social service institutions and other agencies.

Higher Christian Education

by Phillip Hunter

Southern Baptists in North Carolina believe that God calls each of us to a life's work which becomes an avenue for our individual ministries. North Carolina's Southern Baptists believe that there is a Christian stewardship involved in helping individuals prepare themselves for their lives' work and ministries. That stewardship has become more and more important as we face an ever increasingly complex and technological world. That stewardship has been and is realized in the work and ministries of the University and Colleges supported by the State Baptist Convention of North Carolina.

Just think of them: Campbell University, Chowan College, Gardner-Webb College, Mars Hill College, Meredith College, and Wingate College. Each of these institutions of higher learning holds a special place in our hearts. And, in each of these institutions of higher learning's heart, there is a special place for the Southern Baptists of North Carolina.

This special relationship is due in part to the support which these institutions have received through the years from the Southern Baptists of North Carolina. Through the Cooperative Program, North Carolina's Southern Baptists gave $5,712,735 to the University and Colleges which they support in 1991/92.

What did that money mean for the individual institutions? These Cooperative Program dollars met 2.49% of Campbell University's total budget needs. 10.18% of Chowan College's and 5.27% of Gardner-Webb College's total budget needs were met by North Carolina's Southern Baptists. Mars Hill College found 7.46%, Meredith College found 5.09%, and Wingate College found 6.9% of their total budget needs were met by our Cooperative Program gifts.

Your support for the University and Colleges supported by the State Baptist Convention of North Carolina made it possible for 23,510 individuals to equip themselves for their life's work and ministry in 1991/92. Only God knows what the harvest will be from the seeds which you have sown.

On behalf of the Baptist University and Colleges of North Carolina, thank you for your faithful support. May God bless you.

Home Mission Board

by Wiley Rutledge

Remaining focused on our convention-wide vision of Bold Mission Thrust, Dr. Larry Lewis, President of our Home Mission Board, cites the following highlights from our Home Mission Program for 1991.

Baptisms totaling 396,668 represented a 3% increase over the previous year.

With our Home Mission Board goal of 15,000 new churches to reach our Bold Mission Thrust goal of 50,000 by A.D. 2000, we are now beginning an average of about 3 missions a day — more than 1,000 per year.

We are well on target toward our goal of 5,000 missionaries by A.D. 2000 with the number reaching 4,992 during 1991.

During the "CROSSOVER ATLANTA" evangelistic effort, held in conjunction with the 1991 Southern Baptist Convention annual meeting and spearheaded by the Home Mission Board, the Gospel was shared with 1,112 people resulting in 183 professions of faith.

On the down side, our Annie Armstrong Easter Offering, 100% of which goes directly to field ministry, fell $157,777 short of the previous year. Also, Coopera-

tive Program income to the Home Mission Board was approximately $500,000 less than the previous year. With these missions crippling indications in mind, Dr. Lewis issued an urgent challenge that all Southern Baptists seek to increase our Annie Armstrong Offering and give diligence to prayer as we stand behind our home missionaries as they work to reach the lost for Christ.

Incorporation

by Ed Lowder

In order to legally protect our churches and the individual members of these churches, the Executive Committee recommends that the Stanly Baptist Association proceed with the necessary steps to incorporate as a legal entity.

More specifically these steps include:

1. The Nominating Committee shall elect an Incorporation Committee to oversee this work. This committee shall be chosen within three weeks of the end of this annual meeting.
2. The Incorporation Committee shall:
   a. Choose and employ an attorney who shall prepare the necessary legal papers for the incorporation.
   b. Study and discuss with the attorney the incorporation papers, any proposed constitutional changes, etc. They will then prepare these documents for presentation to the association.
   c. Call a special meeting of the association for the purpose of voting on incorporation. It is not necessary, but the special called meeting could coincide with an Executive Committee meeting.
3. Approximate cost to the association for attorney fees, deed changes, etc. will be $1,000-$1,200.

Literacy

by Betty Hill

We are beginning to train for Literacy. One training class has already been offered, but there were only a few that showed any interest. Our hopes are that this was just a bad time for everyone.

There are several people who were trained some years ago, and we hope these will also attend the meeting to renew their training.

Music

by Sonny Richards

The most exciting event of the year in Music was the formation of an Associational Youth Choir. It was formed for the purpose of providing local talent at the Crusade for Christ, but its potential is much greater. The amount of talent in our local churches is absolutely phenomenal.

It would be my hope that the Associational Youth and Music Leaders could unite with individual church leaders to cultivate this group in such a way that it would be a year round ministry. This fine group of young people could be an inspiration to other Stanly County teenagers in their witness for Christ through song.

The opportunity to be a part of this organization has been both an honor and a blessing.

Missions Development Council

by Farrell Shimpock

The Council was called upon several times during the year to approve assistance for those who were going on mission trips to Alaska and with the partnership in Missions in Sao Paulo, Brazil.

The Boater's Worship Service was sponsored for the fifth year at Point Randall on Lake Tillery. Services began June 7th and ended September 6th.

The Council recommended approval of several requests for State Missions Funds returned to the Association.

During 1991, the Board of Directors, with the assistance of a nationally recognized investment consulting firm, adopted a detailed Investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

North Carolina Baptist Hospital

by Joe E. Smith

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. The Baptist Hospital ranks in the top 10% of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants, and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions.

Charges for the hospital services compare very favorably with those in other hospitals of the state. The Baptist Hospital did not have an increase in its rates for the current fiscal year of July 1, 1992-June 30, 1993.

The hospital's physical plant continues to expand. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Ordination Advisory Committee

by Doyle Holder

We had the privilege of examining and recommending three candidates for ordination this past year. On November 21, at the request of Parker Memorial Baptist Church, we examined Mr. Wayne Austin, who was called as their pastor. On February 2, at the request of Fairview Baptist Church, we examined Mr. David Almond, who accepted the call as their Associate Pastor. On May 3, at the request of Fellowship Baptist Church, we examined Mr. Dale Collingwood, who had been called as their Associate Pastor. Pray for these three men and their families as they serve our Lord Jesus through His glorious Church.

Prayer Committee

by Kinney L. Wallace, Chairman

During 1992 one of the most powerful Committees that our Association has ever had was elected and began its work. This Committee was the Prayer Committee. This Committee was made up of seven people from across the Association. These seven people began to plan and carry out ways of getting our Churches, Pastors, and Leaders involved in real prayer for Spiritual Awakening.

The Committee began by having an Association Wide Prayer Meeting for

Spiritual Awakening on the first Thursday night of each month. On the first Thursday night, there were approximately 30 people who came to pray. On the second Thursday night, there were approximately 20. On the third Thursday night, there were only 9. From this point on the attendance at the Prayer Meetings have been very little attended. These meetings are continuing on the first Thursday night of each month. Everyone is invited to come to the Association and pray with us.

Thank you for your prayer support for the Stanly Baptist Here's Hope Crusade which was held in July. This should be only the beginning of prayer. Remember Ephesians 6:12! The most important thing any believer can do is pray. "You will seek me and find me when you seek me with all your heart!" Jeremiah 29:13.

Senior Adults

by David R. Troutman

During and after last year's annual session, a questionnaire was distributed to the Pastors or Interim Pastors of all 61 churches in the Association. We received completed questionnaires from 24 of the churches. Below are some of the findings of the questionnaire along with a few statistics derived from the 1991 Book of Reports that relate to Senior Adults.

1. The average number of resident members in our churches is 234. Of those 234, 47 (or 20.1%) are 60 years of age or older.
2. Only about 2.7% were either homebound or in a nursing or rest home. That is below both the state and national averages. Only 166 people were enrolled in the Homebound Department of Sunday School.
3. The most common types of ministry to Senior Adults reported were some form of Tape Ministry or some type of regular visitation.
4. At least 17 of our churches have either a Senior Adult Director or a Senior Adult Committee.
5. Only 22 of our churches reported being wheelchair accessible, a figure that is certain to increase as churches come into compliance with the 1992 Disabled Americans Act.
6. Most of our reporting churches indicated that they, at least occasionally, celebrate Senior Adult Day. It is scheduled for May 2, 1993, so mark your calendars now!
7. Few (6) churches reported having a hearing impaired system as a part of their sound system. Please consider adding this to your existing sound system or making it a part of any new system.
8. In terms of what the Senior Adult Committee can do to help the churches, the greatest needs expressed were educational. The workshops most commonly requested were those dealing with: Alzheimer's Disease, Grief, Choosing a Nursing Home, and Retirement Planning.

Your Senior Adult Committee will begin working to meet your expressed needs in the coming year. If you have any specific needs, feel free to call any member of the committee.

Single Adults

by Terry F. Hinson

Today the impact of the "single society" ranges far beyond their number. However, the numbers are staggering. One out of three adults between the ages of eighteen and fifty in America is single. That is approximately forty three million people. Of adults between the ages of twenty-two and thirty-five during 1978, twelve million were single. By 1987 there were sixteen million singles in this age bracket which since that time has continued to rise. With the growing number of singles on the rise, within our society, we quickly realize if there was ever a time to study this growing force, it is now.

As the new Associational Single Adult Director and as a minister of the Gospel I realize the times and people to whom we minister are quickly changing. To help us better reach out to the growing number of Single Adults in our society it is my recommendation that:

*The Stanly Baptist Association continue its plan to establish a "Singles Committee" comprised of people from the various geographical areas of the county.

*To train the members of this committee in singles ministry at the various age level structures.

*Support, inform, and encourage local churches to consider possibilities of implementing a single adult ministry in the local church.

State Missions

by Nathan W. Fox

North Carolina Baptists seek to support missions by our prayers, witness, and giving, and annually receive an offering through the churches. Last year $1.6 million was given by the churches of the state for the State Missions Offering, which supports mission work from the coast to the mountains of North Carolina.

The Missions Division of the State Baptist Convention organizes its work through several distinct areas. Area Missionaries of the State Baptist Convention serving the western region of the state work with local churches and associations for missions and program development.

Associational Development includes working with associations to assist them to achieve their own goals and purposes. Special programs are coordinated for resort ministries, world missions conferences, and church missions development. Chaplaincy and Language Ministries include giving support for all Baptist ministers serving as chaplains in North Carolina, working with people in North Carolina whose primary language is not English, ministering to the deaf and giving direction to Baptists ministering in a military setting.

Church Extension starts new churches in the state, provides for growth assistance, offers church loans, directs ministry in multi-housing settings, conducts demographic studies and assists churches and associations with community surveys and strategic planning for church growth.

Cooperative Ministries and Seminary Extension includes the work that we do with general Baptists in the state, offering seminary extension courses to many hundreds of students, coordinating work with the bivocational ministers and in-service guidance for some of the colleges and universities in the state. Special Ministries offers ministry to the blind, provides for literacy training, coordinates church and community ministries among associations, ministers

to mentally retarded North Carolinians and provides for group training to enable churches to develop their own resources for the meeting of special needs.

The churches of Stanly Baptist Association, by working together, have been involved in a number of ministries in Stanly County. These include the Pregnancy Crisis Center, The Stanly Community Christian Ministries, Habitat for Humanity, ministry to boaters on Lake Tillery, the operation of a counseling center (one day a week). The Woman's Missionary Union has collected items for the Baptist Children's Homes of North Carolina and also for the Woman's Correctional Center in Raleigh. Baptist Men of the Association helped with Disaster Relief Ministries in Florida following Hurricane Andrew.

Stewardship

by David Phelps

In Matthew 6:21 Jesus states "For where your treasure is, there will you find your heart." It is desired that this new budget reflects the hearts of God's people in Stanly County. With a multitude of needs ever before us, notice that a variety of ministries are organized to help address these needs. The 1990-91 year's receipts exceeded the budget: In the 1991-92 budget year we had perhaps the largest budget increase in Stanly Association's history, a 15.5% jump. We gave just over 99% of that budget at year's end.

As we look toward the 1992-93 budget, you will notice that we have reached the one-hundred thousand dollar plateau with only a 2.6% increase. This is not only attainable, but we should hopefully exceed this budget and thereby allow Stanly Baptist Association to broaden her ministries.

Biblical Stewardship is much more than a financial gift. We as Christians do not belong even unto ourselves. We are stewards of the possessions, talents, time, and money with which Christ has entrusted us. We may tithe 10%, but this tithe is to organize God's people to effectively use the remaining 90% for His glory and not for personal gain. Our homes, our food, our talents, our very personalities are to be used for His name's sake.

May we be faithful stewards with all with which we have been entrusted.

Sunday School

by Mark King

Sunday School continues to be the primary vehicle for reaching people and teaching the Biblical revelation by Southern Baptists. Sunday School work in our own Association is also enjoying a fruitful response and progress. 1991 saw an increase in Sunday School enrollment across the churches in our Association as compared to 1990.

Some of the highlights for our 1991-92 ASSIST work in Stanly County include: the Associational Training School held on September 30, 1991 at Albemarle First Church with 121 attending; January Bible Study Pastor's Study Conference was held on December 3 at the Associational Center with 18 attending; Associational Sunday School Director and Pastor Planning Clinic was held on April 27 at the Associational Center with 4 attending; and the annual Vacation Bible School Clinic held at Grace Baptist Church on May 11 had 155 attending. We also conducted four individual church consultations. The ASSISTeam continued to grow now having nine members, with every area of Associational ASSIST Training provided. Seven of our team members attended the ASSIST Training Institute at Cary, North Carolina, in February. Our Associational Sunday School work continues to earn Standard Achievement in Southern Baptist Sunday School work. The Association should be very proud of the competence, expertise and commitment of the ASSISTeam members. Your ASSISTeam continues to stand ready and able to assist any church regarding Sunday School work.

The theme for the Sunday School year 1992-93 continues with the BREAKTHROUGH emphasis; this year being BREAKTHROUGH; Equip to Win. The Sunday School Board of the Southern Baptist Convention released this vision statement earlier this year: "We will assist local churches and believers to evangelize the world to Christ, develop believers and grow churches by being the best world-wide provider of relevant, high-quality, high-value Christian products and services." In that spirit, this new vision not only guides the work of the Sunday School Board but also the Baptist State Convention as well as the Stanly Baptist ASSISTeam in the continuing efforts to meet the needs of Southern Baptist people and churches.

Volunteer Missions

by Mike Lanham

Volunteer Missions in the Stanly Association was very active in the past year. Major mission efforts were concentrated in Brazil, Alaska, and Florida along with Bible camps in New York, Delaware, and the Charleston, S.C. beach area. The Home Mission Board and the Foreign Mission Board were the instruments through which most of these efforts were arranged and coordinated. There continues to be tremendous opportunities for churches and individuals to respond to the Great Commission. All that is needed is a willingness to seek God's will and explore what mission door He will open up to your church.

This was the last year of the N.C.-Brazil Partnership. From the Stanly Association this year, Ed and Pam Lowder from Prospect, Anne and Jay Warner from Grace, and Sandra and Tara Blalock from Norwood all volunteered in evangelism missions from June 22-30 in and around the Sao Paulo city of Americana.

The mission field in Alaska again this year was one ripe for harvest. Gary Hunsucker from Canton helped to build a church in Soldotna and preached in

native village mission churches in the area. Randy Jackson from Welcome Church also preached revival in Alaska. Mac and Janice Keck from Anderson Grove traveled to Kotzebue to preach a revival and worked in several of the five mission churches in the area. Also, working in Alaska were Rick and Renate Furr, from Silver Road Baptist Church.

Relief and mission efforts in the hurricane Andrew area provided many opportunities for Stanly Baptists. Traveling to the hurricane area were Jason Lee and James Arey, both from Antioch Church, plus two separate visits by Cletus Whitley and three to four helpers from Pleasant Grove. Most of these efforts were coordinated through the Florida State Convention. People from churches throughout the association helped to load a disaster relief trailer with food and other necessities.

Volunteers helping with Bible camps included North Albemarle which took 9 to Queens, NY to the First Portuguese Speaking Baptist Church of NY to put on a Vacation Bible School and to teach English as a second language. Also, a nine member team from Canton put on a Backyard Bible Club for migrant worker camps in Delaware in August. Finally, West Albemarle, led by Barbara Lowder, traveled to the Charleston area of Isle Of Palms with 15 youth and adult workers, working with a beach ministry during the day and a migrant worker VBS camp at St. John's Island at night.

These are a few of the volunteer mission activities in the Stanly Association during the year. Either the Home Mission or Foreign Mission Boards will be glad to find a mission activity for your church group. Begin now seeking His will for your church for the new church year.

Woman's Missionary Union

by Mary Schreppel

This year's emphasis, "Called and Accountable" directs a strong command to us. We are accountable in our family, at work, at church and in our community, state and nation. WMU offers education, participation and fellowship in Christian mission endeavors to all ages of girls and women.

Grace Baptist Church hosted the 1992 Annual Meeting, with Ronny Russell being the afternoon speaker and Dianne Daniels the evening speaker. Anderson Grove Church hosted the Leadership Workshop. The Missions Workshop was held at the Associational Center with Pam Lowder leading the Mission Support Workshop. She had done several Prayer Retreats in different churches. Edna Bolin taught the Mission Study Workshop as well as Home and Foreign Mission studies in several churches. Alda Miller led the Mission Action/Personal Witnessing Workshop and promoted the Christmas project for the Women's Correctional Center in Raleigh, and the videos for Glen McLaughlin, Home Missionary in State College, Pennsylvania.

Jamie Griffin led the Enlistment Workshop, and made contacts with several churches that were not involved. Dianne Burris and Teresa Morton led the Mission Friends Workshop and the Easter Egg Hunt and Fun Day. Libby Phillips and Tammy Harwood led the G.A. Workshop, GAtivity Day and Associational Conference. Carol Hopkins and Mary Ann Abernathy led the Acteen Workshop, Associational Conference, Recognition Service. They also accompanied a group of Acteens to the WMU State Annual Meeting in Ridgecrest. There the girls participated in some of the activities. Georgia Troutman and Tammy Middleton led the BYW Workshop, met with several groups and held the Annual Conference. Marie Phillips and June Chance held the Baptist Women's Conference and taught the Workshop.

We presented the WMU scholarship this year to Mistie Linker. We, again, attained the "Distinguished WMU" on the Achievement Guide.

Youth

by Tim M. Middleton

1991-92 has certainly been an eventful year for Stanly Baptist Youth. We began the year by extending a call to all associational churches to send a representative to the Associational Youth Leaders Meeting. All who responded were used to form an Associational Youth Committee.

It was determined that the purpose of the committee was to examine and address the needs of the churches of Stanly Baptist Association in the area of youth work as well as seek ways to extend the message of Christ to the youth of Stanly County.

Three major needs were expressed in the early meetings: 1) Youth leaders need a forum in which to share ministry ideas, voice concerns and discuss problem solving methods. 2) Christian youth need a forum in which to discover that they are not alone in the secular world and build a support base with fellow Christian youth from other churches. 3) With the rate of drug and alcohol use, immoral behavior, and secular mindset on the rise in our county and because of the strong tool of peer pressure at Satan's disposal in this area, a strong effort to get the message of Christ out of the church and into the world of youth needs to be made.

In order to meet these needs the committee determined themselves to: 1) hold regular monthly meetings to share, support and uplift each other in the difficult work of leading youth in the walk of Christ. 2) hold regular meetings, rotating from church to church, each church youth group hosting and preparing a time of fellowship and Bible study, and 3) to join with the Discipleship Training and Evangelism departments to bring a major Crusade for Christ to Stanly County and especially to the youth of our county.

Each effort was well blessed by the Lord as with each passing month the number of participants grew bigger than the last. The Here's Hope Crusade for Christ was a huge success. Although we would have dreamed for even larger crowds and greater numbers responding to the call, God blessed us with many miracles. 30 decisions for Christ were made and only God knows what lasting effects and fruits are yet to come.

I look forward to working with the 1992-93 committee and again invite all churches to share in the vision that God has for Stanly County Youth. I can hardly wait to see what He has in store for us in the coming year.

Baptist Retirement Homes

by Howard Benoy

North Carolina Baptists operate four facilities in our state for Older Adults — Albemarle, Asheville, Hamilton, and Winston-Salem.

We want to help provide the Best of Times for older adults. The Albemarle Home has provided retirement living and assisted living for 30 adults since 1953.

In the past year, our Albemarle Home has had a face-lift. An air-conditioning system was installed as well as a sprinkler system, carpet, and paint to mention a few. Volunteers from our association and three other associations helped with the painting. We appreciate your prayers, money, visits, and work. There is still a lot to be done and we are looking forward to new and exciting things at the Albemarle Home in the future.

Our Hamilton Home, like our Albemarle Home, provides retirement living and assisted living. Asheville Home provides the same, but has recently added intermediate nursing care and skilled nursing care. The Brookridge Retirement Community in Winston-Salem provides five levels of care — independent living in garden homes, and apartments, and assisted living, intermediate nursing care and skilled nursing care.

These homes are provided for our Baptists and we try to give the best of care at affordable prices. We do also take those on special assistance. Please feel free to stop in and visit with us anytime. Thank you again, and continue to pray for us as we try to help in caring for these older adults.

J. D. Griffin

(August 26, 1914-June 14, 1993)

The Reverend J. D. Griffin was born in Monroe, NC on August 26, 1914 to James A. and Odessa P. Griffin. He accepted Christ in a revival at the North Monroe Methodist Church in 1931. He soon answered God's call to the ministry and entered Wingate College where he began his journey of preparation.

Rev. Griffin pastored the following churches: Northside Baptist Church in Concord, now Calvary Baptist Church of Kannapolis; Locust Baptist Church, Locust, NC; Tabernacle Baptist of Charlotte, now Plaza Baptist; Howell's Baptist Church, between Midland and Concord, Brookdale Baptist Church, Kannapolis; appointed by the Home Mission Board as Director of Missions and Missionary to the Cherokee Indians, Cherokee, NC; Park Lane Baptist Church, Knoxville, TN; Calvary Baptist in Oak Ridge, TN; Mt. Beulah in Wadesboro; Children's Home Chapel, Cherokee, NC; Ochre Hill in Sylva; and Berea in Stanfield, NC.

He has been a part of the radio ministry of **The American Indian Hour** for more than 25 years. He served on the General Board of the State Baptist Convention. He taught Bible Seminary Extension courses through the Baptist Seminary in Louisville, KY.

He was honored in various ways. Recently, he was honored by Stanly County as "Pastor of the Year — 1992", awarded him by WABZ radio station in Albemarle. The Governor of NC honored him with the highest non-military award which can be given, **"The Order of the Long Leaf Pine"** award. Mrs. Griffin was also presented the same award in February 1993. It is rare and perhaps never has it been given to two in the same family. He was presented a "Peace Pipe" from the Chief of the Eastern Band of Cherokees.

Rev. and Mrs. Griffin had five children: James of Charlotte, LaVonne G. "Bonnie" of Indian Trail, Philip Michael "Mike" of Locust, and Rebecca G. of Knoxville, TN. Linda, who died in 1948 as a result of an automobile accident. There are 12 grandchildren, 8 great grandchildren with another due in November.

Alfred Nehemiah Huneycutt

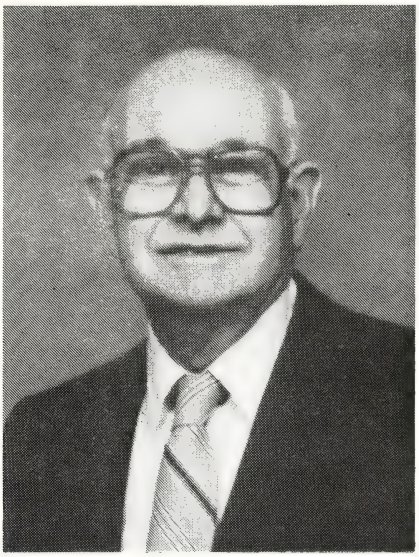
(July 26, 1912-May 31, 1993)

Rev. Alfred N. Huneycutt was born in Stanly County on July 26, 1912 to Adam Luther and Seneca Burris Huneycutt. A graduate of Oakboro High School and Fruitland Baptist Bible Institute, he was ordained into the ministry on September 4, 1949.

Alfred has served several churches: Capelsie in Montgomery County; Barbee's Grove and Union Grove in Stanly County; Riverside, Beard's Chapel, and White Lake in Bladen County; Ivanhoe in Sampson County, and Pleasant Hill in Union County.

He returned to Riverside in Bladen County in 1971 for his second tenure, and stayed until he retired in 1986. Upon his retirement he returned to the Big Lick community in Stanly County.

Alfred was preceded in death by his first wife, Autie Mae Huneycutt. This couple had one child, Janette. He married R. Ann Huneycutt in 1941 and three children were born to this union: Julia, Maurice, and Susan. There are 8 grandchildren and 4 great grandchildren.



Robert DeWitt Byrd

(October 5, 1917-March 14, 1993)

Rev. Byrd was licensed to preach March 1945 at South Albemarle Baptist Church — ordained at Union Grove Baptist Church in 1946.

He served the following churches in Stanly Association: Union Grove, Porter, and Aquadale. Union Valley, Whiteville, NC; White Oak, White Oak, NC; Shilo, Watha, NC; Capehart, Merry Hill, NC; South Fork, Todd, NC; Sutton Park, Monroe, NC; Bethel, Chesapeake, VA.

Rev. Byrd retired from the pastorate, and he and his wife worked at the Baptist Children's Home, Thomasville, NC for one year.

He served as interim pastor for the following churches: Calvary and Union Grove, Randolph County. South Fork, Three Forks Association. Russell's Grove, Randolph Association as interim and as pastor for six years.

Rev. Byrd finally retired and moved back to Stanly County in 1992. He lived only one year from that time, when God called him to come to his Eternal Home to receive his reward for the work he had done in bringing in God's Kingdom here on this earth.

SILVER SPRINGS BAPTIST CHURCH

History of Silver Springs Baptist Church

Silver Springs Baptist Church was organized in the year 1857 with thirteen charter members. The church was given its name because of a nearby spring that was believed to be rich with precious metals. The first pastor was the Reverend C. C. Foreman.

The first church building was erected in 1858 on one acre of land given by Brother James E. Mauldin and two acres given by Brother Joel Tyson.

The Stanly Baptist Association was organized and held its first session with this church in the year 1885.

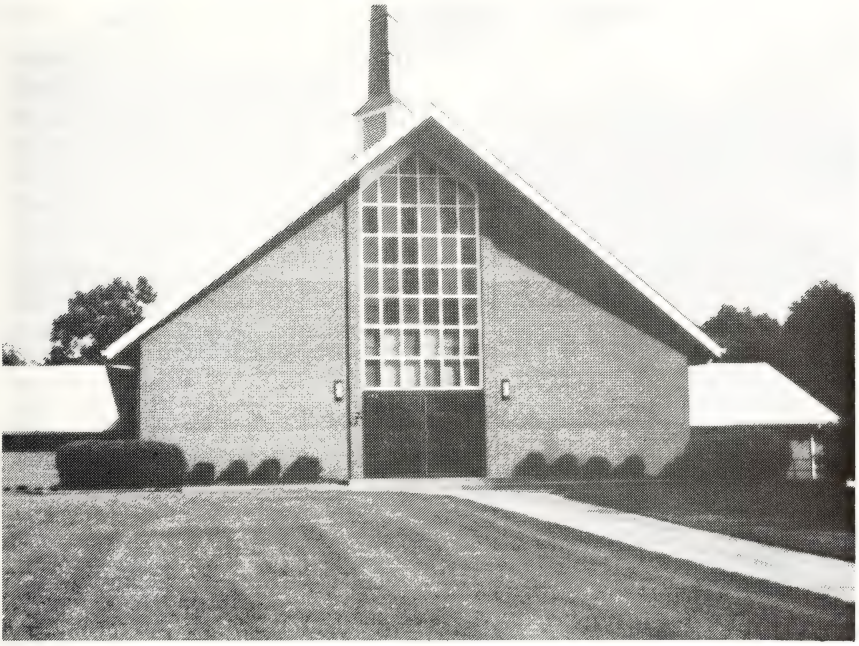
The original wooden building was torn down and replaced by the present brick sanctuary and nine Sunday School rooms in 1927 under the leadership of Reverend Joe Tisane.

In 1970, an educational building consisting of eight Sunday School rooms, a nursery, dining room and kitchen was added to the present sanctuary under the leadership of the Reverend George Huggins who served as pastor for almost twenty-four years.

In 1986 during the ministry of Reverend Ronald L. Blackly, a new Fellowship Hall was added. This provides ample assembly space for many of the church's activities as well as four Sunday School rooms which are made possible with the use of folding partitions.

Presently serving as pastor is Reverend John H. Connell who was called as interim pastor October 1990 and as full-time pastor February 1991. During this time Sonlite Sound Systems has been installed (1991); a tape ministry was started the same year. In 1993, a steeple was placed on the Fellowship Building and a large lighted steeple added on the sanctuary, beckoning people to worship here. The old bell and belfry have been refurbished and erected in the church yard.

Silver Springs Baptist Church has a present membership of three hundred sixty.



FIRST BAPTIST CHURCH NORWOOD

History of Norwood First Baptist Church

The organization of the Baptist Church of Center, now Norwood, was begun in the last half of the nineteenth century. The few Baptists in the community saw the need for a church of their own.

The early records show that the first work in establishing a church was done by Elder A. E. Bennett. Soon after Mr. Bennett began to preach, the Baptists began to formulate plans for a church. Through the generosity of Baptist leaders and their friends, a Baptist church was erected in the eighteen-seventies.

Up to this time there was no organized church, but on Saturday, September 13, 1879, a church was duly constituted with eleven charter members and was named the Center Baptist Church. The following day, Sunday, September 14, 1879, the house of worship was dedicated.

In September, 1883, the church petitioned the Brown Creek Association to change its name to "Norwood Baptist Church." This change became effective in December of that year.

Ground was broken for a new building on March 9, 1916, and the first service was held there on April 1, 1917.

In the early 1960's a decision was made to relocate to the present location of 143 Anson Avenue. The new facilities were built and the first service was August 4, 1963. The auditorium was completely renovated in early 1992 and at that time the stained glass windows were added.

ARTICLE XIV
BOARD OF DIRECTORS

The currently serving Associational Council shall, meeting and acting together, constitute the Board of Directors of Stanly Baptist Association. Such Board of Directors shall change by and in the same procedure as for the terms of Associational Council members so that the Board of Directors shall perpetually be the same as the Association Council.

In their capacity as Directors, they shall have the duties and responsibilities attendant to Directors, subject however to the limitations set forth in the Charter and Bylaws. The Directors shall not have power, except as expressly authorized by the Association meeting in proper session, to purchase or sell or encumber any real or personal property, to install or remove officers or staff, to amend the Bylaws or Charter, or to bind the corporation to any contract. Consistent with our spiritual principles, Baptist polity and long term practice, the Association as a whole retains the authority to govern the affairs, spiritual and temporal, of the Association. A majority of the Directors shall constitute a quorum.

The rules governing the meetings of Directors, including, but not limited to, the time for meetings, notice of meetings, and required percentage for approval of votes, shall be the same as those for the meetings of the Associational Council. Meetings may serve as both the Associational Council meeting and Board of Directors' meetings at the same time.

ARTICLE XV
VOTING

In any election or matter in which messengers or officers or pastors are eligible

to vote, all votes must be cast in person by those qualified to vote. No absentee ballots nor voting by proxy shall be permitted in any election or vote.

ARTICLE XVI
DISCIPLINE

Section 1. **Types of Discipline.** The Associational Executive Committee may recommend the formal discipline of any member church by censure, suspension or revocation of membership for any conduct they deem prejudicial to the interests of the Association and the cause of Christ.

Section 2. **Procedure.** All disciplinary proceedings and actions shall be undertaken pursuant to Biblical commands especially the process set forth in Matthew 18, and the spirit of the Biblical commitments to confession, repentance, forgiveness and reconciliation. Private admonition, spiritual instruction and encouragement to faithfulness must precede any recommendation of formal Association action.

Section 3. **Reasonable Efforts.** No member church shall be disciplined, nor recommendation for such discipline forwarded to the other members, until the member shall have been notified, or bona fide effort made to notify, of such pending matter including information of the charges and an opportunity to appear before the Associational Executive Committee in person and to forward information relevant to the matter.

Section 4. **When Made.** Any recommendations regarding discipline shall be made at a regular or special business meeting with prior notice of the general subject matter and proposed recommendation being provided shall be given an opportunity to be heard at the Associational Meeting. A two-thirds vote shall be required to approve any Associational Executive Committee recommendation in connection with this Article.

ARTICLE XVII
WAIVER OF DEFECTIVE NOTICE

Any defect in notice for any meeting held by the Stanly Baptist Association, or of any committee or board thereof, is waived by every member who is present or has actual notice of the meeting and does not raise a timely objection to such notice within five (5) minutes of the start of such meeting. Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

ARTICLE XVIII
MISCELLANEOUS

Section 1. **Gender References.** Terms for gender such as he, she, etc. shall not be construed as binding on that particular gender unless otherwise indicated.

Section 2. **Fiscal Year.** The Stanly Baptist Association shall operate the Association year October 1 through September 30. All committees elected to serve this period shall assume office at the close of each Annual Meeting of the Association.

Section 3. **Quorum.** A quorum shall consist of messengers from at least sixty (60) percent of the annual churches when the Association is in session.

Section 4. **Voting.** Voting shall be limited to messengers, or an elected messenger's alternate, voting in person.

Section 5. **Special Procedures.** On any motion properly before a business meeting of the Association dealing with the purchase or sale of property, the employment terms or salaries of Association staff, or the affiliation relationships of the Association, where the Association has not announced at least seven (7) days prior to such meeting the general subject and nature of the proposals to be voted upon at such a meeting, any member of that body may, by request at such a meeting, require that the motion be tabled and referred to the Associational Executive Committee who will have up to thirty (30) days to make a nonbinding recommendation regarding the proposal. Upon their recommendation or the expiration of thirty (30) days, the members may vote upon the motion.

Proceedings of the First Day's Session at

SILVER SPRINGS BAPTIST CHURCH

Tuesday, October 26, 1993

1. To open the first session of the 109th Annual Session, messengers and visitors joined to sing, "The Church's One Foundation". Justin Hill, Music Director of Memorial Baptist Church, led, accompanied by Mr. Josie Faulkner, organist at Silver Springs Church.
2. Devotions were led by Rev. Sammy McLamb, pastor of the Badin Baptist Church. He read from Ephesians 3:14 — his theme was "For this cause I bow on my knees." We are grounded by the power of Christ in faith.
3. The Moderator, Dwight Mabry, pastor of Philadelphia Church, called the 109th Annual Session to order.
4. The Credentials Chairman, Richard Collins, pastor of Red Cross Church, made the motion to accept the messengers registered and those who would register later, to constitute the 109th Annual Session.
5. Gary Hunsucker, pastor of the Canton Church, and Chairman of the Program Committee, made the motion to adopt the program as printed in the Book of Reports, with any necessary changes, as the proceedings of the Annual Session of the Stanly Baptist Association. This was seconded and approved. He then noted that there were some changes in the order of procedure from previous years.
6. Director of Missions, Mac Keck, recognized new staff members: Ron Honeycutt, pastor at Anderson Grove; Roger Kiker, pastor at Aquadale; Sammy McLamb, Badin; Bill Myers, pastor at Cottonville; Kenneth Sossamon, at Coyle; Kenneth Lambert, Memorial; Ronald Newton, Mineral Springs; Donnie Lovette, Oakboro First; C. Eugene Carroll, Richfield; Bobby Mowery, South Stanly; Dale Collingwood, West Oakboro. New Associates: Robert Dixon and Steve Byers, Albemarle First; Don Treadaway, Highland. Interims now serving are: Lee Horne, Dunn's Grove, and Eddie Barbee at East Albemarle.
7. Steve Byers was scheduled to present special music, but due to illness he was unable to attend. In his place, Lil McElwee, a member of Anderson Grove, played a medley of hymns on her violin.
8. Dr. Charles Page, pastor of the First Baptist Church in Charlotte, presented the inspirational message. Dr. Page served churches in Greensboro, NC; North Augusta, SC, and Nashville, TN. He has served the First Baptist Church of Charlotte since 1991. He has served in Tanzania, Kenya, and Indonesia. He is currently President of the NC Pastors Conference, President Southeastern Alumni Association.

   He read from Romans 1:26-30 and Acts 4:31. After the release of Peter and John from prison, they went to the temple to pray. All through the Book of Acts people were in prayer. At every opportunity they prayed. Prayer is the most difficult ministry anyone can have. 1. the devil does not want you to do it, and 2. there are too many other things that interfere. Every great thing started with someone on their knees, both in the Scripture and today. We have to believe and ask. We are baptized in the Spirit, and we are anointed. When God calls us to a task he anoints us for that task.

9. The congregation stood to sing, "I Love To Tell the Story", led by Mr. Don Jenkins, music director at Silver Springs Church.
10. Registration slips were collected.
11. Joe D. Smith, pastor of Norwood First, presented the Committee on Committees report. He moved for the adoption noting it should include two to be added to the Enrollment Committee. This was seconded and approved.
12. Gary Hunsucker, Vice-Moderator and pastor of Canton Church, moved for the adoption of the Executive Committee report. This was seconded and approved.
13. Mac Keck, Director of Missions, in the absence of Kinney Wallace, Director of Evangelism, moved for the adoption of the Evangelism report. This was seconded and approved.
14. Mac Keck, then also presented the Prayer Committee report. Due to the death of his grandmother, Kinney Wallace could not attend the sessions. Motion was made, seconded and approved. He then spoke to the report. About two years ago he had asked to be allowed to select a Prayer Committee to meet together to pray for the work of the Association. The committee was formed and after discussion they decided the people of the Association might like to have a time they could come together for prayer. They started meeting on the first Thursday of each month, in four of our churches for that purpose. In their committee meeting this past week, the committee decided to cease meeting on the first Thursday. This does not say there is no longer a need for prayer — this is being done in the churches. The committee will focus attention on specific areas in need of prayer, praying for the work of the Association.
15. Mrs. Maude B. Connell, Treasurer, made a motion to accept the Treasurer's report as written. This was seconded and approved.
16. Ronnie Vaughn, pastor of Centerview Church, and Chairman of the Stewardship Committee, presented the proposed budget for information. The vote will be taken tomorrow.
17. Miscellaneous Business
    A. Ed Lowder, pastor of Prospect Church, and chairman of the Articles of Incorporation and Bylaws Committees presented the final report on Articles of Incorporation and the Bylaws. A vote will be taken on both of these tomorrow. In the event they are approved they will take the place of our present constitution.
    B. Ed Lowder is also Chairman of the Long Range Planning Committee. This report will also be voted on tomorrow.
    C. Mac Keck spoke with neighbors concerning paving the driveway into the Associational Center. He got bids from 3 contractors as to cost to prepare and then to pave, in the event the state highway might take it over after it had been paved. Some of the neighbors were not ready at the present time to take part in this. The estimate was on paving just past our entrance — the length would be 190' x 18' wide — 6" stone and 1 1/2" of asphalt. The cost would be $3,558 — our cost for half would be $1,779. Although the neighbor across the road could not help at this time, approval was sought in the event he found it could be done. Motion was made and seconded.

       Jim Tucker made an amendment to the motion — that we go ahead and pave it and pay for the entire amount. This was seconded.

       The first motion was withdrawn.

       The vote now is on whether or not to pave the road just past our entrance, and pay for the entire amount. This was approved.
    D. Larry Linker made a motion to add another light to the outside of the office and have a security light put on the building. This was seconded and approved.

18. With Gary Hunsucker, Vice-Moderator, presiding, the following agency reports were approved:
    Christian Education — Phillip Hunter
    Christian Literature — Burley Moore
    Baptist Foundation — Richard Collins
    Baptist Retirement Homes — Howard Benoy
    At this time Harry Sherwood, from Wingate College brought greetings. He said that if there was a reason for not going to Wingate he hoped it would not be financial. There are 4 endowment programs available. A pastor who has not received a BS or SA degree can go to Wingate free — the only expense would be for books.
    Baptist Hospital — Gary Hunsucker for Joe E. Smith.
    Baptist Children's Homes — Lil McElwee. She advised us that this past year $31,000 has been given to the Children's Homes from the Stanly Baptist Association.
    Annuity Board — While Harold McDonald was not present, Jim Lambert brought information concerning the Annuity Board. Rev. Lambert serves as Administrative Associate for Minister Support at the Baptist State Convention. He works with ministers who are looking for churches and with churches who are looking for ministers. Sixteen Baptist ministers are terminated every month. There is a fund that makes it possible for a minister who has been terminated to receive $100 each week for 13 weeks and has access to 3 months medical insurance.
    The Annuity Board report was accepted.
19. There was a pause for prayer relating to prayer requests.
20. Registration report: 143 messengers, 34 pastors, 23 visitors, and 12 others, for a total of 212.
21. The hymn, "O For a Thousand Tongues To Sing", was sung.
22. Mrs. Tamara Changers sang, "How Great Thou Art". Mrs. Chambers received the Church Music Degree from Pfeiffer College. She earned the title of Miss Stanly County 1990. She serves as Elementary Music Teacher in Stanly County, and is a member of the choir at West Albemarle Baptist.
23. Dwight Mabry presented the Moderator's Address. He read from Acts 5:18-32 and 41-42. Thinking about what the Stanly Baptist Association has been involved with this past year, and how the Association has been meeting the needs in the County. The Association has worked with organizations like the Stanly Community Christian Ministries, the Clothing Closet, and the Pregnancy Crisis Center. Have you stopped to think about what the greatest need is for Stanly Baptist Association? It should be filling Stanly County with the Doctrine of Jesus Christ. To do this we need to remember what God has done in our personal lives. We should be willing to go — stand — and speak — telling someone about Jesus one-on-one. We need to remember why Jesus came — He came that we might have forgiveness and peace in our hearts. We need to remember who we are — we are His witnesses. Good or bad we are a witness.
    He closed his message in prayer.
24. Call to Prayer.
    Prayer requests were shared and Gary Hunsucker led in the prayer.
25. John H. Connell, pastor of Silver Springs, made announcements concerning the supper and led in the prayer of thanksgiving.
26. SUPPER
27. The Session reconvened with the singing of "O Zion Haste", led by Justin Hill, accompanied by Mary Ann Abernathy on the piano.
28. The following organizational reports were approved:
    Senior Adults — David R. Troutman

Christian Social Ministries — Joe D. Smith
Literacy — Betty Hill

29. The registration report showed a total of 220.
30. Mac Keck, Director of Missions, made a motion to accept the written report as in the Book of Reports, with one addition. He attended the Director of Missions Conference at Wingate from Monday through Thursday. This was seconded and approved. He then spoke to the report: He expressed thanks to all churches and individuals who have participated in any way with monies and prayer support for the Association. He expressed appreciation to three individuals for their help in the preparation of the booklets of information that were distributed today: Mary Snider, our Moderator, Dwight Mabry, and Minnie Lowder.

    Referring to the Evangelism Report he spoke about the Here's Hope Share Jesus Now/Here's Hope — Jesus Cares For You. The pilot for this was held in 4 states with 565 people who would do their best to share their witness with 60 people in 60 days. The results were 35,884 witness encounters in 60 days. From that 733 professions of faith were made, with 359 baptisms. The target dates for the simultaneous revivals are April 2-9, 1995. Every time we have simultaneous revivals, our baptisms have gone up because we pray more during this time.

    "True Love Waits" is a program aimed at the young people — teaching and encouraging them to sign a pledge that simply says: "Believing that True Love Waits, I made a covenant with God, myself, my family, those I date, my future mate, my future children to be sexually pure until the day I enter the covenant of marriage relationship". The goal is that 100,000 teenagers will sign this pledge. There will be a state rally in February and a rally at the Southern Baptist Convention in June.

    The Prayer Committee will meet to pray for the work of the Association. Each church needs a Prayer Committee. Out of 14,500 resident members in the Association, 29 people met for the half day of prayer that was scheduled for Locust First.

    You are urged to look over the items in the Long Range Planning Guide that has been put together by the committee as goals we can accomplish in a given time frame.

    Retha Ross, who has been serving as receptionist for the Counseling Center, has resigned to take a full time position with the Norwood School. We will need to secure a receptionist for the Counseling Center.

    Our budget for the past year totaled $101,187. We received $100,203. But in the first few days of October, 9 churches sent checks dated in September that were not received in time to be deposited and counted.
31. All joined to sing, "Share His Love".
32. The King's Kids, a children's choir at Canton Church. There are 27 children from the age of 4 to 12, some of whom began singing together about seven years ago. These children presented the musical, "The Mission Connection". This was the story of how we can become more deeply involved in missions and was delightful.
33. The missionary message was brought by Jerry and Penny Pullen, missionaries to Kenya. Penny is the sister of Albemarle attorney, Michael Taylor, and considers Milledgeville, GA her hometown. Her current assignment is church and home worker in Limuru, Kenya. She is also the bookstore manager. Jerry is the Agriculture Director of the Brackenhurst Baptist International Center, Limuru, Kenya. He was born in Croix Chapeau, France, at the US Army Hospital, and considers Fort Lauderdale, Florida his hometown. Before being appointed missionary, he served as Wildlife Technician at the University of Florida.

    They work in Kenya, just next door to Somalia, living 8000' up in the

mountains, the temperature is 60-70 year round. They spoke about the differences in the culture of the people there and what they had been used to. The fact that there were people everywhere, and that there was so much poverty. Many of the beggars were handicapped, due to poor medical care. When asked if they feel safe there, they say they are in God's care. Reading John 6:35 they say that is the reason they are in Kenya — to help people understand modern agriculture methods. The farm is at the Brackenhurst Baptist International Center. This is a conference center that can house 300 people. There they raise food, have a dairy herd, raise chickens all using modern machinery. There is also a seminary and a language school.

What does it take to win people?

A. people — there are about 12,000 volunteers there in a year.
B. money — it takes $185 million to survive. $31,000 a year is needed to support a missionary.
C. prayer — to know the power of prayer.

34. Kenneth Lambert, pastor of Memorial Church, closed the session in prayer.
35. The total registration was 237.

Second Day

Wednesday, October 27, 1993

FIRST BAPTIST CHURCH NORWOOD

36. The first session of the second day convened at 9:00 AM with the hymn, "God of Grace and God of Glory".
37. Special music was presented by Tim Middleton as he sang, "Well Done". Tim is minister of music and youth at the Prospect Church. He is a graduate of Wingate. Before coming to Prospect, he served Fairfield Baptist Church in Marshville, and North Kannapolis Baptist Church as minister of music.
38. Roger Kiker, pastor at Aquadale Church, led the devotions. He read from Jeremiah 37:17. What message do WE get from the Lord? Volunteers are needed to do the work of the Lord.
39. David Ayers, pastor of First Baptist Church New London, and Chairman of the Place and Preacher Committee made the motion to accept the written report in the Book of Reports. This was seconded and approved.
40. Miscellaneous Business
    A. Arch Cree, former Director of Missions for the Stanly Baptist Association, is quite ill in a nursing home in High Point. We are to remember both he and his wife in prayer and send some correspondence to them expressing our love.
    B. Ed Lowder presented the Articles of Incorporation and the Bylaws. The main reason for incorporation is liability. In the event the Association would be sued and lose the case, after taking all the assets of the Association, the churches and the messengers could also be liable.

    The Articles of Incorporation have been filed with the Secretary of the State of North Carolina. The Bylaws are our operating guidelines. The Policies and Procedures Manual contains job descriptions of the directors and some other guidelines. There are three steps to this process.

    1. vote to dissolve the Association.
    2. elect a temporary chairman
    3. vote to incorporate

    The first motion is "I move that action be hereby authorized by the Trustees, Director of Missions, Clerk, Treasurer and whomever else necessary to take all the required steps to dissolve the association Stanly Baptist Association and offer and transfer all of its identity and assets, including all the real and personal property, and any other assets,

liabilities, rights and obligations, to the successor corporation of this Association. I further move that the association Stanly Baptist Association be dissolved as soon as the authorized acts of the above transfer are completed." This was seconded and approved.

Rev. Lowder then made the motion that Dwight Mabry and Alda Miller be approved as temporary chairman and secretary of the meeting until we approve the next motion. This was seconded and approved.

The next motion: "I hereby move to accept all of the members of the former association, Stanly Baptist Association, as members of the corporation Stanly Baptist Association. I further move to approve the Bylaws of the Stanly Baptist Association, Incorporated.

I further move to authorize the appropriate officers to open all necessary accounts on behalf of the corporation for financial stability.

I further move that only the following persons be the only persons authorized to sign checks on behalf of the corporation: Treasurer, who is Mrs. Maude Connell at the present time, and Moderator, who is presently Dwight Mabry.

I further move that the members of this corporation hereby authorize and instruct the directors to accept all the assets, liabilities, rights and obligations, including real and personal property, as transfers and gifts to the Association corporation from its predecessor association, Stanly Baptist Association. The Directors are instructed and authorized to take all steps necessary to receive title in the name of the Association corporation to such assets. The corporation hereby further assumes responsibility for all the contracts, employment agreements and other legal obligations of Stanly Baptist Association.

I further move that the members of this corporation recognize, affirm and declare that this corporation is the sole successor of the association Stanly Baptist Association, and that all rights of the former association are, so long as consistent with law, fully absorbed and merged into this corporation."

This was seconded and approved.

C. Ed Lowder made the motion to accept the Long Range Strategy Plans as goals for the Association for the next several years. This was seconded and approved.

D. Ronnie Vaughn, pastor of the Centerview Church, and Chairman of the Stewardship Committee, made the motion to accept the proposed budget. This was seconded and approved.

41. Phillip Hunter, pastor of Pleasant Grove Church, made the motion that the Nominating Committee be directed to secure a representative for the Baptist Foundation and for the Biblical Recorder, and to receive annual reports from these representatives. This was seconded, but then it was realized that we already have a representative for the Baptist Foundation. Therefore the vote will be just on the representative for the Biblical Recorder. This was approved.

42. Lowell Brown, pastor of Bethlehem Church, and chairman of the Nominating Committee, made the motion the nominating committee report as written in the Book of Reports be accepted. This was seconded and approved.

43. Dwight Mabry presented the report on General Board for Ronny Russell, who has suffered a light heart attack. Motion was made, seconded and approved.

44. Registration slips were collected.

45. The following organizational reports were approved: Sunday School — Burley Moore. He presented certificates of appreciation to the members of the ASSISTeam. An Associational Sunday School Rally will be held March

28-29, 1994. Leon Kilreath, Mr. Sunday School, will be leading the Rally at Anderson Grove Church. April 12, 1994, the Great Commission Breakthrough Conference will be held at Centerview Church. This will be for all pastors and at least one lay person. September 12, 1994 will be the Annual Sunday School Training School.

Mac Keck, Director of Missions, presented the Discipleship Training report in the absence of the director, Tony Bradley. He encouraged the churches to be involved in the Bible Drill for children and for youth. Churches that have Discipleship Training usually have more baptisms.

Youth — Tim Middleton.

Music — Justin Hill. He offered to help churches in their music program. Hope to compile a list of music available from each church.

Baptist Men — Cletus Whitley. There is a great need for volunteers. 37 of our churches have Baptist Men. The Leadership Training was held at Pleasant Grove Church for region 6. The Disaster Relief Van will be at Pleasant Grove on November 7th from 1:00 to 5:00.

Woman's Missionary Union — Marie Phillips for Mary Schreppel. The annual session in April will have just the evening session.

46. Registration report: 118 messengers, 4 visitors, 28 pastors, 1 other — for a total of 151.
47. Bill Morrow shared about the Baptist Children's Homes. 140 children and their families were helped last year. Every time a child is helped you are there. 23 children died this past year as a result of abuse by parents. One child was drowned by the mother, and one child was starved to death. A packet of material will be sent to each church. A video, "Someplace to be a Child" is available free.
48. Resolutions Report was presented by Fred Hopkins. He made the motion the report be accepted. This was seconded and approved.
49. Christian Life — Sammy McLamb, pastor of Badin Church, made the motion to accept the written report. This was seconded and approved. Gary Hunsucker then spoke to this report. It is time for all of to be more involved. There is so much more violence now. The State is asking the churches to become more involved again.
50. Doyle Holder, pastor of Bethel Church, and Chairman of the Ordination Advisory Committee, moved for the adoption of the written report. This was seconded and approved.
51. Prayer requests were heard.
52. The hymn, "Set My Soul Afire" was sung. Justin Hill led, and Helen Garner was at the piano.
53. Phillip Hunter, pastor at Pleasant Grove Church, brought the annual sermon. He read from Judges 6:33-35. People did just what they wanted to then, and we are doing the same thing today. We are living in a very difficult time, and it is the time we should be partners in every sense of that word. We should be partners in volunteerism. We are to be effective volunteers. The Lord raised up one to go forth. The problem is not so much getting volunteers, but have they been called to serve? God used ordinary people and when He calls, He transforms us so we are able to do the task He has called us to do. We look, and say — what can I do? God will lead us in the right direction if we will only be open to Him. We need to realize that God is still in control.
54. With Gary Hunsucker presiding the following Missions reports were approved:

    Foreign Missions — Larry Linker, pastor of Big Lick Church. Missions are alive and doing well.

    Home Missions — Phillip Hunter, pastor of Pleasant Grove Church. The Annie Armstrong Easter Offering has declined. You are encouraged to give to this offering.

State Missions — Randy Berryhill, pastor of Kinza Memorial Church.

Missions Development — Farrell Shimpock, pastor of Poplin Grove Church.

Volunteerism — Mac Keck, Director of Missions. He urged the reading of the report to see what has been done in the Association. Pray about what God would have us do. There is a need for a team from region 6 for the Disaster Relief Van. Training will be held in Concord November 6th. In the Long Range Strategy Plan we are asked to create a fund to help volunteers. The officers in the Association are volunteers.

55. Counseling Center report was approved. Pastors are counseling more.
56. In the absence of Howard Benoy, Mac Keck presented the Memorials. He read Psalm 23 and led in prayer for those who are no longer with us.
57. Mac Keck installed the officers who will serve the Association 1993-94.
58. Wiley I. Rutledge, pastor of West Albemarle Church, brought the Annual Sermon. He used the Scripture, Romans 1:8-16. In this letter, Paul shows his eagerness to visit those in Rome. First Rev. Rutledge read a letter as one of us might have written. Complaining about what we had been through, the fact that we do not receive recognition for what we have done. But Paul says "I am under obligation" because of Jesus. The purpose of the church is "The Great Commission". There are pressing obligations that cannot be delayed. Lives must be transformed in Jesus.
59. Joe D. Smith, Pastor of the Norwood Church, made announcements concerning lunch and gave the Thanksgiving.
60. The afternoon session convened at 1:00, and was opened by joining to sing the hymn, "Leaning On The Everlasting Arms".
61. Justin Hill, retired pastor, and Director of Music at Memorial Church, sang a solo, "Day Star", while accompanying himself on the piano.
62. Rev. James Murphy brought the closing message. Rev. Murphy has been pastor of the Hope Valley Baptist Church, Durham, NC since 1975. He received degrees from Campbell College, Wake Forest College, and Southeastern Seminary. He has served in denominational positions including Chairman of the Board of Directors, Biblical Recorder, and was President of the General Board in 1984.

    He used the Scripture John 17:20-26. Partnership in Fellowship. God has called us together to be partners — to become as one. God has a plan and, we need to help God with His plan.

    Jesus was praying for His church that all of them might be one. There is power in prayer. Sometimes it is the only thing that we have. God calls us and He anoints us to the task He calls us for. One day we will all be perfect.
63. Donnie Lovette, pastor at First Baptist Church Oakboro, led in the closing benediction.
64. The final registration count was 158.

Executive Committee

by Rev. Gary A. Hunsucker

The Executive Committee of the Stanly Baptist Association held its quarterly meetings during the past year to conduct the business of the Association between annual sessions. Many items were considered and discussed and approved. The following is a summary of actions by this committee:

1. Approved workman's compensation for Director of Missions, Secretary, and Treasurer at a cost of $441.00 per year.
2. Directed the Moderator to appoint a committee to study the need and cost of a video projector.
3. Approved the Stewardship Committee's proposed budget to present to the Annual Session.

4. Approved the Long Range Planning Committee recommendation to present to the Annual Session.
5. Authorized the Moderator to file the Articles of Incorporation with the Secretary of State.
6. Approved the Articles of Incorporation and Bylaws Reports to present to the Annual Session.

Much of the work of the Executive Committee for this year involved hearing reports on the proceedings of previous actions approved by the Association. It has been a year of prayer and praise. Our Lord has given us many opportunities to ministry and from hearing the progress of each organization and committee of the Stanly Baptist Association it appears that we are taking advantage of them to accomplish fruits of righteousness to the praise and glory of God.

Evangelism

by Dr. Kinney L. Wallace

The most important thing that one can do for Christ after sincere worship and prayer is to do the work of an evangelist. No, I am not speaking of the work of the professional, full time Evangelist, but I speak of the work of every believer to be a witness for Christ after they have been filled with the Holy Spirit and saved.

> "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses (martyrs) to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth." [Acts 1:8 (NKJV)].

In 1993 the Evangelism Leadership for the Association has been focusing on getting our people to pray by working with the Prayer Committee. We can never do evangelism, soul winning, until we have prayed. Someone said, "We must talk to God about men before we talk to men about God!" How true this is!

We are now in the process of enlisting all of our churches for their involvement in the 1995 "Here's Hope, Share Jesus Now!" Simultaneous Revival efforts which shall take place throughout the Piedmont area March-September of 1995. The target date for the Stanly Baptist Association is April 2-9, 1995. On September 27, 1993 we had our first enlistment luncheon at the Family Cafeteria in Albemarle. On November 8, 1993 there will be a Steering Committee Training Session with Larry Sasser at 7:00 PM. The place will be the West Albemarle Baptist Church. All churches are encouraged to have their Steering Committee members present.

It is my sincere prayer that we might seek the Lord in all sincerity and honesty through worship and prayer and then "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." (Matthew 28:19-20)

Prayer Committee

by Dr. Kinney L. Wallace

In 1993 the Stanly Baptist Association formed a new Committee. This Committee was the "Prayer Committee." The responsibility of this Committee was to first seek the Lord and then to formulate ways that the Association, the Churches, the Pastors, and all Spiritual leaders could become more active in the most needed aspect of our faith, prayer.

The Prayer Committee was formed, began to pray and developed the program of prayer within the Association as follows:

(1) Prayer is held for all Churches, Pastors, and the Association each first Thursday night at four designated church sites within the Association, those church sites being:
   a. Silver Springs Baptist Church
   b. Prospect Baptist Church
   c. First Baptist Church, Locust
   d. North Albemarle Baptist

(2) All churches are encouraged to form a in Church "Prayer Committee" and encourage their members to pray for Spiritual Awakening for our Nation, pray for our Association, Pastors, Churches, and special needs.

(3) All churches are encouraged to participate in all planned "Prayer Retreats" in the Association.

(4) The Prayer Committee agreed to meet at least once a month, on the third Thursday night at the Association to plan and pray together for the above efforts.

(5) All individual believers are encouraged to spend quality time crying out to God for Revival, Spiritual Awakening, and for the lost souls of all mankind.

Ephesians 6:12

"For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual host of wickedness in the heavenly places."

Stewardship

by Rev. Ronnie Vaughn

It has been the task of this committee to present to the Stanly Association of Southern Baptist, a budget that represents a vision.

We recognize as Christians, we are united as one in Christ and yet autonomous as individual church bodies.

Our goal as the body of Christ is to reach and win souls to the Kingdom of God. As believers we are to train those who are saved to prepare them as responsible believers who will share the abundant life to other generations.

Believers are to be faithful as stewards of all of God's blessings.

The 93-94 budget represents an increase of 2.77% above last year. We believe this budget is a challenge to every believer and every church to share in the call to be faithful and so be more than conquerors through Christ.

Higher Christian Education

by Rev. Phillip Hunter

Southern Baptists in North Carolina hold to the belief that God calls people to their lives' work. As we engage in our lives' work, the opportunity for ministry also opens up to us. North Carolina's Southern Baptists believe that there is a Christian ministry involved in helping individuals prepare themselves for their lives' work and ministries. That ministry has become more important as we face an ever increasingly complex world. That ministry has been and is realized in the work and ministries of the Universities and Colleges supported by the State Baptist Convention of North Carolina.

These are institutions of which we can be proud: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, and Wingate College. There is an especially warm relationship between these institutions and the Southern Baptists of North Carolina.

North Carolina's Southern Baptists have shown their commitment to the relationship through their financial support of the Institutions. Through the Cooperative Program and designated Church receipts, North Carolina Southern Baptists gave $6,098,006 to Christian Higher Education during 1992.

Our Institutions were good stewards of the funds entrusted to them by the Southern Baptists of North Carolina. During 1992 our Institutions enrolled 20,495 students. 1,245 Faculty Members and 169 Administrative Staff worked together in seeing 3,789 students graduate. During 1992, there were 414 Church-related vocations students enrolled in our Institutions.

The times and our world may be changing, but one thing remains the same. Individuals must prepare themselves to take their places in the workplace. Let us continue to support our Universities and Colleges as they strive to provide that preparation within a Christian setting.

On behalf of the Baptist Universities and Colleges of North Carolina, thank you for your faithful support. May God bless you.

Christian Literature

by Rev. Burley W. Moore

God's people need to be an informed people. There is no greater wealth of information found anywhere than in the Word of God. As Baptists, the world should see us as people who not only believe the "BOOK" but who practice the "BOOK". To help us gain insight into God's Word, the Baptist Sunday School Board assists local churches and individual Christians in evangelizing the world, discipling believers, and growing churches by providing some of the best relevant, high quality, and high value Christian literature available.

A tremendous need is being met, lives are being enriched, and ministries strengthened through the use of materials, such as, HOME LIFE magazine. HOME LIFE has been about since 1947 upholding Biblical ideals for family living. The only way we'll have stronger churches is to have stronger Christian homes. In a day when family values are deteriorating, it would do us well to encourage couples within our churches to reinstate the family altar and have daily devotions together. If there has ever been a time when a return to family values based on Biblical truth was needed, it is today. Being a committed believer not only will make a difference in one's

daily family life, but on the job and in the local assembly. Apart from the application of God's Word, our lives, families, and churches will not be Christ-centered.

North Carolina Baptist Foundation, Inc.

by Rev. H. Richard Collins

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and missions endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and truster whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The staff of the Foundation consists of seven full time employees and two persons who provide part-time services in accounting and legal services.

Baptist Retirement Homes

by Rev. Howard Benoy

One-half of all the people who have ever lived to be sixty-five are now living. North Carolina ranks tenth with adults above sixty-five. Among the North Carolina Baptist life, the fastest growing segment is adults eighty-five and older, and by the year two thousand that category will double in size. By two thousand ten, one-half of North Carolina's population will be fifty or older.

These facts indicate the great need for our convention to provide quality, affordable long term care services to functionally impaired older adults in the near future by expansion of existing facilities and creation of other long-term care services as rural home health services, community day care programs, and respite programs for homebound care providers.

To meet these needs, a nursing care facility was opened in Asheville for poor elderly, the Albemarle Home (Taylor House) was renovated for those with financially-assisted care, and an addition to Brookridge Health Care in Winston-Salem will improve life for the mentally impaired.

Providing for these needs was the result of prayers and funding through the Cooperative program and special offerings to Baptist Homes. Hope has been offered to many older adults whose future would have been uncertain without caring North Carolina Baptists. We continually urge churches of the Stanly Association to support this worthy cause.

Baptist Hospital

by Rev. Joe E. Smith

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist Churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission.

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

Baptist Children's Homes of North Carolina

by Mrs. Lil McElwee

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teenage mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH'S $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N. C. Secretary of the NC Department of Human Resources, said BCH is a "true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to

replicate."

BCH also dedicated a counselors lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years, celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available August 15th.

Annuity Board

by Rev. Harold L. McDonald

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The annuity Board's primary focus is providing that protection for as many people and churches as possible through the Church Life and Health Program and the Church Annuity Plan.

New, cost-competitive life insurance plans will be offered January 1, 1994, to help address the affordability issue. In addition, a Health Maintenance Organization (HMO) option will be available on that date in selected areas.

As of June 1993, 35,301 persons were participating in the Church Annuity Plan. The number of churches involved was 19,975.

Eligible participants in the Church Annuity Plan benefit in five significant ways:

1. The Plan includes a Protection Section that covers disability and death. In 1992, 318 families received disability checks from the Plan. In addition, 78 families received almost $1.2 million in survivor benefits.
2. The Plan includes a choice of plan funds offering valuable, advantageous investment opportunities for retirement. The average annual return in the Variable Fund over the past 10 years has been 13.01%.
3. The Plan offers significant opportunities for avoiding unnecessary income tax.
4. The Plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to $210 per year resulting in higher benefits at retirement.
5. A fifth value is the Annuity Board's strength and stability. On July 1, 1992, a 5% increase was applied to Plan A and defined contribution funded annuities.

Based on the needs of our people and in light of these special advantages, your convention is encouraged to lead every church to participate in the Church Annuity Plan.

Senior Adult Committee

by Rev. David R. Troutman

The highlight of our year was the March 27th Alzheimer's Disease Workshop. Mary H. Troutman, In-Home Services Supervisor for the Stanly County Senior Services Department and Alzheimer's Support Group Leader at the Albemarle Lutheran Home led the session. Though the attendance was

far less than expected, those in attendance had a meaningful learning and sharing experience.

The committee chairman worked with the Association's Long Range Strategy Planning Committee to see that the needs of our senior adults were addressed in that committee's deliberations.

The Senior Adult Committee continues to make the association aware of the needs of senior adults and of educational opportunities available to those interested in working with the fastest growing segment of the American population.

Chairman, David Troutman, has been working, on your behalf, with a group of individuals from churches and agencies from across our county to establish a volunteer agency to match senior adults with specific needs with individuals who are willing to volunteer a little time, some energy, maybe some transportation, and most of all genuine caring, in order to make another person's life a bit better.

If you have suggestions as to how our committee can better serve the people and churches of Stanly Baptist Association feel free to call any of us or our Director of Missions.

Christian Social Ministries

by Rev. Joe D. Smith

Work in the area of Christian Social Ministry has not moved rapidly during the past year, but it has moved deliberately. After a meeting with our Director of Missions, contact was made with our state convention offices to solicit materials and suggestions for the work of Christian social ministry.

The materials we received covered a wide range of ministries, such as day care of the aged, help for substance abusers, English as a second language, as well as others. Tentative plans are to further review these materials and invite a representative or representatives from the state convention to meet with representatives from our churches. The purpose will be to discuss the various ministries and to discover which ones are of most need in our area. From there we will begin the development and implementation of those ministries.

In cooperation with the Norwood Ministerial Association, we hosted a meeting sponsored by the Christian Action League of North Carolina. Rev. Coy Privette and his associates presented materials relating to pending legislation on gambling in North Carolina. Churches from five counties: Stanly, Anson, Union, Montgomery, and Richmond were invited. Those present learned the problems produced by the lottery and gambling and were challenged to lead their churches and friends to contact our state representatives to voice our opposition to this unnecessary evil. We need to continue to make this a matter of prayer.

Literacy

by Mrs. Betty Hill

This year has been a planning year. I have looked at other programs and would like to form a Literacy Committee to decide on steps our association would like to follow.

We would need to have a training school for perspective teachers of literacy. We would need to find several locations for the literacy training. Monies for literature would also be needed.

If you have any questions or feel you would like to participate in any way in the Stanly Baptist Association Literacy program, please call the Association office and/or Betty Hill, 485-4070.

General Board

by Dr. Ronny Russell

The General Board is literally the Convention between annual meetings of the Baptist State Convention of North Carolina, conducting business for the state-wide denomination in all matters except those specifically exempted by the constitution.

Some of the highlights for 1992-93 are listed below.

1. 1992 ended with the best year ever in terms of over-all income but the state missions offering was down 9%.
2. Churches were being urged to participate in the partnership with the New York Convention.
3. An Institutions Charter Committee was elected to help offer assistance to our institutions and agencies in the completion of the Institutional Relationship Study Committee's recommendation adopted by the 1992 Convention.
4. The year began with the following officers elected at the January 1993 session:
   President — Kathryn Hamrick
   Vice-President — Dan Griffin
   Recording Secretary — Ruth Williams
5. Recognized retirement of WMU Director, Nancy Curtis, effective April 30, 1993.
6. Recognized retirement of Jim Greene, division director for Youth and Campus Ministries.
7. Milton Hollifield comes to serve as Director of the Division of Evangelism in June.
8. A partnership with the Baptist union of the Ukraine was begun January 1, 1993.
9. A Committee on Uplifting Worship was appointed.
10. Funds to Meredith College were suspended when that institution repeatedly failed to respond to efforts to complete the Institutional Relations Study recommendations. Approval was made for a letter to be sent to Meredith trustees asking them to engage in serious dialogue with General Board representatives.
11. The first half of 1993 ended with an increase in restricted Cooperative Program Funds in several categories and a 4% decline in unrestricted Cooperative Program funds.

Sunday School

by Rev. Burley W. Moore

There is no better organizational structure already in place in the Baptist Church for inreach and outreach than Sunday School. If we could only properly activate this structure, there is no question that positive results could be evidenced throughout our association. Every church needs to learn how to plan the work of its Sunday School because planning helps a Sunday School to be more effective in reaching people for Christ. Your Associational ASSISTeam consists of eight different divisions headed up by individuals who are willing to help any church at any time throughout the year in Sunday School training.

ASSISTeam work in our Association for 1992-93 consisted of the

following: a total of 91 people attended the Associational Training School at Oak Grove Baptist Church, September 13, 1993, and 111 attended the annual Vacation Bible School Clinic at the First Baptist Church in Locust on May 10, 1993. In February, three of our ASSISTeam members attended the Assist Training Institute at Cary, N.C., and one attended the Key Leadership Conference at Caswell in May.

The Sunday School theme for 1993 has been "EQUIP TO WIN". As we enter 1994, we continue with the BREAKTHROUGH emphasis and the theme "SERVE TO WIN". May God help us to mobilize and encourage His people to service as we not only reach out to our local churches but to our lost communities in the name of Christ.

Discipleship Training

by Rev. Tony Bradley

We have enjoyed a good year in Discipleship Training yet there are plenty of areas that we need more work accomplished. One particular area is in recognition. So many times when Discipleship Training is mentioned many will answer that people simply will not come out on Sunday evening at 6:00 p.m. Discipleship Training is not something that **must** be done on Sunday at 6:00 p.m. Discipleship Training can be done at anytime and in a variety of places (and also days). Discipleship Training has a tremendous amount of resources available that can help the churches of Stanly Baptist Association grow in the knowledge of our Lord and Savior, Jesus.

We were unable to have our Associational Youth Night due to the "Blizzard of '92".

Bible Drills continue to grow. This year we had 13 children from 5 churches participating in the Children's Bible Drill. There were also 2 youth who participated in the Youth Bible Drill. I trust this year will be even better as more learn to handle God's Word properly, hide God's Work in their hearts and obey God's Word in their lives.

We are available to serve the churches of Stanly Baptist Association. Please let me know of your particular needs.

Our Discipleship Training Team this year is composed of:

Rev. Tony Bradley	Director
Rev. Lowell Brown	Adult Consultant
Mrs. Joan Hatley	Children's Consultant
Mrs. Judy Bradley	Preschool Consultant

Youth

by Rev. Tim Middleton

1992-93 was a great year for Associational Youth. Although no major projects were undertaken we did have some wonderful monthly youth Fellowships at the various participating churches. Average attendance was about 60 youth from across the county with 10 churches participating. many new materials have been ordered to enhance the Associational library.

It has been a great joy to work with all of the youth leadership from across the association. It is my constant prayer that Stanly Association will continue to promote and undergird the youth programs of its churches. Youth of today are the leadership of Stanly Association for tomorrow.

Let us not let them down as they learn and grow into positions of leadership. It is certainly our responsibility to give them everything they need to prepare for the work that our Lord has given them to do.

Music

by Rev. Justin Hill

Early in the year I sent a mailing to all music directors of churches in the association offering services to directors and instrumentalists. In that mailing I suggested the possibility of sharing music between churches. I asked for those willing to share to send me a list of their music by author, title, and quantity so I could compile a master list to provide each director. I received one such list from South Albemarle Church.

One consultation visit was made to Silver Springs Baptist Church.

Combined choir concerts were held in several areas: Grace Church was host to North Albemarle, and Mission. West Oakboro was host to Pleasant Grove, Big Lick, Mineral Springs, Oakboro First. This is a great idea and I encourage more churches to do this.

The newest music director is Steve Byers at Albemarle First.

We would like to carry out the idea of sharing a music list. If you don't already have an alphabetical list of your music it can be a chore to type up. Call on a volunteer with time and a computer to do it for you and you be blessed knowing at a glance what all you have.

Baptist Men

by Mr. Cletus Whitley

1. During September and October 1992, several church groups were on the site of Andrew crises in Florida — 19 people reporting.
2. Brunswick Island Church building constructed by volunteers from June 14 to 28. The dedication for the church is planned for October 17, 1993.
3. Campbell University Field Trip — Saturday, July 10, 1993. Show and tell of prospects being demonstrated for third world countries. Three churches responded — nine people.
4. Baptist Feeding Unit was in the flood area of St. Louis, MO and in Hardin, IL, during late July and August, until it was returned due to emergencies — storms on the Carolina Coasts. Now there is a satellite unit feeding mostly electrical workers. The feeding unit came back from the Mississippi area and is now planning to return to the flooded areas.
5. We have received a last minute report on work in Florida. There was a group of men working with Franklin Graham in that area. This organization is called **I CARE.** They have more than two million dollars worth of building materials on hand, hoping for volunteer workers to come.

Volunteers have dropped from 600 per month to 50. They still need our help, not so much our money, but workers to work on 400 houses that have permits to rebuild. Two-thirds of the homes are still not rebuilt.

Woman's Missionary Union

by Mrs. Mary Schreppel

The 1992-93 Woman's Missionary Union emphasis was "Lead On". Faithful leading, training and nurturing new members has been the role of the WMU Council this year. May we continue to "Lead On" toward growth, faithful service, and to the fulfillment of God's own desire that every man and woman shall know of His saving love.

Mission Baptist Church hosted the Annual Leadership Workshops. The Missions Workshops, led by Alda Miller, Pam Lowder, and Edna Bolin were held at the Baptist Associational Center. Pam Lowder led a dynamic Prayer Retreat at Camp Barnhardt. Marie Phillips and June Chance held the Baptist Women Conference at South Albemarle Church. The Baptist Young Women Conference, led by Georgia Troutman and Tammy Middleton, was held at Centerview. The Acteens, led by Carol Hopkins and Mary Ann Abernathy, had several meetings, did puppet shows and community service, worked in preparation for the Activators Mission Trip to Birmingham, Alabama. The G.A.'s, at their Annual Meeting, collected socks for the Children's Home. At the GAtivity Meeting gifts were made for a Vacation Bible School in Kiana, Alaska, led by Alda Miller — Pam Whitley and Zelma Eudy were the directors. Mission Friends Director, Diane Burris and Teresa Morton led a great Workshop, and held an Easter Egg Hunt.

Philadelphia Church hosted the Annual WMU Meeting. Helen Mount was the afternoon speaker, with Donna Rogers being the evening speaker. At this meeting it was decided and voted on to have only one session in 1993-94. The WMU scholarship was presented to Jennifer Coble from West Stanly Church. Again this year the WMU attained "Distinguished" on the achievement guide. Annually we send gifts to the Women's Correctional Center in Raleigh. This year we sent pens.

Thanks to all who support Woman's Missionary Union!

Christian Life and Public Action

by Rev. Sammy McLamb

In Isaiah 1:2b we read, "...I have nourished and brought up children, and they have rebelled against me." God was speaking through the prophet Isaiah to the nation of Israel, the people that He refers to in chapter five as a "choice vine". God had planted the nation and expected good fruit. Now all that He was seeing was bad fruit (wild grapes). The Lord was about ready to take away the hedge.

We know that the United States is not Israel, but we can certainly see some striking parallels. In the last thirty years, we have seen a steady decaying of the moral fiber and principles which once made our country strong. We have seen prayer removed from our public schools, abortion legalized, homosexuality accepted as an "alternate life style", and the continued invasion of pornography through print, music, films and TV. From 1960 to 1990 there has been a drastic increase in the percentage of illegitimate births; teen suicide; children with single mothers; and children on welfare.

The picture looks bleak. Is there any hope? I believe that there is. Jesus said that Christians are the "light of the world". We are to let our light shine before men, in order that they might see our good works and glorify our Father which is in heaven.

Thanks to the work of our Christian Life Commission and other agencies; the work of our Association, local churches and individuals, we have seen some good victories this year. In June the House of Representatives approved a modified version of the Hyde Amendment, which has prohibited Medicaid from funding most abortions since 1976. The U. S. Supreme Court voted unanimously to prohibit discrimination by a school district against a nonstudent church group seeking to rent space. The Court also ruled that student initiated prayer at graduation exercises is not unconstitutional.

We are also thankful that the Southern Baptist Convention continues to take a stand against abortion, abortion funding, homosexuals in the military and homosexual rights. And, in our own state, no gambling legislation was enacted in the General Assembly this year.

But, the battle continues and we must not let up or give up. We must continue to pray and stand united in Christ against the wickedness of our day.

Ordination Advisory Committee

by Dr. M. Doyle Holder

On Sunday afternoon, July 18, the Ordination Advisory Committee had the privilege of examining Mr. Don Treadaway, who has been called as Associate Pastor for the Highland Baptist Church in New London. After hearing Don's testimony, we questioned him concerning his conversion, call, concept of ministry, commitment to the Scriptures, concern for his family, and cooperative spirit. Upon examination, we unanimously recommended his ordination to the Gospel ministry.

Foreign Missions

by Rev. Larry Linker

"I reaffirm our Southern Baptist missionary heritage. It is Scriptural, and it has served us well. Within the context and the spirit of those convictions which have guided us in the past, we must address the challenges that face us in the ever changing future", thus spoke Don Kammerdiner, Interim President of the Foreign Mission Board. Millions of Southern Baptists echo his words, as we look to the future and to the impact Southern Baptists can make round the world.

Much has been said and written about controversy that has been present in the Southern Baptist Convention for several years and about the slowing down of our mission work. The truth is Southern Baptists are making much head way in reaching the goals set in our Bold Mission Thrust. Statistics many times are boring, but I want to risk boring you with a few.

In 1992: The Lottie Moon Christmas Offering reached its highest total ever — more than $81.4 million was given for world evangelism and ministry. The grand total of the Lottie Moon Christmas Offering has now exceeded 1.24 billion dollars since it began in 1888.

In 1992: More than $69 million came to the Foreign Mission Board through the Cooperative Program and although this is a decrease from gifts in 1990 and 1991, it is still an amount that can't be ignored.

In 1992: $7.4 million was given for relief and hunger throughout the world. In almost every area in Southern Baptist Missions effort an increase

is noted. 8% increase in baptisms, a record 251,901. 1,606 new churches, 1,153 more "preaching points" bring this total to 23,889.

For the fourth year in a row, more than 10,000 volunteers have shared their faith around the world on a short-term basis. 414 new missionaries were appointed in 1992, bringing the total mission force to 3,893. We need to pray that many new missionaries will hear and heed God's call in the coming years. In 1992: Many mission partnerships have been established with the fast-growing Baptist Churches in Ukraine, Belarus, and Russia.

More than 1.5 million in relief funds have been sent to aid Somalia.

We are still short of our goals set in 1976's Bold Mission Thrust, but as we come to the middle of this decade, these goals are within our reach. Pray that all these goals will be met.

FOREIGN MISSIONS ARE HERE TO STAY AND SOUTHERN BAPTISTS WILL SUPPORT MISSIONS.

AMEN

Home Mission Board

by Rev. Phillip Hunter

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, GA, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the Gospel of Jesus Christ, start and grow congregations, and minister to people in the name of Christ.

During 1992, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year, there were 367,847 baptisms and 1,281 church starts.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering (AAEO) for Home Missions. In 1992, gifts to the offering totaled $37,61 million. This was a 6 percent increase over the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 AAEO goal is $38 million. As of 3 September 1993, $34,042,422.72 has been received for the 1993 AAEO. This represents a decrease of $1,677,730 over the same time last year.

Following are some additional highlights from the HMB's 1992 ministries: 24,000 professions and 4,600 baptisms were reported by 2,293 Southern Baptist chaplains and pastoral counselors; 2,164 births and 832 women who found Christ as their Savior was reported by 23 crisis pregnancy centers using workers trained by the HMB; 106 buildings and 9 building sites were paid for by 1,100 churches who had active loans totaling $115 million; 2,905 individuals were witnessed to during the SBC meeting in Indianapolis with 361 people making professions of faith; 71,000 Southern Baptists volunteered for long and short term projects; and 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii.

On behalf of the Home Mission Board Staff, and those to whom they minister, thank you for your support and encouragement of the Home Mission Board of the Southern Baptist Convention.

Missions Development Council

by Rev. Farrell Shimpock

The Council was not called upon as much this year as the past years, however several things were considered and acted upon. The council made the decision not to have the Boater's Worship Service at Point Randall on Lake Tillery, because of lack of interest.

The Council had a request from Rev. Jon Hoey, pastor of South Albemarle Baptist Church, for assistance with a Bible Study class at Stanly Community College. The Council recommended the approval of $250.00

The Council also had a request from the Stanly County Habitat for Humanity for $2,000.00, this was approved by the Council.

The Pregnancy Crisis Center requested a donation from the Stanly Baptist Association, and the Council recommended the approval of $500.00.

Volunteerism

Rev. Joe Smith and nine men from Norwood First Church went to the town of Flores de Oriente in Honduras. There they built and dedicated a church in one week. Rev. Smith is planning to return to do Church Planting and Evangelism.

Rev. Kenneth Lambert along with eight people from his former church in Hickory preached in Romania, Russia, Hungary, and Austria. Their group was led by Daniel Blaj and his wife, Mieluta, who had escaped from Romania about 10 years ago.

Eight Acteens and four leaders spent a week in Birmingham, Alabama where they held Backyard Bible Clubs each morning and each afternoon. Acteens who went were: Ellie Holder, Bethel Church; Nicole Dennis, Cottonville Church; Julie Almond and Sally Abernathy from Kendalls Church; Karen Benge and Anglia Hartsell, Philadelphia; Julie Bost and Melissa Hinson, Porter Church. Leaders who went were: Judy Almond and Mary Ann Abernathy, Kendalls Church; Ruby Benge and Terry Griffin, Philadelphia; Carol Hopkins, Porter Church.

Alda Miller spent 8 days in Kotzebue and Kiana, Alaska working with Sid and Marsha Martin in Vacation Bible School. There were 57 children enrolled. Retired missionaries Harley and Martha Shield helped in various ways.

Dr. Ronny Russell along with eight youth and eight adults from Mission Baptist Church served with Faith Baptist Church in Elkins, W. Va. They did Backyard Bible Clubs in two sites each morning and Vacation Bible School in the afternoon. About 20 were enrolled in the two Backyard Bible Clubs. Rev. Bill Hopkins is the pastor there.

Baptist Counseling Center

by Rev. Harold L. McDonald

The Baptist Counseling Center opened in February of 1991 with Tom O'Neal as interim counselor in order to get the Counseling Center ministry off to a good start. Tom remained with the program until October 1, 1992. At this time, Gary McFarland came as counselor. The ministry has continued to grow throughout the past year and is serving effectively the people of Stanly County. Because of funding, the Center continues to operate on a half-day basis once a week. The day has been changed from Thursday to Monday between the hours of 2:30 and 6:30. Approximately 75% of all referrals come from Baptist churches in the area.

The idea of a counseling center grew out of the need for pastors and churches to have a local referral center for counseling with a distinctively Christian perspective. Charges for the services are based on the ability of the counselee to pay. The difference is paid through budgeted Associational funds. The center is a joint venture of the Stanly Baptist Association and the Department of Pastoral Care at North Carolina Baptist Hospital. The Advisory Board is made up of local ministers, physicians and laypersons and meets on a quarterly basis for review.

Gary McFarland, current counselor, is a graduate of Southeastern Baptist Theological Seminary, from which he received the Master of Divinity degree. Ordained in 1981, he had completed two years of Clinical Pastoral Education, as well as a two-year Pastoral Counseling Residency through a center of North Carolina Baptist Hospital. He is currently on the staff of the Counseling Center at Charlotte. He approaches clinical counseling from a distinctively Christian perspective.

The Counseling Center is open each Monday from 2:30 p.m. to 6:30 p.m. An answering machine serves the Center 24 hours a day. The number for the Counseling Center is 983-1747.

MISSION BAPTIST CHURCH

History of Mission Baptist Church

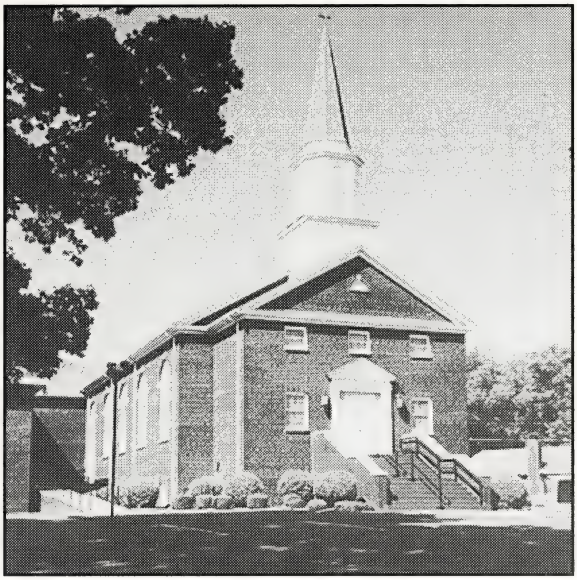
In 1876, W. T. and Elizabeth Swinson began to have prayer meetings in their home in the Mission community. Rev. E. P. Harrington was asked to come four years later to begin a Baptist work. Finding a liquor shop and gambling place near where the present church now stands, he accepted the challenge. A brush arbor was erected for worship. Beginning that year with only three Baptists, the small church began to work and grow. By 1883 the mission was organized into Elizabeth Baptist Church with six charter members.

In 1895 a building was erected and the name changed to Mission Baptist Church with thirty-three members on roll. The church experienced a period of growth in the 1920s and a new building was built in 1924 which housed the church until the present brick structure was completed in 1971. A parsonage was added in 1956, an educational plant in 1956 and a fellowship hall in 1962.

The past forty years have seen three pastors serve: C. C. Burris, Floyd Helms, Jr. and Ronny Russell. Hoyle Whitley has served as Minister of Music since 1974.

The past few years have seen record numbers in Sunday School attendance and other programs of the church. The greatest growth both spiritually and numerically in the past three years has been in the area of Discipleship Training as we have become more intentional about taking seriously that part of the Great Commission which says, "go and make disciples" (Matthew 28:19).

A new vision of renewal and openness has prevailed in recent years. Several new ministries have emerged out of the members' sense of calling and giftedness.



ANDERSON GROVE BAPTIST CHURCH

History of Anderson Grove Baptist Church

In 1854, 16 persons from the Kendalls Baptist Church of Stanly County, organized the Liberty Hill Missionary Baptist Church. It was a small log building located about one half mile south of the present location. Those who were charter members of the venture of faith were: Elisha Laton, Martha Ann Laton, Alexander Biles, Franklin A. Laton, Thomas Biles, John Lilly, E. J. Laton, Wincey H. Laton, Linda J. Laton, Caroline Biles, Sarah C. Laton, Mary Pickler, Mahaley Byrd, Sarah H. Carter, Lousinda McDaniel and Patsy Wilson.

The Reverend Henderson Carter was called as the first pastor in 1854 and served until 1864. The first two deacons were Alexander Biles and Franklin Laton.

The Church joined the Pee Dee Association and remained a member until 1869. A period of about 7 years passed with no pastor during the reconstruction days following the Civil War.

In 1869 the Church joined the Rocky River Association which later became part of the Stanly Association.

The second pastor was a Reverend Stoker, who was followed by the Reverend Solomon. The fourth pastor was Reverend Oscar Haywood.

In 1880, Reverend J. C. Denny was called as pastor, and during his ministry the name was changed to Anderson Grove Baptist Church. Part of the present location was given by Dr. Richard Anderson in 1880 and a new log building was erected. In 1904 a new frame building was erected and in 1917 rooms were built on each side, making wings to the church. Again in 1932 five more Sunday School rooms were added to the building.

The people continued using this building until 1951, when the present building was erected. A parsonage was erected in 1972, and a fellowship building was completed in 1983.

The Church has several members who have entered a Christian Vocation.

The rules governing the meetings of Directors, including, but not limited to, the time for meetings, notice of meetings, and required percentage for approval of votes, shall be the same as those for the meetings of the Associational Council. Meetings may serve as both the Associational Council meeting and Board of Directors' meetings at the same time.

ARTICLE XV
VOTING

In any election or matter in which messengers or officers or pastors are eligible

to vote, all votes must be cast in person by those qualified to vote. No absentee ballots nor voting by proxy shall be permitted in any election or vote.

ARTICLE XVI
DISCIPLINE

Section 1. **Types of Discipline.** The Associational Executive Committee may recommend the formal discipline of any member church by censure, suspension or revocation of membership for any conduct they deem prejudicial to the interests of the Association and the cause of Christ.

Section 2. **Procedure.** All disciplinary proceedings and actions shall be undertaken pursuant to Biblical commands especially the process set forth in Matthew 18, and the spirit of the Biblical commitments to confession, repentance, forgiveness and reconciliation. Private admonition, spiritual instruction and encouragement to faithfulness must precede any recommendation of formal Association action.

Section 3. **Reasonable Efforts.** No member church shall be disciplined, nor recommendation for such discipline forwarded to the other members, until the member shall have been notified, or bona fide effort made to notify, of such pending matter including information of the charges and an opportunity to appear before the Associational Executive Committee in person and to forward information relevant to the matter.

Section 4. **When Made.** Any recommendations regarding discipline shall be made at a regular or special business meeting with prior notice of the general subject matter and proposed recommendation being provided shall be given an opportunity to be heard at the Associational Meeting. A two-thirds vote shall be required to approve any Associational Executive Committee recommendation in connection with this Article.

ARTICLE XVII
WAIVER OF DEFECTIVE NOTICE

Any defect in notice for any meeting held by the Stanly Baptist Association, or of any committee or board thereof, is waived by every member who is present or has actual notice of the meeting and does not raise a timely objection to such notice within five (5) minutes of the start of such meeting. Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

ARTICLE XVIII
MISCELLANEOUS

Section 1. **Gender References.** Terms for gender such as he, she, etc. shall not be construed as binding on that particular gender unless otherwise indicated.

Section 2. **Fiscal Year.** The Stanly Baptist Association shall operate the Association year October 1 through September 30. All committees elected to serve this period shall assume office at the close of each Annual Meeting of the Association.

Section 3. **Quorum.** A quorum shall consist of messengers from at least sixty (60) percent of the annual churches when the Association is in session.

Section 4. **Voting.** Voting shall be limited to messengers, or an elected messenger's alternate, voting in person.

Section 5. **Special Procedures.** On any motion properly before a business meeting of the Association dealing with the purchase or sale of property, the employment terms or salaries of Association staff, or the affiliation relationships of the Association, where the Association has not announced at least seven (7) days prior to such meeting the general subject and nature of the proposals to be voted upon at such a meeting, any member of that body may, by request at such a meeting, require that the motion be tabled and referred to the Associational Executive Committee who will have up to thirty (30) days to make a nonbinding recommendation regarding the proposal. Upon their recommendation or the expiration of thirty (30) days, the members may vote upon the motion.

Proceedings of the First Day's Session at

ANDERSON GROVE BAPTIST CHURCH

Tuesday, October 25, 1994

1. The first session of the 110th Annual Session convened with the messengers and visitors singing, "The Church's One Foundation", led by Justin Hill, Associational Director of Music, accompanied on the organ by Elsie Green.
2. The meeting was called to order by Dwight Mabry, Moderator, and pastor of the Philadelphia Baptist Church.
3. Devotion was led by Ronald Honeycutt, pastor at Anderson Grove Baptist Church. He read from II Kings 6:1-7. Using the axe head, he reminded us that the worship of God is a powerful time. He closed with prayer.
4. Dwight Mabry, moderator, constituted the 110th Annual Session.
5. Howard Benoy made a motion that the messengers registered and those who would register later would make up the 110th Annual Session. This was seconded and approved.
6. After Mac Keck, Director of Missions, made several corrections on the program — on the Digest of Letters, the plus/minus for Baptist Men, should be minus 21, rather than plus 21. The Contributions may not match with the figures on the actual Annual Church Profile. Gary Hunsucker, chairman of the Program Committee, proposed that the program as printed be the guide for the sessions. Motion was made, seconded, and approved.
7. Mac Keck recognized new pastors in the association since the last Annual Session: Keith Austin, now pastor of Berea; Jerry Mabry, Calvary Church; Danny Laws, at Dunn's Grove; Isaac Hicks, at Fairview; Robert Ferguson, Parker Memorial, and Ollis Revels, at Mineral Springs. Interims recognized: A. W. Icard at Canton, Tab Whitley at Silver Springs, and Phillip Brooks at West Stanly. Associates: Steve Jarvis and Tim Swaringen.

   Mr. Keck also recognized Mrs. Maude B. Connell for her 10 years of service to the Association as Treasurer — and presented her with a plaque from the Association.
8. Steve Byers, Associate at Albemarle First, sang "Calvary's Love". Justin Hill accompanied on the piano.
9. Stuart White, pastor at Carolina Memorial Baptist Church in Thomasville, NC, presented the inspirational message. Using I Corinthians 3:9, he spoke on being laborers together for God. We have a tremendous opportunity and a tremendous responsibility to share a word of hope with those around us. In verses 10-12 we learn how to build together on a firm foundation. As we assume responsibilities we find that Jesus is the answer. The need is great to share Jesus. There will be an accounting of time and reward for our service. We are to be a faithful laborer for God. Rev. White closed in prayer.
10. The hymn, "Great Redeemer, We Adore Thee", was sung.
11. Terry Seamon, Chairman of the Committee on Committees, made motion to approve the written report. This was seconded and approved.
12. Associational Business and Programs. Motion was made that we adopt reports as printed in the Book of Reports. Seconded and approved.
13. Gary Hunsucker, Vice-Moderator, spoke to the Executive Committee report.

According to the report, an item of business was transacted during the month of July, concerning the disbanding of one of our churches. He made a motion that Faith Baptist Church be removed from fellowship with the Stanly Baptist Association. This was seconded and approved.

14. Ronnie Vaughn, Chairman of the Stewardship Committee, presented the proposed budget to be voted on at the business session tomorrow.
15. Yates Brooks read a report on Campbell University, written by Doland Humphries.
16. Registration report: Total in attendance — 181.
17. As we were one hour ahead of schedule, Mrs. Helen Benoy was asked to give a report on the Baptist Retirement Home.
18. Mac Keck encouraged intercessory prayer in churches for other churches. The Associational Prayer Committee meets each month to pray for the work of the Association, for spiritual awakening, and revival in the association. In the recent meeting, the churches, pastors, and Program Directors were divided among members of the Prayer Committee. As long as the committee is faithful to pray, every church, every pastor, and every associational director will be prayed for each week. Rev. Keck encouraged churches to do the same thing. If you have 10 people who will commit to pray for just 6 churches, all churches and pastors would be covered each week. Think about the power of prayer. If we are serious about sharing Jesus and Here's Hope, and loving one another, we need to be lifting one another up. We have not because we ask not. We need to organize and then we will pray better. We need to be faithful.

    Dwight Mabry emphasized the same points — be much in prayer in the churches and as individuals. He asked Rev. Fred Hopkins to lead in a time of prayer.

    Because there was extra time, Mac Keck spoke to his written report.

    a. Expressed appreciation for the financial support for the Association. Contributions from the churches exceeded those in any other year.
    b. Referred to the Volunteerism report. $7,500 was approved last year for volunteers to go on mission trips. Nine people were approved to go this year. There are restrictions and guidelines before they are approved.
    c. By working with neighbors, the road at the Associational Center has been paved.
    d. The parking lot has been resurfaced and lined.
    e. It is hoped another staff member will be approved for a special area of work, possibly youth or in education. The Digest of Letters does not indicate a good report. Every year we have had Crusades, we seem to have a better year. This year we are down in enrollment in most of our areas.

       It does no good to just talk, we need to have commitments.
19. A time for music and fellowship. Sang choruses, "Open Our Eyes, Lord, We Want to See Jesus", "I Love You, Lord", and the Hymn, "Love Divine, All Loves Excelling".
20. Kevin Graham, Minister of Music at Locust First, using a tape, sang "Old Rugged Cross/A Hill Called Mt. Calvary".
21. Moderator's Address, Dwight Mabry. Isaiah 6:1. Place of worship does not matter. Worship should be something you do 24 hours a day. We cannot share Jesus until we do worship. True worship is adoration and service. Do we praise our Lord? Do we recognize the power of true worship? We need to see the Lord as we worship. God is truly working in our churches, but he wants to do more. We need good experiences with God, as Isaiah had. When we see him, then we can go out and share Jesus. Rev. Mabry closed in prayer.

22. Kinney Wallace, pastor of Locust First, led in a time of prayer.
23. Ronald Honeycutt made announcements and led in the thanksgiving.
24. Supper
25. The evening session opened in singing Hymn, "Jesus Saves".
26. Associational Business and Programs, Part II. Reports listed were already approved during the opening session.
27. HERE'S HOPE Rally, led by Kinney Wallace

    Important dates concerning the HERE'S HOPE Rally:

    a. November 21, from 7:00-9:30 PM. Soul Winners Training at Anderson Grove Church.
    b. November 29 at 7:00 PM — "Bring Back The Glory" at the Stanly County Agri-Civic Center, Albemarle. A Drama and Musical about past Revivals and Spiritual Awakenings and how we can have them again.
    c. January 22-24, 1995 at First Baptist Church, Locust, "A Win School" for training believers to be Soul Winners, and a time to certify Pastors. Led by Convention Evangelism Department.
    d. WITNESS 60/60! Witness to at least one person daily for 60 days from January 9-March 9, 1995.
    e. April 2-9, 1995 ... HARVEST REVIVALS FOR CHRIST!

    There is a need for 20 ushers and 6 ticket takers for the "Bring Back the Glory".

    Portions of the video on HERE'S HOPE and on "BRING BACK THE GLORY" were shown.

    Dr. Wallace shared that the Lord had talked with him. He said, "Tell My people this, they are my temple. Tell them I have come to dwell in that temple. And tell them I want to bring back the glory. Tell them how it is possible for that to happen."

    He then read the Scripture, 2 Chronicles 7:14-16. There is just one reason God will not Bring Back the Glory — SIN in the life of His people. God is ready to Bring back the glory, but we must prepare our hearts for Him. If we do not, God cannot bring back the glory. You can worship without preaching, without singing, without a lot of things, but you cannot have the power of God without prayer. He then led in prayer.
28. The hymn, "Share His Love", was sung by all.

    Choruses were also sung, "He Is Lord" and "Open Our Eyes, Lord".
29. The Anderson Grove Baptist Church Choir, led by Mark Beasley, sang, "Holy Highway" and "The Lamb Has Prevailed", accompanied on the piano by Sherry Poplin — and Elsie Greene on the organ.
30. David Ayers, pastor of First Baptist Church, New London, brought the Annual Sermon.

    He used Acts 6. Share Jesus through witnessing. When we are full of the Holy Ghost, we are overflowing to the brim of the cup. We need to be filled of the Spirit, but we seem to be wary of the Holy Ghost. In Acts 2:4 — they were all filled with the Holy Ghost. It is said that the happiest and most growing churches are those that make a lot of the Holy Spirit. The Spirit of God will bring us face to face with Jesus Christ. We are confused and afraid and we don't know what to do. The Book of Acts involves 3 things.

    a. Birth of the New Testament Church
    b. Indwelling of the Holy Spirit in believers
    c. Continuing work of Jesus through the Holy Ghost sent down.

    Characteristics of a church filled with the Holy Spirit:

    a. The church had problems — controversy over doing more for one faction

than another, persecution, scattered, jailed for preaching Jesus, opposition, legalism.

b. Heavenly wisdom. God will help us know what to do.

c. Had great faith.

d. Won souls.

e. Experienced the working of the Holy Spirit.

A witness tells what he knows and what he has seen.

31. In place of Rev. Ollis Revels, who could not attend because of a bad back, Rev. John M. Connell led the benediction.

32. Total registration: Messengers 150, pastors 34, visitors 9, others 10, for a total of 203, plus 20 choir members who did not register.

Second Day

Wednesday, October 26, 1994

MISSION BAPTIST CHURCH

33. The first session of the second day convened at 9:00 AM with the hymn, "O Zion Haste", and "Open Our Eyes, Lord".

34. The moderator welcomed all to the second day of the Annual Meeting.

35. Bill Myers, pastor of Cottonville Baptist Church, led the devotion and prayer time. He read Matthew 25:14-15. Each of us have been given a special talent by God. If we believe, we will bear much fruit. God will judge the use of our talents. Rev. Myers led in prayer.

36. Associational Business and Programs — Part III.

a. Kenneth Lambert, pastor of Memorial Church and Chairman of the Place and Preacher Committee, made a motion to accept the Place and Preacher report as printed. This was seconded and approved.

b. Nominating Committee. Ed Lowder made motion to accept report as written, seconded and approved.

37. Miscellaneous Business

Ronnie Vaughn, pastor of Centerview Church, and Chairman of the Stewardship Committee, expressed appreciation for the financial support of the churches in the Association. He then presented the proposed budget. Motion was made to accept, seconded and approved.

b. Kinney still needs ushers and ticket takers for "Bring Back the Glory".

38. Special music. Solo, "My Soul Desire", sung by Kolis Moore, with Koni Huneycutt at the sound system.

39. Richard Brunson, Director for the North Carolina Baptist Men, brought the Missionary Message. He expressed appreciation for what the Baptist Men in Stanly Association have been doing to help in the various programs, through the State Convention.

Someone once defined Missions as "making God's invisible Kingdom visible". As we think about the needs in this association, county, state, and around the world, working together, through the state Missions offering and the Cooperative Program, we can accomplish much. Many of the men in this Association have worked with disaster relief. The Association is now considering the purchase of a disaster clean-up trailer. The Association can be thankful for all the volunteers that have helped in the different areas.

A Mandate video on "Marketplace Ministry" was shown.

Using scripture, John 6:1-13, he reminded us that Andrew saw a boy with 5 loaves and 2 fish. He saw the person, not the crowd. One at a time.

b. Andrew's faith in Jesus — or what can be done with small things.

c. The boy gave all he had to Jesus.

d. Jesus multiplied what he had.

All Christians are gifted for ministry. It was not how great Andrew or the boy was, but how great God is.

If you will give your talents back to God, He will bless them.

Mr. Brunson led in prayer.

40. Don Treadaway, Associate Pastor at Highland Church, spoke to the Foreign Mission Report for Doland Humphries.

41. John Lucas, Consultant to the Church Extension Department of our State Convention, spoke to the State Missions Report. He commended Mac Keck and recognized Richard Brunson for the work that has been done in and through State Missions.

The work of the Church Extension Dept. is to help start churches and missions and work with the Director of Missions in this capacity. Also making surveys and studies in the Associations as to what the needs are in mission starting and programming. They also help pastors in various ways. 10% of what the Association gives to the State Missions Offering is given back to the Association. This past year $3,509.40 was returned to Stanly Association. There were requests for over $500,000 and there was only $200,000 to use in this manner. Pastors are helped financially whenever possible. State Missions Offering goes to over 50 different agencies. Rev. Lucas is available to help churches and individuals.

42. Farrell Shimpock, pastor of Poplins Grove Church, read the Resolutions. Motion was made to accept, seconded and approved.

43. Justin Hill led all as they sang, "Lead On, O King Eternal".

44. Associational Business and Programs — Part IV

a. Mac Keck spoke to the Volunteerism Report. He challenged us to allow God to use what he has given us in becoming volunteers. Often we think of just Foreign Missions, but this can be anywhere, Foreign, Home, State, Associational. Doyle Holder spoke of his trip to Kotzebue, Alaska, and to several of the villages. Members of Paul's Crossing went to Romania and members of Norwood First went to Nova Odessa Brazil. Rev. Keck encourages you to become volunteers and go out to witness to others.

45. Registration report: 160 attending

46. Cletus Whitley, member of Pleasant Grove and Baptist Men Director. Saturday 12/10, Family Missions Night. Resort/Leisure Ministry. Campus Missions. Purchase of a trailer for a Disaster Clean-Up Unit. Training is needed to prepare a team to participate in this ministry. Expressed appreciation for those who have worked together in this ministry.

47. Memorials — Juanita Huneycutt. A total of 168 of our members died this past year. Mrs. Huneycutt read a poem by Helen Rice and then led in prayer.

48. Dwight Mabry shared that doors have been opening for Sid and Marsha in Alaska. Through revival and other things that have happened recently they are winning the confidence of the people there in Kotzebue. Marsha has been having physical difficulties and plans to come home to see the doctor very soon.

49. Installation of officers by Mac Keck.

50. Solo: Mrs. Amy Barbee, "Amazing Grace".

51. Hymn, "To The Work", was sung.

52. The Annual Sermon was brought by Otis Goins, pastor of Immanuel Baptist Church, introduced by Dwight Mabry. Matthew 9:35-38. "Lifting up our eyes and looking at the Harvest".

a. We need to share the Word by going, praying, giving, and doing. There is a waiting Harvest. Jesus saw the needs of others, and helped them. It could be hunger, sadness, those who are lonely, depressed, unloved, the sick, and the blind. The church is to evangelize. Jesus invites all to Him.
b. Enlist other than the pastor, Jesus uses all Christians. He changes our lives. There is joy in serving Jesus.
c. Understand the urgency of the task of praying for workers. A person coming to Jesus is the Harvest. Jesus makes a difference. We need more of Him in us, because there is Hope in Jesus.

53. Dwight Mabry expressed appreciation for being Moderator of the Stanly Baptist Association. Recognized on-coming Moderator, Larry Linker, pastor of Big Lick Baptist Church. Presented the Associational gavel to Rev. Linker.
54. Announcements and Thanksgiving — given by Dr. Ronald Russell.
55. Final registration: Messengers 116, pastors 25, visitors 11 and others 12, total was 164.

Resolutions

We, the Resolutions Committee, on behalf of the officers, messengers, and visitors, meeting in this 110th annual session of the Stanly Baptist Association do hereby extend to Anderson Grove Baptist Church and Mission Baptist Church our sincere appreciation for their Christian hospitality, the delicious meals we were served and for their efforts in making our meetings most enjoyable in every way.

Be it further resolved, that all messengers thank our Clerk and Secretary, Mrs. Alda Miller, for preparing the Book of reports and for a job well done.

We further resolve, that all messengers extend warm appreciation to our Moderator, Vice Moderator, Music Director, Instrumentalists and Program Committee for the fine program and the manner in which the sessions were conducted.

The messengers extend appreciation to our Director of Missions, Rev. Mac Keck, for his fine leadership of our Associational work, and we pledge our support and prayers to him in the work of the Association.

Be it further resolved as we close this 110 session of the Stanly Baptist Association that we pledge our support and prayers for the Pastors of the Churches in our Association, who constantly bear the burden for the lost, the sick, and the unchurched within our Association.

Be it further resolved that we pledge our prayers and support for the "HERE'S HOPE, SHARE JESUS NOW!" Simultaneous Revival efforts which will take place in 1995.

Baptist Men

Mr. Cletus Whitley

December 1993, a group of 6 men went to Florida and worked one week repairing homes that had been damaged by the storm, Andrew.

March 1994, a group of people from our association went to Boiling Springs (Gardner-Webb College) and worked with the Feeding Unit the last week in March to April 1st.

Easter Sunday the Feeding Unit was at Pleasant Grove Church for a walk through, show and tell. At that time there were 12 people signed up for the training session coming up in the near future.

April 15-16 our association was asked to join District 6 to go to Wilmington, NC to help with a training session and be a part of the Show and Tell display in the Azalea Festival. We were fortunate to have a group from our District #6 of 35 plus people.

On April 15 our group prepared an evening meal and served over 200. We carried out a training session for the First Baptist Church, Carolina Beach, and its association.

April 22-23 we were asked to help with a training session at Caraway on the Feeding Unit. There was a show of all units, Feeding, water purifier, and recovery trailer.

June 25 shared at Campbell University at the Demonstration Farm for third world countries field day.

On July 17-18 we were asked to take a load of cleaning supplies to Columbus, GA.

July 25-29 our association, along with others in District #6 were asked to go to Georgia to work with the feeding unit at Sunny Side Baptist Church, feeding 700 meals a day.

On August 4, 5, 6 we were asked to go with District #6 to Georgia on a work recovery and mud-out.

September 6-10 we were asked to go back to Georgia to work on recovery of a church that had been damaged by the flood.

Christian Social Ministries

Rev. Joe D. Smith

Although the social ministries have not been very active this year, we still have plans to organize our churches into zones or regions that will enable to more effectively identify and meet the needs of the people in our churches and communities.

Though the Christian Social Ministries did not lead in the effort, we did learn what the people of Stanly County can do as they unify their efforts for a common cause. This was exemplified by the defeat of the alcohol referendum this year. You are encouraged to take note of those businesses that support and promote abortion, homosexuality, violence, the belittlement of Christians, and the destruction of family values on the airways and withdraw your support of those businesses. By this, our voice can still be heard, and we can let our "light" shine in our dark world.

May the Lord continue to bless you in all that you are doing for Him.

Counseling Center

Rev. Harold McDonald

The Stanly Baptist Counseling Center had a good year in 1993-94 and continues to provide an excellent ministry to the people of Stanly County. Gary McFarland is providing a conscientious and effective counseling ministry to those who utilize his services. Out of an available 285 hours during the past year, Gary had filled 245 hours. A number of the unused hours were "no shows" and did not represent *unused* hours in the truest sense of the word. Gary McFarland spoke to the Executive Committee of the Association at the summer session and answered any questions of those present.

The Stanly Baptist Association continues to provide a quality Christian counseling service at minimal cost to those using that service. Pastors in our Association are encouraged to recommend the Counseling Center to any they feel might benefit from the services.

It is hoped and expected that the Counseling Center will continue to provide such high quality services to our Association for many years to come.

Director of Missions

Rev. Mac Keck

During the 1993-1994 Association year, much has taken place and it would be impossible to report all of it in a one page article. Much that is positive is happening in Stanly Baptist Association. For instance our approved budget for the 1993-1994 year totaled $103,993.00. Thanks to you, our churches, our total offerings for the year amounted to $107,959.55. You have given more this year to the Association than ever before and this will enable the Association do some things that it could not do otherwise.

For instance, because you helped to build up the money on hand we were able to approve $7,500.00 to aid mission volunteers who were willing to give of their time to lend a hand to those in other parts of this country or world. Through September you gave aid to nine people at a cost of $3,684.00 (up to one/third of cost) to go to Romania, Brazil and Alaska. There are still funds available for others who meet the guidelines for assistance.

Some other things that we were able to do because of your generous giving: In co-operation with our neighbors on Hedge Road we were able to get Hedge Road paved, along with repaving our parking lot and marking the parking spaces at a cost of $8,309.47. A video projector capable of projecting up to a 100" diagonal image was purchased for use by our churches at a cost of $2,545.89. We invite you to make use of this projector in your church along with the many videos the Association has in its media library. Some of these are evangelistic movie type — some for youth and/or children — some are discipleship training teaching type such as "Experiencing God", "Fresh Encounter", "Step by Step Through the Old Testament and New Testament" — Leon Kilbreth's tapes on Sunday School and many others.

During the year we were able to put together and adopt some guidelines for use of: Building, Equipment, Resources, Music, Volunteer Mission Fund, and Budgeted amount for each Director of each Organization of the Association. We would urge each person or church to refer to these guidelines as they make use of any of those things mentioned.

As I was informed of the proposed Alcohol vote I was able to schedule the first meetings which resulted in the selection of officers of the Citizens For a Drug Free Community Organization which was very instrumental in defeating the proposed ABC Store and beer and wine in the local stores.

Also during this past year the Association has started some opportunities for fellowship for our pastors. One is a pastors' preaching fellowship where preaching, singing and prayer take place among some of our pastors once a month. The other is a time of fellowship and physical exercise scheduled once a month in the form of a golf outing. Coming soon a golf Christian ministry.

Discipleship Training

Rev. Tony Bradley

There are many programs in Discipleship Training besides the on-going program. The use of the Equipping Centers is encouraged. The subjects are quite varied, and they are available from the Associational Center.

One area we can see grow is the Bible Drill for children and for youth. The purpose is just about the same in both areas: "The purpose of the Children's Bible Drill is to help children increase in knowledge of the Bible, develop skills in effectively handling the Bible, and begin developing memory skills." This is for children grades 4, 5, and 6.

"The Youth Bible Drill is designed to assist youth, grades 7-9, in developing useful skills and knowledge of the Bible, as well as poise and self-confidence. By participating in the drill, youth learn to find books of the Bible, locate Scripture references, identify selected verses from given clues, and use Scripture references to document Baptist beliefs and ethical conviction."

Another choice is the Youth Speakers' Tournament. "This is designed to stimulate growth toward Christian maturity by asking youth to think seriously about their Christian commitment. Participation in the tournament also assists youth in developing skill and confidence in expressing their commitment verbally."

This past year four of our churches participated in Bible Drill:

Barbee's Grove (children) *Joy King, *Aaron Honey, and Rebecca Smith.

Centerview (children) *Jamie Owen, Chris Russell, *Hallie Thomas, *Stephen Vaughn, *Jennifer Wilder. (youth) Chris Nash and *Allison Thomas.

Highland (children) *Emily Cranford, *Kyle Efird, *Jessica Lewis, *Amber Carter, and *Jessica Pazur.

Kinza Memorial (children) Candy Barbee and Meredith Jolly.

*State Winners

If your church would like to participate, please call the Associational Center for information.

Evangelism

Dr. Kinney Wallace

"Here"s Hope, Share Jesus Now" is the theme for the 1995 Simultaneous Revival efforts that is now being focused upon throughout the Southern Baptist Convention, State Baptist Convention, and the Stanly Baptist Association. This particular Evangelistic effort is different than most that we as Southern Baptists are involved in because the focus is on personal witness which involves every church member and at least 10% of the Church Sunday School enrollment. The challenge for us is that at least 10% of our Sunday School enrollment will commit themselves to attempt to share Christ with at least one person per day for sixty days.

Someone said, "It is not right to request people to witness when they have not been trained to do so." Now we will have the opportunity to learn how. There will be training for soul winners on November 21, 1994 from 7:00-9:30 P.M. at the

Anderson Grove Baptist Church, and a WIN school January 22-24, 1995 from 7:00-9:00 P.M. at First Baptist Church, Locust. The days of witness emphasis are January 9 through March 9, 1995. The Harvest Revivals are set for April 2-9, 1995 for the Piedmont area. On November 29, 1994 at 7:00 P.M. there will be a Musical Drama concerning Spiritual Awakening and Revival for all of Stanly County Baptist Churches. The time has come for us to allow God to "Bring Back The Glory"! We look forward to a great year of witness and soul winning during 1995!

May God who is the author and finisher of our faith grant to us Spiritual Revival throughout the land. (2 Chronicles 7:14)

Executive Committee

Rev. Gary A. Hunsucker

The Executive Committee of the Stanly Baptist Association met in January, March, April, July, and September to conduct the business of the Association. The main item of consideration in January, 1994 was discussion and action concerning the Liquor, Beer, and Wine referendum that was put before the City of Albemarle. Due to the Biblical teachings of the evils of alcohol, the Association approved a resolution opposing this referendum, and also contributed $5,000.00 toward the campaign to defeat this referendum. Pastors and churches were encouraged to come together to work to defeat this evil to our society. Due to the prayers and dedication of the leaders of our churches, the liquor vote was defeated. Another item that was of great concern as the Executive Committee began the year was the promotion of the "Here's Hope, Share Jesus Now" campaign.

In the March meeting, the Executive Committee approved the resurfacing of the parking lot at a cost of $5,652.00. The Association was also requested to share in the cost with the property owners of paving the street shared by the Association and property owners.

In April, the Executive Committee approved the purchase of a video projector. Guidelines for using the Association's equipment and resources were also established. Also guidelines for the Missions Fund was discussed and changed requiring contributions from person or persons receiving assistance.

In July, the Executive Committee considered the sad business of the disbanding of a church which was in fellowship with the Association and the removal of that church from fellowship in the Association.

In the September meeting, a Disaster Relief Fund was considered to assist in purchasing and supporting a Disaster Clean-up Unit for the disaster ministry of the North Carolina Baptist Men.

In addition to the items of business the Executive Committee received reports from directors of the Stanly Baptist Association and promoted each one's emphasis. The main items of interest for one year are "Here's Hope, Share Jesus Now" and "Bring Back the Glory". The Executive Committee also had prayer calling on the help of our Holy God to intervene with His Grace in many prayer requests.

Foreign Mission Board

Rev. Doland Humphries

On June 14, 1993, Jerry A. Rankin was elected as the 10th President of the Foreign Mission Board of the Southern Baptist Convention. Rankin and his wife served the Lord, through the Foreign Mission Board, for 23 years as Foreign Missionaries.

He comes to the Presidency of the Foreign Mission Board during a year of

record setting growth overseas. As reported in our Associational Annual of 1993, baptisms set a new record of 251,901 ... this year a new high of 262,758 baptisms were reported. New records were set in all areas of reporting with new church growth of 2,019 churches organized this year and 25,327 preaching points established. All this in addition to the 35,188 established churches.

This was also a record setting year in missionaries on the field with 3,954 as an additional 488 new missionaries were commissioned for the year. The Mission Board is involved in work in 176 different countries and is actively pursuing the goal of reaching our world with the gospel of our Lord, Jesus Christ. The program of Evangelism and Church Development in Foreign Countries has experienced growth of record proportions since 1988. The years prior to 1988, it has been in the 7-8% range ... doubling in activity and growth. THE FOREIGN MISSIONS PROGRAM OF THE SOUTHERN BAPTIST CONVENTION IS INDEED VERY ACTIVE, HEALTHY AND GROWING!

The Programs of Christian Leadership (Discipling), Media Ministry, Health Care and Human Need Ministry and Disaster Aid are all set within the framework of establishing healthy indigenous churches and reaching souls for the glory of God. Because of these and other things, we are seeing record numbers of volunteers, career missionary appointments and overall renewed interest in missions around the world. You can have confidence in the capable leadership within our Foreign Missions Board as we, together, seek to share our faith in Jesus Christ around the world through this avenue God has provided us.

General Board

Dr. Ronald Russell

The General Board of the Baptist State Convention of North Carolina is literally the "Convention between annual meetings of the Convention", conducting business for the state-wide denomination in all matters except those specifically exempted by the constitution. The General Board is elected by the Baptist State Convention in annual session upon the recommendation of the Committee on Nominations or nominations from the Convention floor: The 108 members come from the 80 associations and 10 geographical regions.

The Executive Committee is to the General Board what the General Board is to the Baptist State Convention in that it acts for the General Board between meetings. The General Board meets three times a year and the Executive Committee meets monthly.

Some of the business conducted by the General Board included:

*heard partnership reports from New York, Poland, and the Ukraine.

*recognized Ruth Williams for 28 years of service.

*affirmed a recommendation from a Seminary Study Committee to allow funds to be designated for scholarships for North Carolina students attending Mid-America Seminary.

*approved the election of Randy K. Kilby as President of Fruitland Institute.

*adopted a statement called "Cooperation Through Autonomy" which expressed disapproval of the recent firing of Russell Dilday at Southwestern Seminary and other actions. The statement then reaffirmed our commitment to cooperation through autonomy in serving Christ.

*approved a motion to express appreciation to Dan Blue, Speaker of the North Carolina House of Representatives, for his undying opposition to a state lottery.

*heard a May 15 report that Cooperative Program budget receipts are 2.3% below budget but foreign missions and home missions receipts were up 24% and 11% respectively.

Home Mission Board

Dr. James D. Tucker

Through sacrificial giving of Southern Baptist churches, the annual Annie Armstrong Easter Offering totaled $36.31 million. One hundred percent of this offering goes to support the work of home missionaries in the field. Only 36% of the Home Mission Board's income comes from the Cooperative Program.

At the end of last year, 4,882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. Some 2,300 chaplains served in many different roles such as health care, institutions, business, military and pastoral-care and more than 1,700 volunteers served in the Mission Service Corps. More than four churches per day were started during the year, and there were 349,073 baptisms. All this was made possible through the hard work of our Home Mission Board.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries: The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.

Church Loans: Approximately 1,056 churches had active loans totaling $131.1 million. The Church Loans Division closed 120 church loans totaling $32 million including $3.8 million of refinancing.

Language Missions: Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Evangelism: During Crossover Houston, the Mass Evangelism Dept. coordinated 35 street evangelism events, 25 block parties, 9 evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Dept. produced and shipped materials for "Here's Hope, Share Jesus Now". This emphasis will include 60 Days of Soul-Winning (January 9-March 9, 1995).

Volunteers: More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long-and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest.

Church Evangelism Development: Over 1 million teens participated in "See You At the Pole", gathering at their flagpoles to pray for schools in our nation.

Administration: The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

Music

Rev. Justin Hill

Music in an important part of Christian worship and those who serve in the music ministry of the church play a vital role as worship leaders. Often it is said that "good music prepares for the sermon". Actually music (with text) stands alongside the sermon, enhancing and often adding emphasis to points made in the spoken message. Words faithful to the Scriptures when set to music can involve the emotions, intellect and spirit in a way that spoken words never do.

Our association provides a music program to assist the music directors and

instrumentalists of the churches. The purpose is to provide fellowship, leadership training, and inform regarding resources. Excellent training opportunities are offered at Ridgecrest and Caraway for directors, choir members, and instrumentalists. Special conferences for those who serve in small churches are being offered frequently.

We encourage churches to exchange music on a loan basis, especially with cantatas as this is good stewardship of our resources. Hosting combined choir concerts is another way to provide fellowship and enjoy singing praises to God, using music that would be too difficult for one choir by itself.

The director has enlisted the musicians for the associational meetings, held a training session for the Here's Hope Revival preparation and assisted in a practice with a men's ensemble at West Oakboro upon invitation.

"Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God." Colossians 3:16

Ordination Advisory Counsel

Dr. M. Doyle Holder

The Ordination Advisory Council of the Stanly Baptist Association had the privilege of examining four candidates for ordination. By request of the First Baptist Church of Locust, we examined Mr. Keith Austin on Sunday afternoon, December 5. Keith had received a call as pastor to the Berea Baptist Church.

On Wednesday morning, December 15, at the request of First Baptist Church of Oakboro, we examined Mr. Joe Davis, who had been called as pastor of the Rocky Mount Baptist Church in Anson County. On Thursday evening, January 13, at the request of the First Baptist Church of New London, we examined Mr. Tim Swaringen, who had received a call as associate pastor of the Oak Grove Baptist Church. On Sunday afternoon, May 1, at the request of the Pleasant Grove Baptist Church, we examined Mr. Tab Whitley, who had been called as the interim pastor of the Silver Springs Baptist Church.

Each of these men were examined concerning their conversion, call, commitment to Scripture, and concept of ministry. Each was also examined concerning doctrinal issues and their cooperative spirit as Southern Baptist pastor.

Each candidate was unanimously recommended for ordination by our council. Pray for each of these men as they continue to pursue God's will through the ministry of Christ and His glorious Church.

Prayer Committee

Dr. Kinney L. Wallace

Prayer is the wonderful opportunity that God has given unto us to enter into the Holy of Holies in heaven, into His very Divine presence and talk to Him as a son or daughter. How marvelous and wonderful this "Divine Access" is to us. However, it seems that so few take real advantage of this privilege. Prayer is the power that moves God into action on behalf of the believer in Christ. We must pray more. We must cry out to God until heaven has been moved and earth has been changed.

The Prayer Committee of the Stanly Baptist Association has been meeting once per month throughout this year. They have been praying for all the needs and leaders of our Association, Churches, Pastors, etc. Special emphasis has been given to Spiritual Awakening and Revival.

Each Church of the Association has been encouraged to appoint a Prayer Committee within their local congregation and pray on a continual basis. The

responsibility of these Committees is to get the congregation of the local church on their knees in prayer for their local Church, the Association, our Conventions, the lost, our Pastors, Churches, etc. Remember, Jeremiah 33:3

"Call to Me, and I will answer you,
and show you great and mighty things,
which you do not know."

Senior Adults

Rev. David R. Troutman

Aging is a natural part of life. It's like one spoke in a wagon wheel. It's a part of the totality of who we are. As the wheel moves forward so we move forward through life. Aging is the turning of the wheel, the gradual fulfillment of the life cycle that the writer of Ecclesiastes spoke of. It can't be hidden or denied but rather accepted, faced and celebrated.

According to 1993 demographic information 10,276 Stanly Countians have reached the age of 60; that's 21% of our total population. A total of 799 of us are 85 years of age or older joining the fastest growing segment of America's population. Most Stanly County seniors are women (58.5%), live outside the limits of a city or town (62%), and live in households with other family members (51%).

The goal of our Senior Adult ministry must continue to be to assist our older adults to face the challenges in their unique stage of life and realize their fullest potential.

State Missions

Most of the North Carolina Missions Offering supports projects in the 80 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state mission programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Stanly Association automatically received 10 percent of the 1993 special offering collected in the association. Last year (1993) $3,509.40 of the $35,093.97 collected from 39 of the association's 61 churches and missions (listed below) was sent back to the association.

In addition to the money sent directly to the association, $215.00 was used in 1993 to finance a bivocational ministers' conference in the association.

The North Carolina Missions Offering also supports N.C. Woman's Missionary Union, N.C. Baptist Men (Brotherhood), Youth and Campus Ministries, and N.C. Baptist Assembly (Caswell). The number of individuals in the Stanly Association who participated in these programs in 1993 includes:

13 Boys to Camp Caraway
41 Girls to Camp Mundo Vista
123 Guests at Caswell

The following churches in the Stanly Association gave to the 1993 special offering:

Stewardship

Rev. Ronnie Vaughn

The Stewardship Committee would like to thank each member church of the Stanly Baptist Association for their participation in providing for effective work for Christ in Stanly County.

Each budget request that has been presented to this committee has been prayerfully considered before the proposed budget was presented to the Executive Committee during their July meeting.

We have sought to carry out the work of Christ in the area of stewardship by insuring that each area of consideration be sufficiently funded for the goals they have for the coming year.

The 1994-95 budget represents an increase of slightly over 2.00% or $2,151.00 above last year's budget.

We would like to thank each participating church for your vision giving. We would like each church to consider prayerfully this much needed area of the Southern Baptist work. Those who share the vision share the responsibility.

God bless you as you reach the world for Christ.

Sunday School

Rev. Burley W. Moore

The desire of every congregation should be to grow in the Word of God and the desire of every pastor should be to spiritually feed the flock of God so they can become strong witnesses for Christ. An excellent way to help equip believers for their mission is through the Sunday School. God's people should be making a difference in the world for the glory of God, but to do so requires spiritual growth in the Word of God.

"Serve to Win" has been the 1993-94 BREAKTHROUGH theme. This past year has been very eventful for the Sunday School efforts within our association. Due to bad weather, the Assistraining Institute in Cary was canceled in February and rescheduled for March. Three of our ASSISTeam members attended the makeup session. An Associational-Wide Sunday School Rally was conducted on March 28-29, 1994, at the Anderson Grove Baptist Church. It was held nightly from 7:00-9:00 PM and was led by Leon Kilbreth, known throughout the nation as "Mr. Sunday School". Special music was provided by Herb Meadows. Attendance for the rally was excellent. A total of 185 people were present on Monday night and 190 on Tuesday night.

A Great Commission Breakthrough Awareness Meeting, led by Lee Proctor, was conducted at the Centerview Baptist Church on April 12, 1994, with a total of 11 in attendance. On April 26, 1994, the annual Vacation Bible School Clinic met at Anderson Grove Baptist Church with 111 present.

Joining efforts with the Baptist State Convention and the Baptist Sunday School Board, our association helped to sponsor a Church Growth Conference, August 22, 1994, which was hosted by the First Baptist Church, Albemarle. The seminar met from 2:00-8:45 PM and was led by J. Truman Brown, Jr., a retired senior consultant from the Church Administration Department of the Baptist

Sunday School Board in Nashville, TN. A total of 46 people were in attendance from surrounding counties with 10 of that number from our association.

Our annual Associational Training School, conducted by the Associational ASSISTeam, met at Oak Grove Baptist Church, September 12, 1994, from 7:00-9:00 PM. A total of 109 people attended, representing 24 different churches from within our association.

May God help us to use what we have learned this past year to be better witnesses for God's glory. Never forget, the Christian ministry is a spiritual work and all the accomplishments are due to the Holy Spirit. The Church belongs to Christ and the survival of it is dependent upon Him. Let's be usable in the hands of our Master and yield ourselves to His indwelling power so that He can use us to be a blessing to others.

Youth

Rev. Donnie Lovette

In 1993-94, youth from 19 Stanly Baptist Churches, came together for four Associational Youth Rallies. Host churches were Oakboro First Baptist, Oak Grove Baptist, Big Lick Baptist, and Bethel Baptist. At each rally, the host youth group served a menu of pizza, tacos, or ice cream, and prepared their facility for the rally. Our programs included group singing, Bible teaching, and testimonies. We also called the roll and awarded a trophy to the largest group in attendance. Our average was a good 112 youth and leaders.

I have been particularly blessed by the Christian spirit of our youth and their willingness to take part in ministering to all of us. Setting tables, singing, and performing Christian drama have been a part of the blessing I have received from our youth. I am excited as I realize that these are not just the leaders in our churches tomorrow, they are ministers today.

Volunteerism

From June 17th to the 27th, Rev. Jessie Dennis and two members, Mr. and Mrs. Dale King, of the Paul's Crossing Church participated in an exciting mission trip. They went to Romania with a group of 10 doctors, 20 nurses, 3 pastors, and 29 others helping with the medical clinics, witnessing, preaching, conducting Bible Schools, and Youth rallies.

The people would walk for miles to see the physician and have teeth extracted. Bible School was held at each clinic enrolling over 2,000 children. Each patient at the clinics was given a New Testament. Thus over 7,000 New Testaments were distributed, and over 6,000 decisions for Christ were made.

Financial support was given to obtain land to build a church in Medgidia, a village of over 30,000 people, with no church.

In June, three members of First Baptist Church Norwood, Oscar, Sandra, and Tara Blalock, served in Nova Odessa, Brazil. Time was spent in preparing and painting a church, doing evangelistic visits in homes, teaching children, and helping in revival services in the evenings.

In July, a group of 13 youth and 3 adults from West Albemarle Church participated in a cooperative effort with the sponsoring church, First Baptist Church Swansboro, N.C. Backyard Bible Clubs were held in two trailer parks. To prepare the group for this experience, they held a Backyard Bible Club at West Albemarle Church for neighborhood children where they had an enrollment of 14.

Dr. Doyle Holder, Paul and Karen Hinson, all from Bethel Church, left September 21st, for Kotzebue, Alaska to work with Sid and Marsha Martin. Dr.

Holder held revival in the First Baptist Church Kotzebue, Paul and Karen kept the nursery, as many of the natives attended. During the day they also worked on the church building, and installed speakers for a sound system.

In Ambler, one of the villages they visited, a service was held for the children and one for the adults. They also did some patch-up work on the church there.

They returned back home October 1st after an exciting trip to the most northern Baptist Church in the Southern Baptist Convention.

Woman's Missionary Union

Mrs. Mary Schreppel

The 1993-94 WMU emphasis is SERVE IN CHRIST'S NAME. This has been a good year for WMU. We've accomplished a lot, but there is much more to be done. Our goal is to reach the lost, meet needs and support missions.

The Stanly Baptist Association received the distinguished WMU award again this year. Two scholarships were awarded this year. The recipients were Erica Simpson from Silver Springs Church and Amy Teeter from Locust First. The WMU Annual Session was held at Mission Church. Beth McDonald spoke on the renovation and needs at Mundo Vista. June Cooper, missionary to Japan, shared her experiences during the many years she served on the mission field. The WMU Workshop was held at Grace Church. A special meeting for the Directors was held August 4th to introduce the changes coming up next year.

Serving as Associational Director has been exciting and rewarding this year. Having attended the Key Leadership Conference at Caswell and the WMU Workshop at Caraway prepared me for the year's activities. I had the opportunity to share the role of WMU at three churches during focus week. I spoke at two churches for Baptist Women's Day, and visited four churches for regular WMU Meetings. I re-organized one group and recently did the WMU Installation Service at two churches. I can see how fortunate Stanly County is to have such dedicated and willing workers. May we continue to grow in WMU involvement as we SERVE IN CHRIST'S NAME.

Annuity Board

Rev. Harold L. McDonald

The Annuity Board serves well the ministers and other eligible staff members in their health and retirement needs. The Personal Security Program offers up-to-date insurance products to protect against life's uneven course. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of Medical Plans.

More than 22,000 church and associational staff members participate in the Term Life Plan while nearly 20,000 Southern Baptist church and associational workers enjoy the protection the medical plans provide. At the end of May 1994, a total of 36,075 participants serving 20,131 churches and associations were active in the Church Annuity Plan.

The mission of the Annuity Board remains unchanged — it exists *to serve those who serve the Lord.*

Biblical Recorder

Rev. Phillip Hunter

The Biblical Recorder was founded by Thomas Meredith in 1833. His purpose was to keep North Carolina Baptists informed of events taking place among Baptists in North Carolina and other places. The Biblical Recorder's

motto, "Write the vision and make it plain ..." Habakkuk 2:2 reminds us of that purpose. The rapid changes taking place in our world have produced distorted values, violence, threats, uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must face these issues and help others make decisions regarding them before we lose our opportunity forever. We must not squander our heritage from yesterday and our mission for tomorrow. These issues can only be addressed with correct and reliable information. People are reading less than any time in recent history. It is true of secular publications, of wholesome books, and religious publications as well. We live in an electronic age where many people find the answers to their questions, and all questions for that matter, in "60-second sound bites" of television and radio newscasts.

An informed Baptist is a better Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency that makes decisions based upon accurate information from reliable sources. Let the Biblical Recorder be part of that source of information for you.

Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve North Carolina Baptists with accurate and helpful information delivered to their homes and churches. We need your help! In order to save churches large amounts of money and to increase the readership of the Biblical Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

In addition to CNS, there are three other subscription programs for the Biblical Recorder available to the Baptists of North Carolina. An individual subscription to the Biblical Recorder costs $8.48 a year. Church Club subscriptions cost $7.42 a year. And, the Every Home Plan subscription rate is $6.36 a year. You can obtain additional information on Biblical Recorder subscriptions by calling 919-847-2127/2128.

The Biblical Recorder offers North Carolina's Baptists news, features, and inspirational articles that will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. That is why the Biblical Recorder was born; that is why it serves today.

Christian Life and Action

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The $300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that N.C. is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, N.C. is the only state in the traditional Bible belt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their bill of goods" to the members of the N.C. General Assembly.

Is there any way to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994!

The legislature has adjourned — the members have gone home — the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical

responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; N.C. Baptist Men; and Woman's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful $140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

Christian Literature

Rev. Burley W. Moore

Many changes have recently been made in various publications of our Southern Baptist Convention. Changes in design and format have been most noticeable. Even more changes are forthcoming this next year from the Sunday School Board in literature for all age divisions.

An attempt is being made by the BSSB to reduce the production time and address more relevant and timely topics. The goal is to provide materials that offer both the Biblical and doctrinal integrity that churches expect.

Our churches need to take advantage of the different pieces of literature available to us and use them in meeting our individual and church-wide needs. But, in so doing, we must never neglect the greatest piece of literature of all time, **THE WORD OF GOD**. Every other piece of literature should be seen as only a "tool" in helping us learn more of what "thus saith the Lord". While changes are being made in our literature, the Bible is a changeless and dependable Book for believers of all ages. The Written Word reveals to us the Living Word. May I recommend that we get in it, stay in it, believe it, apply it, and practice it!

Baptist Children's Homes of North Carolina

Rev. Max Vanderburg

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880's, and every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 Baptist Children's Homes served 1,469 young people and their families. Probably an all-time high.

Through services provided at 13 facilities statewide, Baptist Children's Homes offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care, and behavioral change.

Through the Cooperative Program, church budgets, and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million dollars necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations, and individual gifts.

A significant source of help comes from individuals who remember the Children's Homes, and the children it serves, in their estate planning.

Many young people need the Baptist Children's Homes. Thankfully, many Baptists adults are committed to providing their needs, for Jesus' sake.

Baptist Hospital

Rev. William P. Myers

Founded in 1922, the Baptist Hospital is a missionary ministry providing quality health care at affordable prices. With 15 to 35 Chaplains serving at various times, 58,747 ministries were provided to patients and families. The Pastoral Counseling Division, which operates 12 counseling centers across the state, provided 26,716 hours of counseling last year. These ministries were supported by mission gifts from the Cooperative Program.

Last year, Baptists gave $425,734 in our annual Mother's Day offering. All of these funds went toward relieving the financial burden of patients with little or no health insurance and no financial means to support their medical care.

A comparison between the average charges at other state academic medical centers with Baptist Hospital shows charges at Baptist Hospital are 21% lower. Rate increases, based on the Consumer Price Index, for other hospitals averaged 8.9% over the past 2 years, but such increases were held to 1.8% at Baptist Hospital.

Baptist Hospital has also developed a "Managed Care Insurance Plan" which offers affordable quality health care while allowing the insured person freedom of choice among service providers. This plan will be opened for public enrollment beginning in January, 1995.

The Nursing Center at Oak Summit opened its 170 bed facility in July, 1993, with 4 levels of care and is one of a very few facilities that provides for ventilator-dependent patients.

The J. Paul Sticht Center will provide 128 beds for a geriatric day hospital and aid in transition from hospital to home. Completion is targeted for 1996.

Continued participation with Bowman Gray School of Medicine enables Baptist Hospital to provide highest quality research, education and patient care.

We can take great pride in the ministry of Baptist Hospital.

Baptist Retirement Homes

Rev. Howard Benoy

Baptist Retirement Homes have a 43 year history, and it is going to be one of the greatest years ever, because of the wonderful support given by the North Carolina Baptists. Below are some highlights from the year:

Because Baptist Retirement Homes care for the spiritual well-being of the residents, W. Paul Riggs was hired to serve as Chaplain of the Prince Nursing Care Center in Winston-Salem and Rickman Nursing Care Center in Asheville.

Reaffirming its commitment that retirement should be a "step-up" for an Older Adult, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. By mid 1995, when the renovation of the Hamilton Home will be complete, all of the Baptist Retirement facilities will be "State-of-the-Art,"

A special small group approach to the care for institutionalized Older Adults suffering from dementia (47% of the "oldest old" in North Carolina suffer from some form of dementia) was instituted at the Prince Nursing Care Center in Winston-Salem.

To provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation.

Also, nursing services was expanded to include an additional 100 Older Adults (80% who lack sufficient financial resources to pay for the services they receive).

Thank you, North Carolina Baptists, for your love and support.

Higher Christian Education

Rev. Phillip Hunter

Southern Baptists in North Carolina hold to the belief that God calls people to their life's work. As we engage in our life's work, the opportunity for ministry also opens up to us. North Carolina's Southern Baptists believe that there is a Christian ministry involved in helping individuals prepare themselves for their lifes' work and ministries. That ministry has become more important as we face an ever increasingly complex world. That ministry has been and is realized in the work and ministries of the Universities and Colleges supported by the State Baptist Convention of North Carolina.

These are Institutions of which we can be proud: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, and Wingate College. There is an especially warm relationship between these Institutions and the Southern Baptists of North Carolina.

The Council on Christian Higher Education is the body that relates North Carolina's Southern Baptists to the Universities and Colleges of the State Baptist Convention of North Carolina. Founded on 17 November 1943, the Council on Christian Higher Education spoke a lot, in those early days, about World War II and its effects upon churches, communities, the colleges and Baptist work in general.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

The Council on Christian Higher Education succeeded in meeting that aim. The times and our world may have changed, but one thing remains the same. Individuals must continue to prepare themselves to take their places in the workplace. We can be certain that the Council on Christian Higher Education will continue to relate those needs to the Universities and Colleges and the churches of the State Baptist Convention of North Carolina. Let us continue to support our Universities and Colleges as they strive to provide that preparation within a Christian setting. And, let us also thank God for our Council on Christian Higher Education, celebrating its 50th Anniversary in 1994, as it ministers to the colleges, universities, and churches of the State Baptist Convention of North Carolina.

North Carolina Baptist Foundation, Inc.

With the 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in Western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, NC 27511, telephone 919-380-7334.

ARCHIE G. CREE

Archie G. Cree

August 10,1902- March 3, 1995

Arch Cree exemplified Christian traits at Wingate College in 1927 and 1928, as a member of the volunteer group and a leader on campus.

He was active in the work around Newport News, speaking in churches and teaching study courses. He married in 1930.

After many years Arch moved to Albemarle. There the Stanly Baptist Association asked him to become their second Associational Missionary. He was very happy since his heart had been in religious work all along.

He served three other Associations as Director: Flat River, Oxford, NC; Columbus in Whiteville, NC; and Union, located in Monroe.

Arch never thought highly of himself, but wanted others to have the honors. His motto was, "God first, others second, and self third."

PAUL'S CROSSING BAPTIST CHURCH

History of Paul's Crossing Baptist Church

After several revivals were held in the Paul's Crossing community, under brush arbors, with Paul Thompson preaching, and Mr. Bert Vanhoy leading the music, a Baptist church began.

Paul's Crossing Baptist Church was organized on Sunday afternoon, May 28, 1933, when the pastor of South China Grove Baptist Church, Rev. W. B. Hopkins, with his deasons, Mr. A. M. Lear, E. C. Carswell, G. R. Schrouvice, G. L. Caldwell, Rev. A. B. Cranford, and others met in the home of brother Paul Thompson. The Missionary Baptist Church Articles of Faith were read and adopted. Paul Thompson, Nola Thompson, F. H. Hartsall, Lela Hartsell, B. R. Smith, Elmer Smith, J. P. Whitley, and Maggie Whitley were the charter members of this church.

Paul Thompson donated land for the church building. In 1965 the present building was built, and on March 10, 1974, a note burning and dedication service was observed.

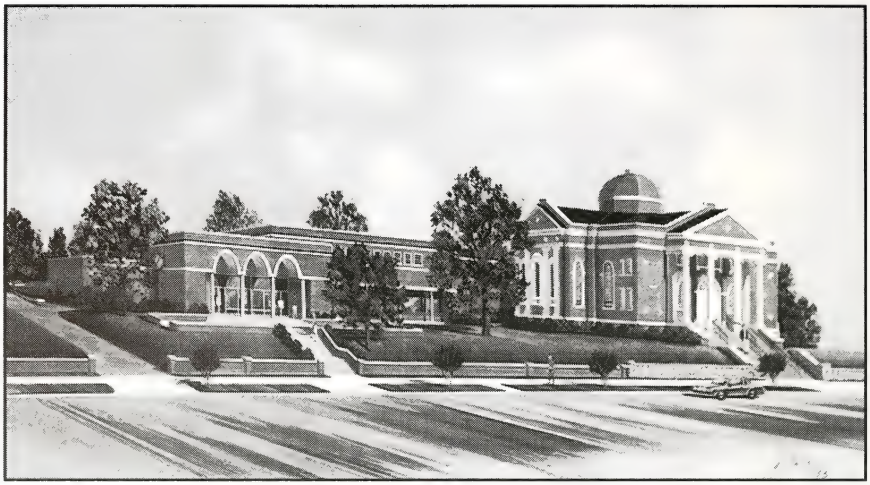
In the spring of 1983 the parsonage was built, and was debt free upon completion. In 1989, the Rev. Sam J. Lesley Educational wing was completed and dedicated, and in 1992 this building was debt free. A Fellowship Hall was begun in 1993 and dedicated on January 2, 1994.

In June of 1994, the church sent the Pastor, Rev. Jessie R. Dennis and 2 members to Constansa, Romania, on a Medical-Evangelism trip. Over 6500 decisions were made, and over 5,000 were treated for various medical problems. During June of 1995, the Pastor and wife, and 3 church members, were among 62 people in a Medical-Evangelism mission project to Brasov, Romania.

Our church was received into the Stanly Baptist Association in 1935 with a membership of 28. A Sunday school has been reported since 1935, with the present enrollment of 177.

The church has 2 members ordained as Baptist pastors: Rev. Terry Burris and Rev. Roger Crisco.

A new vision of Home and Foreign Missions has prevailed in recent years, and new ministries have emerged in and through the members and pastor of the church!



FIRST BAPTIST CHURCH ALBEMARLE

History of First Baptist Church Albemarle

The history of First Baptist Church begins in the spring of 1888 with six members meeting in the old, log courthouse with J. M. Bennett of Palmerville serving as pastor. The charter members were Mrs. Sidney Austin, Mr. and Mrs. H. J. Pennington, Mr. and Mrs. Davis Sego and Ephram Burris. John Suttle was pastor when the church moved into its first building around 1892. J. H. McKaughan was pastor at the turn of the century. Membership then was over 200.

The church moved to its current location at the corner of Second and North Streets in 1919 when the sanctuary building was finished. A new 41-rank pipe organ replaced the original one when the sanctuary was remodeled in 1975. The education building was built in the early 1950's. The Fellowship Hall was completed in 1985 as the first part of a long-range building and renovation program. The program was completed in 1993 with the addition of the administration and music building and the renovation of the existing education building.

Since moving to its current location, some pastors of First Baptist Church have been Q. C. Davis (1918-1925), W. J. Bradley (1937-1949), Boyce Brooks (1950-1956) and T. L. Cashwell (1958-1964). Harold McDonald has been the pastor for more than 21 years. In 1976 the church ordained Charles Swanner, a teacher who was called into vocational ministry while a member of the church. In 1984 he and his wife Mary were appointed by the Foreign Mission Board to work in Uruguay.

Local ministry work currently includes conducting worship services for campers at Morrow Mountain State Park during the summer, support of the Stanly Community Christian Ministries, Habitat for Humanity, the Albemarle Youth Prayer Breakfast, the Community Thanksgiving Service, Meals on Wheels delivery, ongoing work at the Lutheran Home as well as the Taylor House, and dinner and Bible Study at the Albemarle Hotel. This past summer, some youth participated in World Changers, a mission-service project of the Brotherhood Commission.

Presently serving along with Pastor McDonald are Robert Dixon, associate pastor of education and administration; Steve Byers, associate pastor of music and youth; Marilyn Easley, church secretary; Wayne Burleson, custodian; Rae Tucciarone, organist; Sandra Stone, financial secretary; Brenda McRae, food service director; and Estelle Meigs, food service assistant.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following Bylaws. Nothing in these Bylaws shall permit the Association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

This Association is Southern Baptist and insofar as is practical, it will cooperate with and support the Baptist State Convention and the Southern Baptist Convention.

ARTICLE I
NAME

Section 2. **Process for Receiving Affiliated Churches into Membership.**

A. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before

the Annual Meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relation to other churches of the Association and its willingness to abide by the charter and Bylaws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next Annual Meeting.

The Association meeting in session shall receive the recommendation and vote on the request of the church. A two-thirds majority vote of those present and voting shall be required for acceptance of full membership status. A two-thirds vote shall be required to approve any Associational Executive Committee recommendation in connection with this Article.

ARTICLE XVII

Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. Proceedings of the First Day's Session at

FIRST BAPTIST CHURCH ALBEMARLE

Tuesday, October 24, 1995

Theme: FULFILLING THE MISSION THE FAITH

1. The first session of the 111th Annual Session convened with the messengers and visitors singing, "Sweet, Sweet Spirit". The music for both days of the Annual Session will be from the music ministry of the Mission Baptist Church.
2. The devotion was led by Isaac Hicks, pastor of Fairview Church, reading from I Corinthians 2 — Unity in Christ. He then led in prayer.
3. The 111th Session was called to order by Larry Linker, Moderator and pastor of Big Lick Church.
4. Tab Whitley, Chairman of the Credentials Committee, made a motion that those who have registered and those who will register later would make up the 111th Annual Session of the Stanly Baptist Association. This was seconded and approved.
5. Ronnie Vaughn, Chairman of the Program Committee, made the motion that the program as printed be the guide for the sessions. Motion was seconded and approved.
6. Mac Keck made corrections and/or changes in the Book of Reports: On page 6 the date should be 1996 rather than 1995. On the report of the Disaster Relief Trailer fund, several more checks have come in, one for $160 and one for $225, making the total $8,006.51. On the Digest of Letters there are some discrepancies between the actual contributions to the Association and that listed on the Annual Church Profile. This could have happened because the check was received too late to be included in the money for this year.

   Rev. Keck then recognized pastors who have come to the Association since the last Annual Session: Les Schofield and his wife, Kathy, at Canton Church — Alan Gore and wife, Carol, East Albemarle Church — Gary Hoffman and wife, Shirley, at Norwood First — Rick Miller and wife, Debbie, at Prospect — Garry Baker and Betty at Red Cross — Dennis Helms and wife, Beverly, at Silver Springs — and Todd Tucker and wife, Judy, at Parker Memorial. Mike Ramsey is serving as Associate Pastor at West Albemarle.
7. The quartet from Mission Church: Amy Barbee, Koni Huneycutt, Kolis Moore, and Tony Benoy, sang, "I Have a Father Who Can", and "I Shall Wear A Crown".
8. Ronnie Vaughn, Vice Moderator and pastor of Centerview Church, introduced our guest speaker, Randy Kilby, President of Fruitland Baptist Bible Institute.
9. Scripture: Joshua 3:4-17. "Steps to Victory". Follow the Ark. We have not been this way before. We need to finish with Christ. Walk in special steps. Sanctify yourselves. Hear what God says. We need to get Scriptural before we become spiritual. We need God in our presence, and we need to know the supernational work of God.

10. Mac Keck called attention to the survey that had been handed out as the people came in. This is a survey to determine if we should change the time of our Annual Session.
11. Hymn, "When We Walk with the Lord", was sung.
12. Larry Linker made the announcement that he and his wife are proud grandparents to twin girls, born Sunday. His daughter, Alison and her husband are the proud parents.
13. Randy Berryhill, pastor at Kinza Memorial, made the motion to adopt the report of the Committee on Committees. This was seconded and approved.
14. During the business session Ronnie Vaughn made the motion to accept the Executive Committee report. This was seconded and approved.
15. Kinney Wallace, pastor of Locust First, and Associational Evangelism Director, made the motion to accept the Evangelism report. This was seconded and approved.
16. Motion made to approve the next three reports. Seconded and approved, which are: Prayer Committee, Treasurer, and Stewardship.
17. Mac Keck said that last year one motion was made to accept all reports for information as printed. Then the one who prepared the report would have the opportunity to speak to the report.

    He then spoke to the Prayer Committee report. About three years ago he had asked for permission to appoint a prayer committee to meet and pray specifically for the work of the Association. And to pray for Spiritual revival and awakening. In the report he made comment that people in the churches could begin a weekly prayer meeting to pray essentially for revival.
18. Miscellaneous Business:
    a. There may be questions about the new budget, if so, Sam Turner is our treasurer, and he would be glad to try to answer them.
    b. Dwight Mabry asked that page numbers of the reports be put on the program.
    c. The new budget was presented, vote will be Wednesday.
    d. Tom Mauldin asked if the Book of Reports could be sent to the churches at least 3 days before the meetings. The only way would be to change the meeting time of the Annual Session, as reports come in as close as two days before the meeting.
    e. Terry Seamon, pastor of Stanfield First and Associational Missions Dvelopment Council Director, has received a request from the Pregnancy Crisis Center for $1,000.00. The MDC has approved this. There was a second and it was approved.
    f. Terry Seamon made the recommendation that Community Baptist Church, Locust, be accepted under watchcare for one year. This church began in Cabarrus County and was in the Cabarrus Association, and now, due to location, would like to come into the Stanly Association. Motion was made, seconded and approved.

       The second church is the Harmony Baptist Church, Stanfield. Motion was made to accept, seconded and approved.
    g. Registration was given: 162 messengers, 23 pastors, 1 institutional member, total 186.
    h. Mac Keck had a letter from the BSC concerning proposed Partnership with Southern Africa. The cost will be approximately $2,000 per person. This will be a five-year partnership. Two trips have been planned: Nov. 27-Dec. 7 and Feb. 19-26. Motion was made that to enable our people to participate, we as an Association would be willing to become involved. This was seconded and approved.
    i. Two years ago the Association was asked to set aside funds to assist

mission volunteers. Mr. Keck asks that we again set aside $7,500 for a volunteer mission fund. New guidelines have been adopted to govern the use of these funds. Motion was made, seconded and approved.

j. Proposals for work to be done at the Associational Center. The building was painted about 5 years ago, and it will need it again. We have one quote on painting and several on covering the wood with vinyl. (This would be all the wood that can be covered, windows and door frames.) To do this would be approximately $4,000. It would be approximately $1,500 for just the painting. Motion was made to paint the wood around the windows and doors. This was seconded and approved.

The windows at the Associational Center have lost the seal therefore condensation and dust has settled between panes, and there is no way to clean them. We have quotes from Albemarle Glass Co. to replace the glass at $1,464. To replace the windows would be $6,436. Motion was made to replace the glass at approximately $1,500. Money would come from the General Funds. This was seconded and approved.

k. It has been about five years since we had a World Missions Conference. We need to think about planning for another one.

19. Agency Reports.
    a. Christian Education — Randy Berryhill. Motion, second, approved.
    b. Christian Literature — Motion, second, approved.
    c. Baptist Retirement Home — Motion, second, approved.
    d. Baptist Children's Home — Max Vandenburg. Motion, second, approved.
    e. Annuity Board — Ron Honeycutt. Motion, second, approved.
    f. Biblical Recorder — Phillip Hunter. Motion, second, approved.
    g. Baptist Foundation — Tony Bradley. Motion, second, approved.
    h. Baptist Hsopital. Motion, second, approved.

    Bill Yates spoke to the report. Expressed gratitude for all that has been done. He explained the symbol used by the hospital.

    The cross: all healing comes from God.

    The hands: our belief in the role of prayer means God's healing comes through human hands.

    Expressed gratitude for gifts through Cooperative Program, used in Pastoral Counseling Center.

    Gratitude for gifts through the Mother's Day Offering.

20. Hymn, "Let Others See Jesus in You".
21. Ronnie Vaughn serving as Moderator.
22. Collected surveys
23. Special music by Sharlina Honeycutt, "All Rise".
24. Ronnie Vaughn introduced Larry Linker, Moderator.
25. Moderator's Address. Larry Linker spoke on the concerns of the pastor. Scripture, Matthew 14:8. Rewards will wait until we are in the presence of God. Pastors have been in this situation (head on the platter). There was no apology to Herod. No one repented. Right living does not guarantee success. It is not our business to win gratitude. Our business is to see the right as God sees it. It is to deliver the message God gives.
26. Kinney Wallace led the Call to Prayer.
27. Harold McDonald led in thanksgiving and in giving directions.

THE FOCUS

28. Evening Session, with Ronnie Vaughn leading, convened at 7:00.
29. Hymn, "Praise Him! Praise Him!".

30. Business and programs.
    a. General Board, Ronny Russell, expressed thanks for the work of the State Convention, and other Board members — and for the privilege of being a member of the General Board. Motion was made to accept the written report, seconded and approved.
    b. Ronnie Vaughn expressed thanks to the two host churches, Albemarle First and Paul's Crossing.
    c. Director of Missions, Mac Keck — expressed appreciation for those things happening this year that are not the usual: Disaster Relief Trailer has been purchased. Backyard Bible Club was held at Hillview Mobile Home Park, near Kinza Memorial Church. We were involved in the Stanly County Fair. He expressed appreciation to the people for what has been done. He has given the balance of this time that three of our people could report on volunteer mission trips. Motion was made to accept the written report, seconded and approved.

    *Jessie Dennis, pastor at Paul's Crossing, mission trip to Romania. Worked in cities with population of over 700,000, and surrounding villages with 10,000 to 30,000. There would be one or no Baptist Churches in these villages. The leader, Dr. Joe Craig, has led the Medical-Evangelism team on 82 trips into 39 countries. This past year 62 people were involved in the trip. While waiting in line for medical help, there was the opportunity of one on one witnessing. There was at least 1,500 decisions made for Christ during the time the team was in Brasov. The power of God was truly there instilling peace, love, and joy in the hearts of the people. In 1994 three people from Paul's Crossing Church were involved in the trip. In 1995 four volunteered to go, and there are already seven enlisted to go in 1996.

    *Jon Hoey, pastor of South Albemarle Church, mission trip to St. Lucia. In the last 15 years he has used his vacation time to go on 100 mission trips, taking a group with him each time. From each mission trip there has been at least one person who has become involved in full-time ministry. The team goes in three ways: Physical — through construction work; Social — getting to know people in a third world country; Spiritual — through Vacation Bible School. 80% of the people are Catholic, and just about all the children can recite John 3:16, but they do not understand they need a personal relationship with Jesus. We had permission to go into the local schools. We were able to hand out tracts to receptive people. In the evenings we held Evangelistic Crusades. If you would like to participate in a mission trip, do not let finances hold you back. The Lord will provide a way if you feel led to go.

    *Ruby Benge, an Acteen leader and a member of Philadelphia Church. A team of Activators, 8 girls and 4 leaders, from Bethel, Locust First, and Philadelphia Churches were involved. They were supposed to work with the missionary there, Max Maloon, but never actually saw him. They did work with the pastor of Indian Baptist Church, Woodward. Woodward is an agricultural area. Population was 14,000 and 250 Native Americans. The mission was begun in 1987, and is owned by the Northwestern Baptist Association. Attendance is 20, mostly children, with about a half dozen adults. The church budget is $350. 38 children were enrolled in the Vacation Bible School. The group stayed at a campground in a small cabin. When they finally consented to do some painting, it was an old sign they wanted done. Along with the lettering, a cross and praying hands were also painted on the sign. This led to some questions, and it is hoped the sign will be used as a witness tool.

31. The hymn, "I Stand Amazed in the Presence".
32. Special Music was heard from the Adult Choir of Mission Baptist Church. They sang, "He Is Here", "Glorious Love", and "I Am".

33. David Troutman, alternate preacher, and pastor of Kendalls Church, read the Scripture, Luke 14:16-24, and led in prayer.
34. John H. Connell, retired pastor, spoke to church members, asking some important questions: Why is God's House not filled? How much time do you give to God? More than to pleasure? God does everything right. The lost are not coming to us so we must go and get them. Not enough love shows in God's people. There is little concern for the lost. We should let our light shine and be faithful.
35. Blessing and choral response.

    The final registration: Messengers 144, Visitors 23, Pastors 42, Other 8, Total 217.

Second Day
at
PAUL'S CROSSING BAPTIST CHURCH

Wednesday, October 25, 1995

THE FUTURE

36. With the singing of the hymn, "To God Be The Glory", the second day's session of the 111th Annual Session was convened.
37. Devotion, Danny Laws, pastor of Dunn's Grove Church. Philippians 1:20 — according to the world there is no future. Happiness can be from the world, but joy is from Jesus. Closed in prayer.
38. Business and programs
    a. Place and Preacher Committee, presented by Max Vanderburg, pastor of Plyler Church. This was seconded and accepted.
    b. Nominating Committee Report was presented. This was seconded and approved.
    c. Miscellaneous Business: Burley Moore, Chairman of the Stewardship Committee, and pastor of Oak Grove Church, challenged us to seek God's will in giving, in establishing our priorities in giving, and in balancing those priorities in giving. Do the very best you can do for your pastor and in your mission giving. Hope to have a line item next year in the budget concerning volunteer missions. He presented the proposed budget and made the motion to accept it. This was seconded and approved.
    d. Mac Keck spoke about the opportunity to see the reports ahead of time, we could possibly have them presented the first day and then vote on them the second day.

       Possibly set a date for the next World Mission Conference so we can plan ahead. Motion was made to have the Conference in 1997, with the season to be determined later. Seconded and approved.
    e. Kenneth Lambert, pastor of Memorial Church, and Director of Baptist Men: A Disaster Relief Trailer has been purchased at approximately $4,500. Presently it is parked at the home of Cletus Whitley. The Baptist Men have been looking into the possibility of a permanent building to house the trailer. According to figures we have been able to get, it would cost approximately $17,500 to build, including materials and labor. As we look at these figures we feel there are people inside and outside the Association that would help build. We would like to have the feel from the association — should we get an itemized amount of what it would cost to build this building or should we continue to leave it parked with Cletus

Whitley. Kinney Wallace made the motion that we get an itemized list and bring it back to the Executive Committee meeting in January. Seconded and approved.

39. Special music by Koni Huneycutt and Kolis Moore: "Amazing Grace".
40. Frank McClellan presented the Resolutions.
41. Reports on Foreign, Home, and N.C. Missions.
    a. Kenneth Lambert made the motion to accept the written report on Foreign Mission Board. This was seconded and approved.
    b. Dwight Mabry made motion to accept the report on Home Mission Board.
    c. N.C. Missions report — seconded and approved.
42. Hymn, "Tis So Sweet to Trust in Jesus".
43. Ronnie Vaughn recognized Mac Keck, who will speak in place of Dr. J. Billy Graham who has not come yet.
44. Mac Keck used the Scripture, I Thessalonians 4:13-18, and led in prayer. How hopeless and purposefulness is a life lived without hope. But how different is the life of the believers, for they live with the inbred hope that Jesus Christ has given them.

    The people wanted to know what was going to happen to believers when Jesus Christ returned. They had had family members who died with a faith in Christ and they were unsure whether these family members would get to participate in the Kingdom of God since they had already died. Paul was writing to reassure them. He explains to them "if we believe that Jesus died and rose again, even so God will bring with Him those who sleep and believe in Jesus." The resurrection is an element of the Christian faith that sets us apart and gives us the hope that we need to live this life knowing that death is coming to us. It is a great comfort to know that Jesus is going to return. When He does return He will bring our loved ones who have died with Him, and then we who believe will meet them in the air.

    Jesus faced the horrors of death, but He rose again and now gives us the comfort of the hope that we will one day be with Him. It is a comfort to rely on the promise of Jesus Christ, that one day we will be united with Him and with those who have already died.
45. Reports from organizational directors:
    a. Sunday school — Robert Dixon — motion, seconded and approved.
    b. Discipleship Training — Ronny Russell made the motion to accept the written report. This was seconded and approved.

       He then spoke to the report:

       "First Place" is a Christ-centered program for a complete makeover. In Discipleship Training we learn that equipping of the Saints is getting ready for service, for building up the body of Christ.
    c. Ordination Advisory Committee — Donnie Lovette made a motion to accept the written report. Seconded and approved.
    d. Youth — Donnie Lovette — motion, seconded and approved. He spoke to the report. Young people are hurting — they need to find peace and security. The world is competing for our time. We need to let the youth know that church is not an option, but should be a priority. If we don't make an effort to reach the youth there will be more empty pews in the future. Our youth find no reason to trust in God. The church really needs to reach our youth.
    e. Music — Koni Huneycutt — motion to accept the report. Second and approved.
    f. Baptist Men — Kenneth Lambert — motion, second and approved. He spoke to the report: there is a need to chunk and rekindle the fire. After

the first of the year there is the possibility of having a Lay Renewal for at least one night.

g. WMU — Motion was made to accept the written report. Second, Approved.

h. Missions Development Council — Terry Seamon, Director — Motion was made to accept the written report. Second, and Approved.

He spoke to the report: The prospects from the Stanly County Fair have not been given out at this time. Volunteer guidelines have been revised. There is a volunteer fund set up whereby everyone can donate for the use of volunteers.

i. Volunteers — MacKeck — Motion, Seconded, Approved.

If you were a volunteer and your name was not listed on the volunteer report, we did not know it. Pray about volunteers to reach out to others. Mr. Keck showed his appreciation for volunteers wherever they have gone. He assured us that he considers everyone who holds a position in the Association as volunteers.

MacKeck led in prayer for Dr. J. Billy Graham.

j. Counseling Center — Harold McDonald — Motion, Seconded, Approved.

Harold McDonald then introduced Gary McFarland, counselor at the Baptist Counseling Center.

The Counseling Center is a cooperative effort between the North Carolina Baptist Hospital and the Stanly Baptist Association. Bill Yates is the new Director. As of July 15, there are new statutes that certifies pastoral counselors for practice. This does not affect local pastors, but is rather powerful for those whose ministry is specifically Pastoral Counseling. It is good to recognize that when someone is having an emotional or physical struggle, they also are having a spiritual struggle. The purpose of the Counseling Center is to help someone find hope when they have no hope. To find love when they have no love for themselves.

k. Christian Life and Public Action. Motion was made to accept the report. Seconded and approved.

46. Registration report — 107 messengers, 25 visitors, 29 pastors, 1 institutional, 1 agency and 5 others, total 168.

47. Harry Sherwood from Wingate. The name has changed from college to university. About one half of the pastors in Stanly Baptist Association have graduated from Wingate, or have at least attended the school. The school is proud of the Church Youth Leader Award. Each Association wins an award. The student receives a $2,000 scholarship to Wingate. This is in addition to whatever kind of assistance they might need. The state-wide winner receives a $8,000 scholarship. The school receives assistance from several sources in the Association:

The McCurdy Scholarship
The Sibley Scholarship from Stanly County
Stanly County Commissioners Scholarship fund
Home Savings Association scholarship honoring Buck Hill

Wingate offers scholarships to pastors who have not completed their work up through the B.A. level at Wingate.

He invites everyone to come and see the Wingate campus.

48. Mrs. Georgia Troutman presented the Memorials. She read from John 14:1-6 and led in prayer.

Motion was made to accept the printed list. Seconded. An addition was made to the list by Rev. Ollis Revels, Mineral Springs Church — add Mr. Curtis Tucker. Motion was approved.

49. MacKeck recognized the officers for the new year and led in prayer.

50. Larry Linker expressed gratitude and thanks for the love, acceptance and prayers down through the years.

51. Hymn, "Blessed Assurance" was sung.
52. Special music with Hoyle Whitley, Koni Huneycutt, and Kolis Moore, "The Wonder of it All".
53. Ronnie Vaughn introduced Dr. Doyle Holder who will preach the annual sermon.
54. Reading from Luke 15, Dr. Holder spoke of "Church House Evangelism". He read from Luke 15 on lost things. The lost sheep represent the lost out in the world. The lost son — lost in the home. The lost coin — lost in the house (church). From Luke 15:8-10: The woman — bride of Christ. The coins are the people. The house is our church buildings. The light is the spirit of God and the seeking is evangelism. Realization: There is no perfect church. Being lost and death today is not that big a deal. If we believe in hell we would be more apt to want to win our friends and family to the Lord.

    Investigation: The lady took the task as a responsibility to find the coin (people) as she looked diligently.

    Celebration: She invited her friends in to celebrate finding the coin (people). We cannot fully rest in our spirit, in the Will of God when there are lost people around us.
55. Jessie Dennis gave directions and thanksgiving for the lunch.

Final registration for the second day:

103 messengers, 24 visitors, 34 pastors, 6 others for a total of 167.

Resolutions

Mr. Frank McClellan and Rev. Danny Laws

We, the Resolutions Committee, on behalf of the officers, messengers, and visitors, meeting in this 111th Annual Session of the Stanly Baptist Association, do hereby extend to Albemarle First Baptist Church and Paul's Crossing Baptist Church, our sincere appreciation for their Christian hospitality, the delicious meals we were served and for their efforts in making our meetings most enjoyable in every way.

Be it further resolved, that all messengers thank our clerk and secretary, Mrs. Alda Miller, for preparing the Book of Reports and for a job well done.

We further resolve that all messengers extend warm appreciation to our Moderator, Vice Moderator, Instrumentalists, Music Directors, and Program Committee for the fine program and the manner in which the sessions were conducted.

The messengers extend appreciation to our Director of Missions, Rev. Mac Keck, for his fine leadership of our Associational work, and we pledge our support and prayers to him in the work of the Association.

Be it further resolved as we close this 111th session of the Stanly Baptist Association that we pledge our support and prayers for the Pastors of the Churches in our Association, who constantly bear the burden for the lost, the sick, and the unchurched within our Association.

Be it also resolved that the messengers and friends of the Stanly Baptist Association dedicate the Minutes of the 111th Session to the memory of Arch Cree, former Director of Missions for the Stanly Baptist Association.

The Annuity Board of the SBC

Rev. Ron Honeycutt

The Annuity Board of the Southern Baptist Convention has faithfully served the needs of eligible ministerial staff and their spouses for the past 77 years. Throughout its history this agency has provided security to its membership. At the end of May 1995, 37,076 participants serving 20,231 churches and associations were active in the Church Annuity Plan.

The Annuity Board continues to operate within its approved budget providing security through a Personal Security Program offering up to date insurance products to protect its participants. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of medical plans. It is exciting to note that within the medical plan there have been no increases since 1992. The Personal Security Program is a flexible program of coverage which can be tailored to meet each individual family's needs. Each plan is available alone or in combination with other plans.

With $4.8 billion in assets and over 77 years of experience, the Annuity Board continues to offer its participants security and stability thereby fulfilling its mission, "Serving those who serve the Lord".

Baptist Men

Rev. Kenneth Lambert

Thanks to the positive response of the churches in the Association, we were able to purchase a crisis trailer that will be used as an outreach tool to minister to people in times of natural disaster or other emergency needs. Presently, the trailer is being prepared and equipped for use. If your church has not had an opportunity to contribute toward the crisis trailer or towards equipping it with the proper tools, let me encourage you to explore how you may assist and help.

I commend the Missions Project Coordinator and the Baptist Men in the Association for fulfilling ten local mission needs this year and for being on standby for three other emergency needs outside the Association. If you have the time and interest and a desire to be a part of upcoming mission projects, local or out

of state, please contact the Mission Project Coordinator and let him know of your skills, interest and willingness to help.

Thanks to all the Baptist Men and the RA Leaders who were a part of the Baptist Men Leadership Training on Monday night, October 16th, at First Baptist Church Albemarle. If your church should need additional assistance with organizing and developing your Baptist Men and RA chapters, please let us know how we may assist you.

Please join me in praying for the Lord to give us the desire to host an Associational Men's Spiritual Lay Renewal for our Association after the first of the year. I am convinced there are a large number of men and women in our Association who have a genuine heartbeat to see our Association and our churches rally in a joyous spiritual celebration to press on for the honor and glory of Christ.

Baptist Children's Homes of North Carolina

Rev. Max Vanderburg

Believing in children and families, offering light to pierce the darkness has been Baptist Children's Homes' goal since it began 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, Baptist Children's Homes provide intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls.

Commemorating 110 years of ministry, BCH published "Intent to Serve", a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October, 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

Baptist churches, through the Co-operative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of Baptist Children's Homes' $12 million dollar budget with gifts totaling $2,934,304.

Trustees, intent of strengthening Baptist Children's Homes' leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way", to raise money for special projects, operational needs and endowment. The campaign will run September 1995-May 1997.

Many children suffer in darkness, many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, Baptist Children's Homes is able to "Light Their Way", offering hope, security and love.

Baptist Hospital

Rev. William P. Myers

The Baptist Hospital became a missionary endeavor of North Carolina Baptists in 1922 to provide a ministry of healing in the name of our Lord. The 806 bed facility now employs 5,544 for this purpose, and in the 1994-95 year provided care for 23,712 inpatients and 557,511 in the Outpatient Department.

Four ministry divisions provide for our missionary activities. The Department of Chaplaincy and Pastoral Education, The Department of Church and Denominational Relations, The Center for Congregational Health and Pastoral Counseling Centers.

The cost for medical services at Baptist Hospital range from 7.7 to 21% below charges for similar services at other health-care centers. The managed care plan

from Baptist Hospital, Bowman-Gray School of Medicine, and Wake Forest University called "QualChoice of North Carolina" is now expanding to employers throughout our region. Plans for additional new facilities to provide for rehabilitation and emergency care call for their completion by 1996.

The Mother's Day Offering provided $452,000 to help to relieve the financial burdens of those who had little or no healthcare insurance. This is a significant ministry that expresses the love and concern of North Carolina Baptists for those whose financial needs are greatest. Typical of the response to this ministry is this excerpt from a "Thank You" letter: "Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith." Our Mother's Day gifts is another way in which we become "doers of the word, and not hearers only."

Baptist Retirement Homes

Rev. Howard Benoy

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of the Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of the Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of the Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults, the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem ... a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. ... the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Biblical Recorder

Rev. Phillip Hunter

The Biblical Recorder was founded by Thomas Meredith 162 years ago. In 1833, Meredith dreamed of informing North Carolina Baptists, through written means, of events taking place among Baptists in North Carolina and in other places.

And, yet, today we find that people are reading less than any time in recent history. We live in an electronic age where people find the answers to their questions in "60-second sound bites" of television and radio newscasts. But, do we not want our Church Members to be better informed of denominational news? The cliche of "An informed Baptist is a better Baptist", still remains true. Let the Biblical Recorder be part of that source of information for you and your church.

Your church may be interested in the Biblical Recorder's Church News Service (CNS). This Service allows a congregation to include their church news

into the Biblical Recorder. This Service can save a church money by reducing staff time, postage and printing costs.

In addition to CNS, there are three other subscription programs to the Biblical Recorder that are available to the Baptists of North Carolina. An individual subscription to the Biblical Recorder costs $10.60 a year. Church Club subscriptions cost $8.48 a year. And, the Every Home Plan subscription rate is $7.42 a year. You can obtain additional information on Biblical Recorder subscriptions by calling the Biblical Recorder at 919-847-2127/2128.

Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve North Carolina Baptists with accurate and helpful information delivered to their homes and churches. We need your help!

Christian Life and Public Affairs

Rev. Nathan W. Fox

Richard Muri, President, and W. Douglas Cole, Executive Director, report that the Council on Christian Life and Public Affairs is charged with the responsibility to help North Carolina Baptists to become more aware of the ethical implications of the gospel in everyday living. In 1995 it provided many educational resources and conducted a wide variety of field service events. Both at the Key Leadership Meetings at Ridgecrest and the North Carolina Baptist Assembly, and in associational gatherings across the state, Christian Life Committee members were briefed on a variety of moral and ethical issues and provided help in organizing for action through their local churches and associations.

World Hunger, ministry to older adults, and single adults, substance abuse, and ministry to persons with HIV/AIDS are all part of the work of the Department of Family Life.

Coy C. Privette, Executive Director of the Christian Action League of N.C. for many years, retired this year, and Rev. Johnny R. Henderson became Executive Director in July.

The League has been of inestimable value to North Carolinians in fighting against alcohol, the Lottery, abortion, and more recently in sex abstinence education in schools.

1. Alcohol: The alcohol industry sought to implement statewide liquor-by-the-drink and beer/wine sales through legislative action without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, and the bill was withdrawn and died in committee.

2. Lottery: In the 1995 Session of the General Assembly there were four lottery bills introduced. Once again, the proposed state lottery went down in defeat in the State House, and, this session, in the Senate as well. We praise God N.C. remains the largest state in the nation that has no state-sponsored lottery. Your prayers are requested, however, the lottery debate will begin anew when the legislature returns to Raleigh next year.

3. Abortion: The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will cut the abortion funding from $1.2 million to $50,000 and then to be used only in cases of rape or incest. For many years we have been working for legislation requiring Parental Consent before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

4. Abstinence Education: Another proposal that the CAL has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports Biblical and moral values. This bill requires schools to

offer a program encouraging abstinence until marriage and provides parental review of teaching materials before comprehensive sex education instruction can be implemented.

Christian Literature

Rev. Dale Collingwood

The achievements of the Baptist Sunday School Board (BSSB) have been both exciting and edifying this year. Due to the efforts of the BSSB in cutting costs and living within the budget, it has been able to increase productivity and improve existing products. This success, according to the BSSB, has been realized in part by listening to the wants and needs of churches and individuals that purchase the supplies and materials. This approach has resulted in developing creative new resources and solving problems.

According to a report issued by the BSSB Communications Dept. (9-28-95), projections for year end income are $244.5 million, which is more than $1 million over budget and almost $20 million ahead of last year. Furthermore, the report states that the BSSB Trustees have approved a 1995-96 budget of $266.7 million over current year's projection including Funds Provided from Operations of almost $6.5 million which is a 14.9 percent increase over this year's projection and a 2.4 percent of total revenue. Gene Mims, vice president of the board's church growth group, stated, "We are glad that our prices continue to be among the lowest for dated church literature."

Since the BSSB has seen its purpose and aim to equip the saints for ministry, they have produced some exceptional studies for discipleship. For example, the **EXPERIENCING GOD** study course by Henry T. Blackaby and Claude V. King continues to be an effective resource in assisting people in the Scriptures to affect transformed lives. The BSSB continues to ship 1,300 copies of this course every business day to churches and individuals around the world. The feedback concerning materials and services from the churches introduced improvements in the adult Life and Work materials last October which resulted in an average increase of 1.4 percent in quarterly orders. Among other vital resources that have been the result of cooperation across organizational lines is the **RIGHT from WRONG** study by Josh McDowell for church youth. This resource is essential to help youth in understanding the Precepts and Principles of God. Other helps for youth are **TRUE LOVE WAITS** (the teen-age sexual abstinence campaign) and plethora topical studies and Bible videos.

Things to look for are: By December 1995, eleven of the twenty-two volumes of the **NEW AMERICA COMMENTARY** and publication of four of the twelve volumes in the **LIBRARY OF BAPTIST CLASSICS**; changes in the Bible teaching curriculum lines that will result in the Bible Book Series becoming the **EXPLORING THE BIBLE SERIES**; and the Convention Uniform Series becoming the **FAMILY BIBLE SERIES**.

As one person pointed out, the BSSB is big enough to have its own zip code but we are the better for their efforts. One thing is of absolute certainty, **THE LIVING WORD** and **THE WRITTEN WORD** will be published abroad by word of mouth and by the word in print until the end of the ages amen.

Director of Missions

Rev. Mac Keck

I wish to thank: Each volunteer who assisted the Association in any way during the past year, those churches or individuals who contributed financially to the Association; and to all who prayed for the work and ministry of the Association. It is very evident that without volunteers, financial resources and prayer, there would be little if anything that would be accomplished.

Allow me to share a few things about this past year that are different from the normal week by week work that goes on across the Association. We are happy to report that two churches have a desire and have petitioned the Association to be considered for membership. If approved this would bring our number of churches to sixty-two. These two churches are Community Church in Locust and Harmony Church in Stanfield.

The Association, at the request of the Baptist Men's Department of the North Carolina Baptist State Convention, has purchased a Disaster Relief Trailer and is in the process of equipping it. Churches and individuals have been donating extra to this project in money and equipment.

We have been talking and praying about new areas of ministry which led to a Backyard Bible Club being conducted at Hillview Mobile Home Park near Kinza Memorial Church. Information is still being gathered about the possibility of ministry to other language people and ministry to those of our county who are mentally handicapped.

This year we rented a booth at the Stanly County Fair to try and provide a Christian witness but also to gather information concerning people who are not involved in church. We purchased and gave three leather study Bibles to names drawn from those who were willing to fill out the information slips at our booth. We had a number of volunteers who participated in this event. From September 12-16 we had a total of 523 to fill out the information forms. From the answers given on the forms, 95 said they were not in church. Of those who attend church, 11 said they seldom attend; 53 said they attended occasionally; 41 said they attended monthly and 319 indicated they attended weekly. When we have made a list of these individuals, as to their location, we will share names and addresses with all churches in that area for follow up. Pray with us that those who are not Christian will be led to Christ and those who may have gotten away from the Lord and church can be brought back into the fellowship of a local church.

I hope and pray that as an Association we can get excited about the work of our Lord and work together to do His bidding that one day we will hear, "Well Done." May God bless you.

Discipleship Training

(ASSOCIATIONAL DISCIPLESHIP SUPPORTER)

Dr. Ronny Russell

Yes, there is another name change and shift of emphasis in Discipleship. From BYPU to Training Union to Discipleship Training and now something else. We may finally have it right this time.

The idea is that discipleship is not just another church program slotted on Sunday evening or in study courses. Discipleship, or making disciples, IS WHAT THE CHURCH DOES!

Thus, everything we do should be involved with making disciples. That includes everything — Sunday School, WMU, Music, Brotherhood, ministry, everything.

The role of the Associational Discipleship Supporter (ADS) is to be a resource person and facilitator to help churches find the best process for them to make disciples. A new and exciting process called **T-NET** (Training Network) is now becoming available for Baptist churches in North Carolina. It may not be for every church but every church should take a serious look at it.

Three luncheon meetings were held during the year with pastors and other associational leaders. The purpose of these meetings was to discuss disciplemaking issues in an informal way. More are planned for next year. Several new resources have been added to the Associational library. Check them out.

This past year children and youth participated in the State Bible Drill in Asheboro or Charlotte. All who were involved were State Winners. One young man was declared a State Finalist in the Youth Division, and participated in Salisbury. Mrs. Janice Berryhill who leads the Bible Drill encourages more participation in the coming year.

Evangelism

Dr. Kinney Wallace

"Here's Hope, Share Jesus Now" was the theme for the 1995 Simultaneous Revival efforts throughout the Stanly Baptist Association, the Baptist State Convention, and the Southern Baptist Convention. This particular Evangelistic effort was different than most that we as Southern Baptists are involved in because the focus was on personal witness which involved every church member and at least 10% of the Church Sunday School enrollment. The challenge for us was that at least 10% of every Sunday School enrollment be committed to attempting to share Christ with at least one person per day for sixty days. The sad part was that only a very small percentage of any of our Sunday Schools really became involved in the witness effort.

There was ample training for those who wanted to know how to win others to Christ. There was "soul winners training" in November at the Anderson Grove Baptist Church and another session at First Baptist Church, Locust. These training opportunities for learning how to win others to Christ were not well attended and the opportunity passed many believers by. The days of witness emphasis were January 9 through March 9, 1995. The Harvest Revivals were set for April 2-9, 1995 for the Piedmont area. On November 29, 1994 there was a Musical Drama presented at the Agri-Civic Center entitled, "Bring Back The Glory!" This was a history of and a Challenge for Spiritual Awakening and Revival for all of Stanly County.

I have seen little evidence of real Revival in Stanly County. However, it is not too late. If God's people will only do what 2 Chronicles 7:14 requires God will send a healing to our land.

Executive Committee

Rev. Ronald C. Vaughn

The Executive Committee of the Stanly Baptist Association met quarterly in the Associational Center to conduct matters of business pertaining to the Association.

In January, 1995, the committee received information concerning the purchase of a Disaster Relief Trailer. The unit has been mentioned before and more information had been requested. The committee was informed that Cletus Whitley and Jerry Barbee had purchased a unit for the consideration of the Association.

The Here's Hope Revivals scheduled for January 9th through April 9th were discussed as well as the witnessing commitments that had been made.

The regularly scheduled meeting in April could not be held because there was not a sufficient amount of representatives present to have a quorum. A May meeting was held to carry out necessary business.

The motion was made to pay $900.00 from the general fund toward the purchase of the Disaster Relief Trailer. A second motion was made and approved to pay for the equipping of the trailer.

The committee also approved funding help for the Missions Fund to help aid those requesting help for mission trips.

In July the Executive Committee approved the rental of a booth at the Stanly County Fair for the purpose of passing out tracts and obtaining prospects.

Information was also presented about possible Backyard Bible Clubs in area trailer parks. Plans were given for one of these clubs to be carried out at Hillview Mobile Home Park near Kinza Memorial Church.

The committee received two letters from churches seeking to come into the Stanly Baptist Association, Harmony Baptist Church of Stanfield, and Community Baptist Church of Locust. These were referred to the Missions Development Council.

The committee also received information from the State Convention concerning partnership with Southern Africa.

In September, reports were given concerning the Backyard Bible Club and the Stanly County Fair.

The Missions Development Council met with Harmony Baptist Church and Community Baptist Church. Their recommendations will be reported at the Annual meeting in October.

(Further information pertaining to the quarterly meetings of the Executive Committee may be obtained through the office of the Stanly Baptist Association.)

Family Counseling Center

Rev. Harold McDonald

The Family Counseling Center continues to perform an effective and meaningful ministry to the people of Stanly County. During the past eleven months, a total of 159.5 hours had been spent in counseling out of an available 180.5 hours. A total of $5,291 had been collected and a subsidy by the Association of $2,749 had been paid. Gary McFarland is providing solid Christian counseling for a number of people within our county and the numbers seem to be increasing as knowledge of the availability of such a service spreads. Due to the extremely confidential nature of the counseling ministry, the full impact of such a service cannot be calculated in concrete terms. Such a ministry results in changed lives and in strength and comfort for those experiencing difficulties in their everyday lives. It must be sufficient for us, as an Association, to be assured that there are people in our county today living lives of peace and confidence because of an effective ministry of Christian concern and counseling.

Our counselor, Gary McFarland, is available for any questions following his final counseling sessions on Monday evenings.

The Counseling Center Committee meets on a demand rather than a regular basis and receives regular quarterly reports on the number of hours, fees collected and subsidies required. The committee usually meets between one and three times during the course of the year to review and evaluate the ministry and to receive an updated report from Gary McFarland.

Foreign Mission Board

Rev. Kenneth Lambert

Currently (August 1995) Southern Baptists have a total of 4,139 missionaries serving in 131 countries. This is a net gain of 123 missionaries over last year — the highest number in almost 20 years. This puts the Southern Baptist Foreign Mission Board close to their desired goal of having 5,000 missionaries serving overseas by the year 2000.

In addition to the 131 countries that Southern Baptists are presently serving in, the Foreign Mission Board is targeting 69 people groups throughout the world who do not have a Bible in their language, no Christian bookstore, no radio, no

full time missionary on the field. One of these groups has over a million people living in their area. Due to the religious persecution and the government politics in these areas, Southern Baptist Missionaries are not able to stay on the field. The goal of the 429 missionaries who are assigned to these areas is to reach and win people out of these groups. Then disciple, train and equip the Christian converts to go back and minister to their own people.

Let me encourage and appeal to you to please pray for all of our 4,139 missionaries who are presently serving in 131 countries. Especially, pray for the 429 missionaries who have been assigned to reach out to the 69 different targeted groups of people with the message of Christ. Encourage your church family to give a generous sacrificial offering to the Lottie Moon Christmas Offering this year. Explore ways that your church family can help in sending short-term volunteers to go and serve.

May the Lord bless you for being a vital part of the foreign mission team effort of the 40,000 sister churches across the Southern Baptist Convention. Your continued prayer support, sacrificial giving, and personal volunteering for short-term mission needs will enable Southern Baptists to be obedient to God's call through The Great Commission.

North Carolina Baptist Foundation, Inc.

Rev. Tony Bradley

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many N.C. Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, NC 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

General Board

Dr. Ronny Russell

This is my final year as a General Board member. It has been a very rewarding experience, helping me to gain a greater appreciation for the work of Baptists in North Carolina.

The General Board's work is divided into ten committees and councils as follows:

Business Management	Stewardship
Church Programs	Youth and Campus
Communications	Christian Higher Education
Evangelism	Christian Social Services
Missions	Christian Life and Public Affairs

This year I have served on the Church Programs Committee after serving on the Evangelism Committee for four years. One afternoon of the General Board session is devoted to the committee meetings.

The remainder of the time (two morning sessions) is devoted to hearing reports, voting on recommendations and hearing an address from Dr. Roy Smith. Sometimes there are tough issues to come before the General Board. I am always impressed with the compassionate, yet efficient way these matters are handled. There are some very caring and gifted people among North Carolina Baptists!

Higher Christian Education

Rev. Randy Berryhill

What are many prospective college students looking for?

... A wholesome atmosphere that equips students to make a positive difference in the world ...

... A small, personal setting where the overwhelming "megaversity" feeling does not exist ...

... An intimate family of peers, faculty, and staff that continues even after graduation ...

... A broad-based education that adequately prepares a student for his/her vocation and career transitions.

So, where can these prudent prospects find these college characteristics?

... 108 year old *Campbell University* in Buies Creek (800-334-4111)

... 147 year old *Chowan College* in Murfreesboro (800-488-4101)

... 90 year old *Gardner-Webb University* in Boiling Springs (800-253-6472)

... 139 year old *Mars Hill College* in Mars Hill (800-543-1514)

... 104 year old *Meredith College* in Raleigh (800-637-3348)

... 161 year old *Wake Forest University* in Winston-Salem (910-759-5201)

... 99 year old *Wingate University* in Wingate (800-755-5550)

... All were founded and are nurtured by the 165 year old *Baptist State Convention of North Carolina!*

"For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 percent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

"The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies."

Home Mission Board

Rev. Dwight Mabry

The Home Mission Board (HMB) is a missionary-minded agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in health-care agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year, there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500 about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

Missions Development Council

Rev. Terry Seamon

The Missions Development Council has had many opportunities to assist in missions this past year. Most recently we have provided a booth at the Stanly County Fair this past September. We handed out tracts, and gave away three Study Bibles. There were 526 entries to receive the Bibles. Many of those individuals are not active in a church. Those names have been given to Baptist Churches near them. Please pray for these individuals as we seek to follow up on them.

The Missions Development Council, working with many from Kinza Memorial Baptist Church, helped to sponsor a Backyard Bible Club in an area trailer park this summer.

Two churches have sought admission to our Association. The Missions Development Council met with and recommended to the Executive Council to receive Community Baptist Church from Locust, and Harmony Baptist Church from Stanfield.

In the realm of volunteer missions, the Council has been extremely busy seeking to make recommendations to the Executive Council for use of the Volunteer Missions Fund. The Association has given $2,000 to help four members from Paul's Crossing Baptist Church go to Romania, gave $1,816 to help 11 members of our Association go to St. Lucia, helped a group of 10 from Porter Baptist Church go on a mission trip to New York, and we have helped a group of Associational Acteens go to Woodward, Oklahoma on a Vacation Bible School project.

Due to this tremendous response from our churches concerning volunteer missions, as well as the limited access to funds, the Executive Committee has adopted the following revised guidelines. The request must be from an active and participating member of a church in our Association. The Association must

receive the Pastor's recommendation for anyone seeking funds. The major emphasis of the trip must be to present the Gospel in verbal witness providing an opportunity for people to receive Jesus Christ as their personal Lord and Savior either through one on one witnessing or in group settings. The mission work must be requested and/or endorsed by either the Home Mission Board or the Foreign Mission Board. A detailed account of the cost, as well as the agenda for the trip, must be submitted to the Mission Development Council prior to recommendation to the Executive Committee. A person may receive assistance from this fund once every three years. Eligibility for volunteer mission funds is based on actual financial needs. Therefore, if adequate funds become available from your church, or any other source, or if the trip is canceled, Associational funds must be returned.

Thank you, Stanly Baptist Association, for caring about missions around the world by praying, giving, and going so that we can move toward fulfilling our Lord's Great Commission.

Music

Mrs. Koni Huneycutt
Mrs. Kolis Moore

Music is such a vital and important part of our praise and worship experience. We open our hearts to the Lord as we sing the rich message of the Gospel. Hymns, anthems, choruses, and praise songs share the Good News, grace and peace, compassion and comfort, encouragement and vision, confidence and hope. As we sing, we share the spirit of good news and the power of resurrection.

Just as any part of the worship experience, things must be kept fresh and exciting as we come together as the body of Christ to lift our voices in song. It is always good to have a variety of music styles within the worship service ... gospel, contemporary, old favorites, and the use of ensembles or groups (solos, duets, trios, etc.).

It has been said regarding music in growing churches, that the music should be contemporary and upbeat and should be of highest quality. There should be lots of it and it needs to be led and presented in innovative ways. This becomes a challenge to song leaders as we seek to use our talents to glorify God.

It is our prayer that God will bless our music and that it might glorify His name.

> "Come let us sing for joy to the Lord; Let us shout aloud to the Rock of our salvation. Let us come before him with thanksgiving and extol him with music and song."
>
> Psalm 95:1-2

The North Carolina Missions Offering

Rev. Farrell Shimpock

Most of the North Carolina Missions Offering supports projects in the 80 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state mission programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Stanly Association automatically received 10 percent of the 1994 special offering collected in the association. Last year (1994) $3,621.90 of the $36,219.03 collected from 36 of the association's 60 churches and missions was sent back to the association.

In addition to the money sent directly to the association, $751.00 was used in 1994 to finance additional mission projects in the association. These projects include:

$351.00 Bivocational Ministries
$400.00 Church Growth Assistance for Fellowship Church

The North Carolina Missions Offering also supports N.C. Woman's Missionary Union, N.C. Baptist Men (Brotherhood), Youth and Campus Ministries, and N.C. Baptist Assembly (Caswell). The number of individuals in the Stanly Association who participated in these programs in 1994 includes:

20 Boys to Camp Caraway
43 Girls to Camp Mundo Vista
8 Girls to Discover Mundo Vista Day
1 Missionary Parent*
1 Student Summer Missionary serving from Association in 1995
3 Persons to RA Leadership Training

*Missionary Kids, Missionary Parents, and Retired Missionaries receive birthday and Christmas gifts from WMU.

The following churches in the Stanly Association, according to Baptist State Convention records, gave to the 1994 offering:

Albemarle First	Anderson Grove	Antioch
Aquadale	Badin	Barbee's Grove
Bethlehem	Cottonville	Dunn's Grove
East Albemarle	Grace	Kendalls
Kinza Memorial	Lakeview	Locust First
Memorial	Mineral Springs	Mt. Calvary
New London First	North Albemarle	Oakboro First
Oak Grove	Palmerville	Paul's Crossing
Philadelphia	Pleasant Grove	Plyler
Prospect	Red Cross	Richfield
Silver Springs	South Albemarle	Stanfield First

Ordination Advisory Counsel

Rev. Donnie Lovette

On August 11, 1995, the ordination advisory council of the Stanly Baptist Association met at First Baptist Church of Oakboro to examine Mr. John Davis. Mr. Davis has been serving Oakridge Baptist Church in Mineral Wells, Texas as Pastor for more than a year, when the request came from his church for his ordination. His home church, Oakboro First, then asked the advisory committee to examine him. John was questioned as to his conversion, call, commitment to missions and ministry, and doctrinal beliefs. He was then unanimously recommended for ordination by the council to Oakboro First, and ordained to the gospel ministry on August 13, 1995.

Prayer Committee

Rev. Mac Keck

This committee ws formed out of a sense of need to have some people praying specifically for the Association and its work. While I realize that churches and individuals do pray for the Association, I know that the church and its needs are usually what a church concentrates on. As a committee we are scheduled to meet once a month and pray specifically for the Association work; requests that relate

to a particular program. We also pray for God's leadership and direction for pastor search committees as they seek out God's leader for their church.

One of the main reasons for forming this committee, however, was to concentrate upon praying for spiritual renewal and revival for our Association and our nation. We believe that God wants to bring revival to His people and that prayer is necessary to bring this about. As we read about the great movements of God in the past we also read that preceding the movement of God in spiritual awakening there was much prayer on the part of God's people. We long to see God move in such a way as we have not seen in our day. We want to see something happen in people's lives that will cause such a change that unsaved people will take notice and be drawn to Jesus for salvation. I request your prayers for the Association but also I request that as an Association that you will ban together with us and ask God to do a work of spiritual renewal in our midst. God's Word says, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (II Chronicles 7:14 KJV) If the sickness called sin is ever to be healed in our county, our state, and our nation, it will happen only as we meet the requirements given in the above verse.

Perhaps in your church you may discover one or two or more who would really like to see God bring revival. Why not start a prayer meeting separate from the regular prayer service. Come together at a regular appointed time and pray for revival in your church family and across the nation. Pray that God would burden others to join your prayer group. I believe that God will honor the prayers of a concerned and desperate people. Remember we have not because we ask not. Let those who are burdened organize and begin to seek revival in their own lives and to pray for God to bring a Spiritual Awakening to this land of ours.

Stewardship

Rev. Burley Moore

The Associational stewardship committee met in June and began preparing the proposed budget for the upcoming year. It was presented to the executive committee during their July meeting. The total increase amounted to only a fraction of a percent over the previous year's budget.

As a "challenge" to every church in our association, I would like to encourage you to designate a goal of 3% of all church receipts for the work of our local association. If that "challenge" is not a possibility for you at this time, then perhaps you will consider increasing your giving each year by 1/2% or 1% until you have reached the 3% goal. For those churches who have already exceeded the 3% "challenge" and as the Lord impresses you, maybe you would like to consider an increase of 1/4% or more to Stanly Baptist Association.

If our Associational giving increased enough, we would like to add a line item to the budget for missions volunteers, but this can only be possible if there is sufficient increase in contributions. This next year, these contributions will be monitored in hopes of making all excess funds up to $3,600 a line item in the budget for missions volunteers.

Remember, as you give unto the Lord, it is not only a responsible act of stewardship, but an act of worship. Thanks for all you do to help make the ministry of our local association possible.

Sunday School

Rev. Robert Dixon

Last year each of the 60 churches of the Stanly Baptist Association offered Sunday School with a combined enrollment of 9,701, down 229 from the previous year. On average, there were 6,022 persons involved in Sunday School through the churches of our association on Sunday morning, up 18 from the previous year. Twenty-nine of our churches reported an increased average attendance last year. Six reported no new Sunday School members at all.

First Church, Locust reported an average attendance increase of 32. North Stanly Church reported a 56% increase in their average attendance. Mountain View Church had a 24% increase in average attendance. Bethel Church reported 40 new members enrolled last year. This represents success in Sunday School work by these churches. The first objective of Sunday School is to *Reach* people for Bible Study. This is reflected by attendance. A key way to grow the Sunday School is to enroll new members. Most often, it is easier to have new members come regularly than it is to revive chronic absentee members into coming regularly. What attendance or enrollment goals has your church set for the New Year?

We are not competing with each other nor with other Christian churches in some type of numbers race. There is no prize awarded. Our fight is with the devil himself who would have Christians ignorant of Biblical teaching and the lost kept at a distance from the Gospel. The only trophies we seek are those redeemed lives of the lost and broken persons living among us.

Volunteer Missions 1995

Rev. Mac Keck

Volunteers have been quite active in doing missions during our 1994-1995 year. I will list those we have a record of. If you were a volunteer and your name does not appear it is because I did not have the information; please accept my apology. The Stanly Baptist Association had approved and contributed money in the amount of $4,716.00 to assist the volunteers in their expenses as they went forth to serve the Lord during this year.

Four people from Paul's Crossing: Rev. Jessie Dennis, Diane Dennis, Dale King, and Arthur Frick went to Romania. Their work in missions involved preaching and witnessing to win people to Christ.

Sixteen people went with Rev. Jon Hoey, pastor of South Albemarle, to St. Lucia. Some of those were members of South Albemarle Church. Their mission work involved construction on two churches and clearing ground for a third church. They also helped in Vacation Bible School and participated in Evangelistic services at two locations.

A total of eleven Activators and Leaders went to Woodward, OK and held Vacation Bible School in the Indian Baptist Church there. Included in this group were: Ellie Holder and Tori Walker of Bethel Church, Amanda Kennedy of Locust Church, and Karen Benge, Kelly Little, Janice Earnhardt, Camey Brooks, Natasha Morton, Terri Griffin, Susan Brooks, and Ruby Benge of Philadelphia Church.

North Albemarle Baptist had a total of eleven youth and leaders who went to Washington, DC. They were there three days and helped in a Soup Kitchen and presented a program in a Children's Home. Those who went were: Mike Bailey, Kelly Broyles, Caroline Hudson, Daren and Randy McKinney, Cortney Whitley, Carrie Stoker, John Boing, Jason Calloway, Tanya Huneycutt, and Amber Tinklam. They did not use Association funds.

Rev. Mark Beasley and ten others went from Anderson Grove to Jefferson City, TN. They were involved with Appalachian OutReach and went there to do construction. They witnessed to the family where they were working. They did not use Associational funds.

Rev. Flake Mason and nine others went to Geneva, NY. They were involved in some construction, had Backyard Bible Club one day and at the request of Geneva Baptist Church, held training sessions for GA's and Acteens.

Twenty volunteers from the Stanly Baptist Association held Backyard Bible Club at the Hillview Mobile Home Park and involved twenty children in the club.

A good number of volunteers worked at a booth at the Stanly County Fair. They passed out witnessing tracts, New Testaments, and candy. They got 523 people to fill out information forms and from this we discovered 95 unchurched. Names will be shared with our churches. Three study Bibles were awarded to three of those who filled out the forms.

Woman's Missionary Union

Mrs. Mary Schreppel

This has been a challenging year for WMU, hearing new plans being introduced by our state leaders. Our focus this year has been to ease the transition of changes and assure everyone that our purpose will not change. The new format allows for diversity and flexibility since more women are working outside the home now than when WMU re-organized in 1970. Materials, names and methods will change but we will continue to focus on **MISSIONS**.

The emphasis for 1994-95 was "A Time to Grow". May we continue to strive for growth, spiritually, and in numbers as we fulfill God's command.

The WMU Annual Session and Leadership Workshops were well attended. Thanks to our host churches. Again we were able to present a WMU scholarship. The recipient was Miss Nicole Dennis from the Cottonville Church.

I had the opportunity to share the role of WMU in several churches with several groups this year. These past five years have been a great learning experience for me. Thanks to the pastors, council and dedicated workers that have contributed so much toward WMU.

May you continue to support WMU and its purpose with your new director.

Youth

Rev. Donnie Lovette

In 1994-95, youth from our Association came together for Youth Rallies at Anderson Grove, Locust First, and Oakboro First. At each rally, the host church served a meal and provided ministry to the group. Through the ministry of music, missions involvement, puppets, drama, and the Word our youth were challenged to let their lights shine for Christ and make a difference in our world.

In anticipation of the Here's Hope Revivals, youth leaders met at Locust First for training in the "Roman Road" approach to witnessing for youth. Through this training, our youth were encouraged to participate in the 90 days of witnessing in an effort to reach their friends with the Gospel.

In my contact with youth leaders during the past year, one of the concerns I heard most was of youth dropping out of church. Truly, this is a difficult day for our youth. Not only do they face the pressures of a godless society, they see the complacency on the part of God's own people. Our young people today are a product of a generation that has made God and His work an option instead of a priority and the result is a decline in the number of youth and children in our churches. As we face a new year, may the youth and children of our churches see in us a reason to be committed to Christ.

Historical Events

There were several personnel changes during 1995. After 15 years of service as Financial Secretary, Barbara Frederick retired and Sandra Stone joined the staff as the new Financial Secretary.
